So You Want To Be A Landlord:

So You Want to Be a Landlord Michael J. Margolis, 2014-02 It s no secret that the majority of wealth is tied to real estate After experiencing success my wife and I have become somewhat evangelical about real estate Furthermore this is a great way to build self esteem equity and retirement for yourself and your family If you re interested in a get rich quick scheme put this book back on the shelf and pick up one of the many other books on the topic I do not have seminars and progressive steps to my approach at least not yet What I have done and my philosophy is to provide a somewhat simple and realistic approach to property investing Hopefully you will see the benefit of property investing and try this on your own Perhaps the greatest barrier to investing in property is overcoming fear I am reminded of the Nike slogan from the eighties Just do it Whenever anyone incredulously asks me how I got into real estate the simple answer is that I simply did **So You Want to Be a Landlord** H. Clark Adams, QC, 2016-03-21 A warning to those who are considering becoming landlords investing in rental property is far from a bed of roses This useful handbook has over thirty cases documented over years of experience which illustrate some of the difficulties that landlords face in their relationships with their tenants So You Want to be a Landlord explores the trials and tribulations of a landlord just trying to do his job While his accounts are not designed to condemn all housing tenants this book he hopes will serve as a great resource to all prospective landlords exposing as it does many of the pitfalls that they may encounter Case history confirms tenants rights and the imbalance that favours tenants over landlords With over forty years experience as a commercial landlord and fifteen years as judge in a small claims court Judge Adams relays a number of stories that were told under oath and which will act as an invaluable source of information to any would be landlord *So You Want to Be A . . . property and deal with tenants My 25 years as a landlord has given me the stories and the experience to write a how to book that reads like a novel Why make your own costly landlording mistakes when you can learn from mine This easy to read book takes a fun yet practical run through all the necessities of landlording The stories give a humorous look at what can happen One tenant thinks it s OK to cut a cat door in the front door of her no pets apartment Mr Tree Hater poisons a heritage elm so he won t have to rake leaves The Getting it Right section of each chapter tells what needs to be done to manage each area of your rentals from pets to evictions followed by a Checklist of the steps to success All the Rental Forms you will need are included ready to duplicate and use So You Want to be a Landlord Good for you With this easy to read landlording guide you and your tenants will both be winners
