30 Years Among the Dead Dead Carl Wickland, 2023-12-21 In **30 Years Among the Dead** Dead Carl Wickland presents a compelling exploration of psychical research and the realm of spirits drawn from his extensive experience as a psychiatrist The book intricately weaves anecdotal evidence with rigorous observations drawing upon Wickland s encounters with deceased entities through mediums and his own innovative therapeutic practices Literary in its approach Wickland s style is both accessible and scholarly situating his findings within the broader context of early 20th century spiritualism and mental health discourse which often intersected with supernatural beliefs during that era Wickland a pioneering figure in the field of spirit release therapy was influenced by his encounters with patients suffering from what he termed spirit possession His
