

THE PORTABLE
Walt Whitman

With a note on the new edition by Malcolm Cowley

• Leaves of Grass, 1850–1891 (selections)

• Democratic Vistas • Specimen Days

Edited by Mark Van Doren

Revised and Enlarged Edition

The Portable Walt Whitman

Walt Whitman

The Portable Walt Whitman:

The Portable Walt Whitman Walt Whitman, 2003-12-30 A comprehensive collection of Whitman's most beloved works of poetry, prose, and short stories. When Walt Whitman self-published *Leaves of Grass* in 1855, it was a slim volume of twelve poems, and he was a journalist and poet from Long Island, little known but full of ambition and poetic fire. To give a new voice to the new nation shaken by civil war, he spent his entire life revising and adding to the work, but his initial act of bravado in answering Ralph Waldo Emerson's call for a national poet has made Whitman the quintessential American writer. This rich cross-section of his work includes poems from throughout Whitman's lifetime as published on his deathbed edition of 1891, short stories, his prefaces to the many editions of *Leaves of Grass*, and a variety of prose selections including *Democratic Vistas*, *Specimen Days*, and *Slang in America*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
