Summary of Lois Tverberg's Reading the Bible with Rabbi Jesus Everest Media, 2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The author's goal is to help you mentally transport yourself back in time to read the Bible as one of Jesus first century disciples He wants to help you appreciate the Bible's original Middle Eastern setting 2 Embracing Jesus Jewishness is a recent development in Christian scholarship It has been realized that Jesus was overly cast within Greco Roman society to the neglect of his Jewish context Seeing him in his context sheds new light on his ministry and deepens our understanding of his words 3 I grew up believing that the Bible was the inspired Word of God but I found it more confusing than inspiring The last quarter of the Bible starting with the book of Matthew was dog eared rippled with coffee mug circles and filled with highlighting and thoughts penciled into the margins 4 The site of Emmaus is unknown but it is believed to be located near Motza a village just northwest of Jerusalem Its ancient name was Ha motza meaning the spring which was translated into Greek as Em ma oos or Emmaus *Spiritual Slimming* Lara Wells, 2010-12-16 This book is the answer to what lies within if you have ever had to battle with the bulge It explores the link between the baggage we carry in life and the effects it has on our body By clearing the demons within and slimming our life to gain control we can slim the packaging on the outside Celebrate the NEW YOU with this book and be all you are and

The Moralistic Bible Raymond Burt,2017-04-03 Inspired by his God Burt Raymond writes in *The Moralistic Bible* of Jesus Christ Satan the Romany empire and Nero When time begat time the parting of the ways destroyed the mountain From the beginning of mankind do we ask are we incubus He writes in the Prologue We read of the stoves and ovens referring to the Holocaust We read of turning the other cheek and fevers that consume and the pains of evil We read of our forefathers and the Romans and often remark at the similarities of past and present We read of the woes of the seed of mankind and the layers and the seedy and the women and the wicked and the persecuted and the curser and above all of the devil We read of

the wicked in our souls and the sheath of the women and the sleaze in the streets and the slayers and priests and find parallels of the seedy of the arcane with the rogue and many of the gunnery laws today s priests and yes even brokerage firms Has nothing changed in all these centuries The Hidden History of South Africa's Book and Reading Cultures Archie L.
