DANIEL J. Theron M.A., Th.Ph.D., 2014 To appreciate this book readers must grasp the symbolism of its title and the front
page depicting the author's life story sometimes in rough seas At three four years old he was already strongly aware that he
had been called into the Christian ministry an inspiration for a long fruitful life He grew up helping in their South African
farm life He commuted to grammar school on horseback accumulating enough miles to ride three times from New York to
California It was a financial struggle to become ordained as a clergyman His story is interestingly interspersed with several
short unbelievable biographies of classmates and what life was like Read the *The Sturdy Warrior* Chapter V and others like
Albert Schweitzer of the Bushveld and *We Shall Triumph* in the book mentioned below With several well earned degrees he
migrated to the USA to study at Princeton Theological Seminary where he became a professor But then the delicate call that
had driven him since childhood was smashed seemingly beyond repair However for him those called into God's Kingdom can
in its wideness find symbolic pulpits and lecterns in many places Of all he found such in Wall Street and applied himself with
