Gendered Politics in the Modern South Keira V. Williams, 2012-11-05 In the fall of 1994 Susan Smith a young mother from Union South Carolina reported that an African American male carjacker had kidnapped her two children The news sparked a multi state investigation and evoked nationwide sympathy Nine days later she confessed to drowning the boys in a nearby lake and that sympathy quickly turned to outrage Smith became the topic of thousands of articles news segments and media broadcasts overshadowing the coverage of midterm elections and the O J Simpson trial The notoriety of her case was more than tabloid fare however her story tapped into a cultural debate about gender and politics at a crucial moment in American history In Gendered Politics in

the Modern South Keira V Williams uses the Susan Smith case to analyze the new sexism found in the agenda of the budding neoconservatism movement of the 1990s She notes that in the weeks after Smith s confession soon to be Speaker of the House Newt Gingrich made statements linking Smith s behavior to the 1960s counterculture movement and to Lyndon Johnson s Great Society social welfare programs At the same time various magazines declared the death of feminism and a crisis in masculinity as the assault on liberal social causes gained momentum In response to this perceived crisis Williams argues a distinct code of gender discrimination developed that sought to reassert a traditional form of white male power In addition to consulting a wide variety of sources including letters from Smith written since her incarceration Williams contextualizes the infamous case within the history of gender politics over the last quarter of the twentieth century She reveals how the rhetoric imagery and legal treatment of infanticidal mothers changed and asserts that the latest shift reflects the evolution of a neoconservative politics *The Bohemian South* Shawn Chandler Bingham, Lindsey A.

Freeman, 2017-05-08 From the southern influence on nineteenth century New York to the musical legacy of late twentieth century Athens Georgia to the cutting edge cuisines of twenty first century Asheville North Carolina the bohemian South has long contested traditional views of the region Yet even as the fruits of this creative South have famously been celebrated exported and expropriated the region long was labeled a cultural backwater This timely and illuminating collection uses bohemia as a novel lens for reconsidering more traditional views of the South Exploring wide ranging locales such as Athens Austin Black Mountain College Knoxville Memphis New Orleans and North Carolina s Research Triangle each essay challenges popular interpretations of the South while highlighting important bohemian sub and countercultures The Bohemian South provides an important perspective in the New South as an epicenter for progress innovation and experimentation Contributors include Scott Barretta Shawn Chandler Bingham Jaime Cantrell Jon Horne Carter Alex Sayf Cummings Lindsey A Freeman Grace E Hale Joanna Levin Joshua Long Daniel S Margolies Chris Offutt Zandria F Robinson Allen Shelton Daniel Cross Turner Zackary Vernon and Edward Whitley **Literary Trauma** Deborah M.

Horvitz, 2000-11-02 Examines representations of political psychological and sexual violence in seven novels by American women **Women and Madness** Phyllis Chesler, 2018-09-04 Feminist icon Phyllis Chesler s pioneering work *Women and Madness* remains startlingly relevant today nearly fifty years since its first publication in 1972 With over 2.5 million copies sold this landmark book is unanimously regarded as the definitive work on the subject of women s psychology Now back in print this completely revised and updated edition adds perspectives on eating disorders postpartum depression biological psychology important feminist political findings female genital mutilation and more Rape and Resistance Linda Martín Alcoff, 2018-05-04 Sexual violence has become a topic of intense media scrutiny thanks to the bravery of survivors coming forward to tell their stories But unfortunately mainstream public spheres too often echo reports in a way that inhibits proper understanding of its causes placing too much emphasis on individual responsibility or blaming minority cultures In this

powerful and original book Linda Martin Alcoff aims to correct the misleading language of public debate about rape and sexual violence by showing how complex our experiences of sexual violation can be Although it is survivors who have galvanized movements like MeToo when their words enter the public arena they can be manipulated or interpreted in a way that damages their effectiveness Rather than assuming that all experiences of sexual violence are universal we need to be more sensitive to the local and personal contexts who is speaking and in what circumstances that affect how activists and survivors protests will be received and understood Alcoff has written a book that will revolutionize the way we think about rape finally putting the survivor center stage *Crossing borders and queering citizenship* Zalfa Feghali, 2019-04-16 Can reading make us better citizens Fusing queer theory citizenship studies and border studies in its exploration of seven U S Canadian and Indigenous authors poets and performance artists *Crossing borders and queering citizenship* theorises how reading can work as an empowering tool in contemporary civic struggles in the North America *Southern Selves* James Watkins, 2007-12-18 The memoirist seek to capture not just a self but an entire world and in this marvelous anthology thirty one of the South's finest writers writers like Kaye Gibbons and Reynolds Price Eudora Welty and Harry Crews Richard Wright and Dorothy Allison make their intensely personal contributions to a vibrant collective picture of southern life In the hands of these superb artists the South's rich tradition of storytelling is brilliantly revealed Whether slave or master intellectual or redneck each voice in this moving and unforgettable collection is proof that southern literature richly deserves its reputation for irreverent humor exquisite language a feeling for place and an undying often heartbreaking sense of the past
