**Prisons and Prayer, or a Labor of Love** Elizabeth Ryder Wheaton, **Luther as a Spiritual Adviser** Dennis Ngien,2007-06-01 Most Luther scholars have focused largely on the polemical side of the Reformer with occasional allusion to his Devotional Writings in volumes 42 and 43 of the American editions The aim of this book is to unfold the pastoral not the polemical side of the reformer drawing on the spiritual insights he offers to people of high and low estate These writings are devotional and catechetical in shape and intent yet not devoid of rich theological substance the fruit of his rigorous

reflections They are the exercises of Luther's basic calling as a theologian pastor and are the concrete illustrations of the interface of theology and piety the former being the abiding presupposition and logical cause of the latter Through them readers are informed not only of the Reformation theology of justification but also introduced to a distinct expression of the Christian faith in which Christ and his cross occupy the centre stage What is noticeable is the one single overarching theme God's ways with people that the Reformer as a spiritual adviser sought to relate to the events of his days such as evils severe afflictions the prevalent lay abuse of the Eucharist He counseled how to meditate aright on Christ's passion prepare to face the terror of death advise the sick rightly approach the sacrament of the altar why and how to pray aright what benefits could be gained from the Lord's Prayer and how to live out a life of discipleship under the cross Ngien's work reveals Luther as a true theologian i e theologian of the cross at work in the pastoral context *The Epworth Herald* ,1892 **Miscellany Sermons, Preached by Sundry Divines** ,1744 *Armchair Mystic* Mark E. Thibodeaux,2019-09-04 This user friendly book blends theory and practice gently and concretely taking the reader through the first steps of contemplative prayer *Armchair Mystic* begins with the necessary details of time and place to pray then presents the maturation of the prayer life in four stages Talking at God Talking to God Listening to God and Being with God Step by step exercises throughout the book provide concrete examples of how to use the concepts discussed *Armchair Mystic* will prove invaluable to individuals and small groups who are new to contemplative prayer or who wish to deepen their experience of it This updated edition includes a new preface and afterword from the author **Science of Prayer** Richard S.
