Self-Defense for Everyday Life Mete Sünsüli,2019-01-01 Although you aim to live your life with intentions of abstaining from violence and avoiding fights what matters rather than your intention is whether violence or trouble finds you or your

loved ones Though people hear news about violence abuse and rape incidents in newspapers and various forms of media they fail to develop defensive awareness falling for the fallacious belief that would not happen to me or my child The dangers of this mentality are apparent in light of recent statistics revealing that violence is not only inflicted by strangers Rather two thirds of sexual assaults are committed by known and familiar relations in broad daylight Reading this book will help you learn simple methods of defending yourself foreseeing and even avoiding exposure to any possible threats without the necessity of becoming a martial artist It will also instruct you on basic actions required both before and after a probable attack
