Third Series* Library of Congress. Copyright Office, 1976 Literary Recordings Library of Congress. General Reference and Bibliography Division, Archive of Recorded Poetry and Literature (Library of Congress), 1966 The Poems of [William] Shakespeare ed. w. introd. a. notes by George Wyndham William Shakespeare, 1898 **The poems of Shakespeare, ed. with an intr. and notes by G. Wyndham** William Shakespeare, 1898 **Celebrating Global Warming: Magpie Poems From Cold Lake And Deadmonton** Martin Avery, **Long to Love and Memory: Poetry** John Banister Tabb, 2017-07-07 The exquisite poetry of John B Tabb 1845 1909 is rich in technical precision and concise expression His keen perspective looks carefully around peers into the depths of the soul and gazes up at the heights Little in nature escaped Father Tabb s notice flowers birdsong the beating of the rain the passage of sun moon and stars the cycles of the seasons and the march of the years Everywhere he saw reflections and heard echoes of the gamut of human experience loneliness and companionship losses and rewards regrets and hopes man and God He expressed the essence of his unique vision in a profusion of small poems This collection of 244 poems most of which have no more than eight lines displays the best of Tabb s work gathered into sets that showcase his various approaches to similar topics With notes to help the reader with unfamiliar words and concepts Long to Love and Memory brings John B Tabb s gems out into the light once more and sets them anew for a new century **Disguised as a Poem** Judith Tannenbaum, 2000 Tannenbaum reminds readers not only that men and women behind bars are human and therefore deserving of our respect and compassion but that they have much to tell us about our propensity for both barbarism and beauty Booklist **The Summer Confessions** Ellen Bilher, 2008 Bequeathed Writings and Poems of Hermann Lauscher Hermann Hesse, Published in Basel in 1901 though often attributed to 1900 *Hinterlassene Schriften und Gedichte von Hermann Lauscher* was presented as the posthumous papers of one Hermann Lauscher a playful literary device concealing the true author Hermann Hesse himself Issued by a small Basel publisher Reich this book is a curious hybrid of prose and poetry half fiction and half autobiography Hesse then in his early twenties adopted the persona of Hermann Lauscher as a kind of alter ego or fictional narrator The volume includes Lauscher s introspective sketches reflections on art and life and interspersed poems all purportedly found and published after Lauscher s untimely death In reality of course the work was entirely Hesse s own creation an early experiment in blending life and art The publication history of Hermann Lauscher is notable it had a limited release as a booklet but it succeeded in drawing critical attention Positive reviews about this book caught the eye of the eminent publisher Samuel Fischer in Berlin who then reached out to Hesse Thus Hermann Lauscher became a turning point it impressed the literary establishment enough to give the young writer his first big break with a major publisher Initially dismissed as obscure Hermann Lauscher gained retrospective acclaim for its avant garde structure

and psychological acuity The work's pseudonymous framing echoing the ironic detachment of early modernism underscores Hesse's growing distrust of literary pretension Its thematic preoccupations artistic paralysis the commodification of beauty anticipate the self-referential critiques of his later novels cementing its role as a harbinger of 20th century literary introspection This new edition features a contemporary translation of Hermann Hesse's early work making his philosophical and existential literature accessible to modern readers Enhanced by an illuminating afterword that focuses on Hesse's personal and intellectual relationship with Carl Jung a concise biography a glossary of essential philosophical terms integral to his writings and a detailed chronology of his life and major works this robust edition introduces readers to the brilliance of Hesse's literature It captures the depth and nuance of Hesse's thought and highlights its enduring impact on contemporary culture and spiritual inquiry throughout the 20th century
