Another Man's Ground Claire Booth, 2017-07-11 This contemporary take on a locked room puzzle is chilling compelling and completely entertaining and Claire Booth is a wonderful new voice in crime fiction Hank Phillippi Ryan on The Branson

Beauty It starts out as an interesting little theft case Branson Missouri's new Sheriff Hank Worth is called out to look at stands of trees that have been stripped of their bark which the property owner had planned to harvest for the booming herbal supplement market At first Hank easily balances the demands of the investigation with his fledgling political career He was appointed several months earlier to the vacant sheriff position but he needs to win the fast approaching election in order to keep his job He thinks the campaign will go well as long as he's able to keep secret the fact that a group of undocumented immigrants hired to cut down the stripped trees have fled into the forest and he's deliberately not looking for them But then the discovery of a murder victim deep in the Ozark backwoods sets him in the middle of a generations old feud that explodes into danger not only for him but also for the immigrants his deputies and his family He must rush to find a murderer before election day and protect the vulnerable in Branson County where politicking is hell and trespassing can get you killed In *Another Man's Ground* her next novel featuring Sheriff Hank Worth acclaimed author Claire Booth delivers a taut witty mystery that will grip readers from the opening pages to the breathless conclusion

Ford Mustang: How to Build and Modify 1964 1/2-1973 Frank Bohanan, 2014-02-01 The first generation Mustang is an enduring classic but it was built using 50 year old technology These cars use antiquated equipment that includes drum brakes breaker points ignition systems and 14 inch steel wheels The OEM running gear is obsolete by today's standards but all of these Mustangs can turn into high performance street machines that can compete with late model Mustangs While certain special build and high performance models should be preserved many common V 8 Mustangs can be transformed into high performance cars that rival the new cars of today The Mustang can be upgraded and modified into a true driving machine by installing aftermarket suspension steering and driveline technology Mustang expert and former Ford engineer Frank Bohanan explains how to perform simple and important bolt on upgrades that radically increase performance He explains the rationale and process of installing a crate engine big high performance brake kits coil over shocks tubular A arms multi link rear suspension and many other projects that increase performance by leaps and bounds From mild to wild you are shown how to upgrade each component group in the car by stages according to budget and difficulty These components include engine transmission rear differential front suspension rear suspension steering chassis electrics interior tires wheels and more By completing these procedures and product installs you can complete an improved street car a high performance street car or a street track day car No other book provides the same level of information and instruction for transforming the first generation Mustang into a car that performs with the best on the road today
