East, 2022-04-25 Wind Walker has dreamed for seasons of a better place for his starving tribe Once proud Bison Hunters they must find another way to live in order to survive Driven north by drought they search for a place they can claim as their own A place where the woodland tribes will not try to enslave or kill them They reach the shores of Lake Superior where tales of monsters and evil spirits keep their enemies from settling the apparently barren and cold land They are the First Americans to claim this new land The Dream Weavers portrays the life and death struggle of these First Americans while weaving in an abundance of adventure and romance The novel takes you on a journey of discovery where Wind Walker's people learn not only to survive but thrive By canoe they travel along the edge of Lake Superior where they are the first to discover copper in the Great Lakes Region They experience the very edge of the continental glaciers north of Isle Royal where they see the last of the Woolly Mammoths grazing on the tundra The story is set at the beginning of the Archaic period more than 8000 years ago before copper was first discovered in the Great Lakes region The dependence on large animals is all but gone and the use of plants is becoming more important In this new land they discover an abundance of food friendly spirits to guide and protect them and most of all copper the wonderful metal that led to the later development of the Wisconsin Copper Culture The People struggle to understand the secrets held stubbornly in the raw metal Only Wind Walker seems able to make the valuable copper tools that give them an advantage over their enemies an advantage which they must work hard to keep secret **The Snow-walker's Son** Catherine Fisher, 1994-03-01 Cousins Jessa and Thorkil must endure a journey through ice and snow and come face to face with the snow walker who creates terror in the hearts of all Suggested level intermediate junior secondary Yeti, Sasquatch & Hairy Giants David Hatcher

Next-Generation Memory and Ukrainian Canadian Children's Historical Fiction Mateusz Świetlicki,2023-03-24 This is the first book monograph devoted to Anglophone Ukrainian Canadian children s historical fiction published between 1991 and 2021 It consists of five chapters offering cross sectional and interdisciplinary readings of 41 books novels novellas picturebooks short stories and a graphic novel The first three chapters focus on texts about the complex process of becoming Ukrainian Canadian showcasing the experiences of the first two waves of Ukrainian immigration to Canada including encounters with Indigenous Peoples and the First World War Internment The last two chapters are devoted to the significance of the cultural memory of the Holodomor the Great Famine of 1932 1933 and the Second World War for Ukrainian Canadians All the chapters demonstrate the entanglements of Ukrainian and Canadian history and point to the role

Anglophone children's literature can play in preventing the symbolical seeds of memory from withering This volume argues that reading imagining and reimagining history can lead to the formation of beyond textual next generation memory Such memory created through reading is multidimensional as it involves the interpretation of both the present and the past by an individual whose reality has been directly or indirectly shaped by the past over which they have no influence Next generation memory is of anticipatory character which means that authors of historical fiction anticipate the readers both present day and future not to have direct links to any witnesses of the events they discuss and to have little knowledge of the transcultural character of the Ukrainian Canadian diaspora

River Becomes Shadow Anne M. Smith-Nochasak,2025-09-03 It is said that one day wherever River walks the earth will turn green again In the dying wasteland that is rural Nova Scotia and New Brunswick in the year 2036 this seems impossible But where others see impossibilities twelve year old River cultivates hope She sees what a new world can be even when the oppressive regime known as the Elect enslaves more and more people every day Even if it means sacrificing herself along the way In this second installment of the Taggak Journey trilogy River has left Gran Flo and her swamp far behind She's joined by her cousin Tag their guide to shadow running a means to travel in secrecy requiring complete focus But without proper food and sleep how will they maintain the necessary concentration And then there's Dr Andrea Parker the keeper of stories and resentment Left to fester her resentment might just ruin everything As these unlikely heroes struggle forward will they stay loyal to each other and to themselves taking Flo's voice and vision as their compass Will River walk her path and fulfill Flo's prophecy *River Becomes Shadow* is a story of devotion and resilience in the face of heartbreak and brutality It encourages readers to look into the not so distant future at the very real possibility of an apocalyptic world and believe that we are enough to change it no matter how broken we may be
