The Problem Of God

Mark Clark

The Problem Of God:

The Problem of God Study Guide Mark Clark, 2021-09-28 Explore and discuss the top 10 most difficult questions raised against Christianity You may be skeptical of Christianity yourself You may have grown up in the church and never questioned your beliefs You may be somewhere in the middle or unsure where you stand But wherever you are this ten session study guide DVD streaming video sold separately is designed to take you and your group through the biggest questions people raise against God and the Christian faith Based on the explorations of his book *The Problem of God* Mark Clark uses an engaging mix of theology philosophy science and story to investigate the essential questions that weigh on the human mind God's existence the veracity of the Bible evil and suffering hell sex hypocrisy exclusivity and the claims of Jesus This video based study is designed to be experienced in a group setting or any small gathering Throughout the ten sessions you'll take part in a number of activities including Watching the video teachings from Mark *The Problem of God* Video Study sold separately Group discussion questions Written responses and personal reflections Scripture readings and prayers *The Problem of God Study Guide* provides a safe space to wrestle intentionally with the questions the ideas and the evidence and ultimately to wrestle with faith and doubt Sessions include *The Problem of Science* *The Problem of God's Existence* *The Problem of the Bible* *The Problem of the Christian Myth* *The Problem of Evil and Suffering* *The Problem of Hell* *The Problem of Sex* *The Problem of Hypocrisy* *The Problem of Exclusivity* *The Problem of Jesus* *The Problem of God* Video Study 9780310108399 sold separately

The Problem of God in Modern Thought Philip Clayton, 2000 It is widely believed that modern philosophers have dismissed the idea of God and opted instead for a secular humanism Challenging these stereotypes through a careful study of major philosophical texts written since the Enlightenment Philip Clayton shows how the main thinkers of the modern period have continued to wrestle with the problem of God and to make proposals for understanding the divine Following up on his award winning book *God and Contemporary Science* Clayton here explores the constructive resources that modern thought offers to those struggling with the notion of God as infinite and perfect He finds in the narrative of modern thought about God strong support for panentheism the new theological movement that maintains the transcendence of God while denying the separation of God and the world

The Problem of God, Yesterday and Today John Courtney Murray, 1964-01-01 In an urbane and persuasive tract for our time the distinguished Catholic theologian combines a comprehensive metaphysics with a sensitivity to contemporary existentialist thought Father Murray traces the problem of God from its origins in the Old Testament through its development in the Christian Fathers and the definitive statement by Aquinas to its denial by modern materialism Students and nonspecialist intellectuals may both benefit by the book which illuminates the problem of development of doctrine that is now even more than in the days of Newman a fundamental issue between Roman Catholic and Protestant theologians and nonspecialist intellectuals alike will find the subject of vital interest As a challenge to the ecumenical dialogue the question is raised whether in the course of its

development through different phases the problem of God has come back to its original position Father Murray is Ordinary professor of theology at Woodstock College Woodstock Maryland St Thomas More Lectures 1 A gem of a book lucid illuminating brilliantly written A fine contribution to the current Catholic theological renaissance Paul Weiss The Problem of God Edgar Sheffield Brightman, 1930 The Problem of Evil and the Problem of God Dewi Zephaniah Phillips, 2004 This book is D Z Phillips systematic attempt to discuss the problem of evil He argues that the problem is inextricably linked to our conception of God In an effort to distinguish between logical and existential problems of evil that inheritance offers us distorted accounts of God s omnipotence and will In his interlude Phillips argues that as a result God is ridiculed out of existence and found unfit to plead before the bar of decency However Phillips elucidates a neglected tradition in which we reach a different understanding of God s presence amidst suffering and addresses the ultimate question of how God can be said to be with those who are crushed by life s afflictions An ideal text for students of philosophy religious studies and theology but also for anyone who reflects seriously on the danger of adding to human evils by the way in which we write and think about them Jacket *The Problem of God in Philosophy of Religion* Henry Duméry, 1969 **C.S. Lewis and the Problem of God** David Werther, 2024-05-15 Understanding C S Lewis s vocation is essential for reading his works well as is knowing how he came to it his long and winding philosophical journey and reoccurring experiences of Joy Lewis discounted proofs in philosophical theology but offered key arguments in support of theism per se and Christianity in particular His account of mere Christianity shows the centrality of self determination an emphasis on Christ s human nature and a relativizing of atonement theories Finally Lewis s understanding of faith his attempts to make sense of petitionary and imprecatory prayers and his emphasis on theosis deification are considered The Problem of God Peter Adam Angeles, 1980 *The Problem of Jesus: Answering a Skeptic's Challenges to the Scandal Of Jesus* Mark Clark, 2021-02-23 In *The Problem of Jesus* author and pastor Mark Clark looks beyond the superficial understandings of Jesus He confronts you with the real Jesus of history asking you to wrestle with the teachings claims and actions of the man who has forever altered the course of human history **God the Problem** Gordon D. Kaufman, 1972 The most discussed and most significant issue on the religious scene today is whether it is possible or even desirable to believe in God Mr Kaufman s valuable study does not offer a doctrine of God but instead explores why God is a problem for many moderns the dimensions of that problem and the inner logic of the notion of God as it has developed in Western culture His object is to determine the function or significance of talk about God how the concept of God is generated in human experience the special problems in turn generated by this concept for example the intelligibility of the idea of transcendence the problem of theodicy and how they are met and under what circumstances the idea of God is credible or important or even indispensable He does not try to prove God s existence or nonexistence but elucidates what the concept of God means and the important human needs it fulfills Four of the eleven essays have been previously published at least in part seven are completely new

Embracing the Song of Phrase: An Mental Symphony within **The Problem Of God**

In a global consumed by screens and the ceaseless chatter of immediate communication, the melodic beauty and psychological symphony developed by the written word frequently fade in to the back ground, eclipsed by the constant sound and interruptions that permeate our lives. But, located within the pages of **The Problem Of God** an enchanting literary value full of fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that captivating masterpiece conducts viewers on an emotional journey, skillfully unraveling the concealed tunes and profound affect resonating within each cautiously crafted phrase. Within the depths of this moving review, we shall investigate the book is key harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
