Alien Earth James R. Meadors Jr., 2009-05-28 John and Melissa Winters think that learning their baby's sex will be the happiest day of their lives They are wrong Instead they spend it running from an alien race hell bent on claiming Earth for itself With thousands of satellite like weapons strategically positioned around the planet the aliens obliterate the world's communication systems militaries and transportation systems within minutes There the satellites remain monitoring Earth for any signs of human technology that could be used against them Earth is plundered for its resources and man is hunted by a species far more advanced technologically with speed and reflexes five times faster than any human and deadly tentacles that extend from their forearms at will Lacking the means to fight back man has but one option run John and Melissa journey to their mountain home where they live out each day hoping to see the next Their plans are tested when an injured alien finds its way into their home and beats Melissa's pregnant body within inches of death The human population is dwindling and in time will become extinct but there are some who refuse to let that happen Some fight back against an opponent most feel they cannot beat in a

battle they cannot win But these freedom fighters have one thing the others do not they have Hope **Scorched Earth**

Tara Thompson cannot be injured Since the night her parents died in a tragic accident she hasn't felt pain of any kind not so much as a papercut And she has no idea why Though her body healed quickly her heart and soul took its time Luckily a loving foster mom and an unwanted best friend stepped in to speed up the process Despite Tara's best efforts her new BFF Shelly Smith just wouldn't go away By their senior year the girls were thick as thieves and would probably become thieves if Shelly had anything to say about their future Thankfully fate intervenes in the form of a high school recruiter Elias Creed who works for a mysterious geological testing company Cue the dreamy music and soft lighting as he walks in slow motion toward her Then Elias opens his mouth and Tara laments the fact that the first guy she's ever been seriously attracted to is a complete and utter butthead Still she can't seem to shake him and she and Shelly are both intrigued by the company he works for Little do they know it's not a company at all It's an academy for those gifted with elemental powers and she's already been enrolled And Elias isn't Tara's only suitor The hottest guy in school Tucker Adams has been asking Tara out for the past three years and each time she's shot him down Now he's finally broken down her walls But when Elias and Tucker both warn Tara the other is dangerous she doesn't know who to believe When the truth is finally revealed Tara finds out both men know more about her past than she does including what caused the accident that took her parents' lives *From Earth and Bone* Jessie Kwak,2019-10-01

Taking a secret to the grave doesn't mean what it used to When a resurrection goes awry in a cold Seattle cemetery mother of three Patricia Ramos Waites finds herself possessed by the ghost of her sister's dead lover God forbid her only problem be sharing her body with Dead Marco Yesterday Patricia was worried about her teenage son's new deadbeat friends and putting her kids through college today she's become the target of a Central American drug smuggling gang who desperately want to get their hands on the ghost she's hosting On top of all this Patricia is beginning to suspect that either Marco is an exceptionally powerful spirit or she has ghost handling abilities that haven't been seen in centuries Will Patricia be able to stay out of the crosshairs long enough to fix this botched resurrection Upon The Dull Earth Philip K. Dick,2016-01-18

Enter the fascinating and uncanny world of Philip K Dick with Upon the Dull Earth a gripping and mind bending science fiction and fantasy short story drawing inspiration from Shakespeare's *The Two Gentlemen of Verona* Venture into the unknown as you follow Silvia who possesses an extraordinary ability to summon mysterious and powerful angel like creatures Desperate to confirm their true nature and their relation to her destiny Silvia's journey challenges our notions of reality and our understanding of ancestral ties As Silvia's strange talents disturb her family and her boyfriend Rick events quickly spiral out of control leading to heart wrenching consequences Driven by loss and longing Rick's obsessive quest to bring Silvia back from a higher realm scatters chaos confusion and transformation in his wake Can they navigate the shifting landscape of this higher reality or will their desires ultimately bring about the world's annihilation From the

visionary mind behind blockbuster films such as Blade Runner Total Recall and Minority Report Upon the Dull Earth showcases Dick s favorite themes while unraveling a unique and terrifying twist that will leave you questioning the very essence of reality Don t miss this haunting classic that will linger with you long after the final page

The Dialogue of Earth and Sky Timothy J. Knab, 2022-07-12 In Mexico s Sierra Norte de Puebla beliefs that were held before the coming of Europeans continue to guide the lives of modern Aztecs For residents of San Mart n Zinacapan life in and on the earth is animated by the same forces through which people seek to maintain a cohesive view of the relationship of mankind the cosmos and the natural world This delicate balance of the human spirit maintains the health and well being of villagers and is an essential part of the social and ideological framework that makes a person s life whole This book describes the basic elements of a belief system that has survived the onslaught of Catholicism colonialism and the modern world Timothy Knab has spent thirty years working in this area of Mexico learning of the Most Holy Earth and following what its people there call the good path He was initiated as a dreamer learned the prayers and techniques for curing maladies of the human soul and from his long association with the Sanmartinos has constructed a thorough account of their beliefs and practices Learning to recount dreams forming a dreamtale and carrying it on one s back to the waking world is the first part of the practitioner s labor in curing But dreamtales are shown to be more than parables in this world for they embody the ethos and cosmovision that link Sanmartinos with their traditions and the Most Holy Earth Building on this background Knab describes how the open ended interpretation of dreams is the practitioner s primary instrument for restoring a client s soul to its proper equilibrium thus providing a practical approach to finding and resolving everyday problems Many anthropologists hold that such beliefs have long since disappeared into the nebulous past but in San Mart n they remain alive and well The underworld of the ancestors talocan or Tlalocan for the Aztecs is still a vital part of everyday life for the people of the Sierra Norte de Puebla The Dialogue of Earth and Sky is an important record of a culture that has maintained a precolumbian cosmovision for nearly 500 years revealing that this system is as resonant today with the ethos of Mesoamerican peoples as it was for their ancestors

Salt of the Earth Joseph Ratzinger, 2013-07-18 Cardinal Joseph Ratzinger well known Vatican prelate and head of the Congregation on the Doctrine of the Faith gives a full length interview to secular journalist Peter Seewald on a host of controversial and difficult issues facing Catholicism and Christianity at the end of the millennium Similar to his best selling book interview in 1985 The Ratzinger Report he responds with candor and insight giving answers that are often surprising and always thought provoking on a series of wide ranging topics regarding the present and future state of Christianity Ratzinger begins by discussing his own life including his family life being a theology professor and writer becoming a Bishop Cardinal and the Pope s top authority on doctrine He then discusses the problems of the Catholic Church today and talks about the challenges and hopes of the future of Church and the world at the beginning of the Third Millennium
