Christotainment Shirley R. Steinberg, Joe L. Kincheloe, 2018-04-17 For more than two thousand years Christian expansion and proselytizing was couched in terms of defending the faith Until recently in the United States much of that defense came in the form of reactions against the liberal influences channeled through big corporate media such as popular music Hollywood movies and network and cable television But the election of Ronald Reagan as a Hollywood President introduced Christian America to the tools of advertising and multimedia appeals to children and youth to win new believers to God's armies Christotainment examines how Christian fundamentalism has realigned its armies to combat threats against it by employing the forces it once considered its chief enemies the entertainment media including movies television music cartoons theme parks video games and books Invited contributors discuss the critical theoretical frameworks of top selling devices within Christian pop culture and the appeal to masses of American souls through the blessed marriage of corporatism and the quest for pleasure

Books Out Loud, 2004 Audio Culture, Revised Edition Christoph Cox, Daniel Warner, 2017-07-27 The groundbreaking Audio Culture Readings in Modern Music Continuum September 2004 paperback original maps the aural and discursive terrain of vanguard music today Rather than offering a history of contemporary music Audio Culture traces the genealogy of current musical practices and theoretical concerns drawing lines of connection between recent musical production and earlier moments of sonic experimentation It aims to foreground the various rewirings of musical composition and performance that have taken place in the past few decades and to provide a critical and theoretical language for this new audio culture This new and expanded edition of the Audio Culture contains twenty five additional essays including four newly commissioned pieces Taken as a whole the book explores the interconnections among such forms as minimalism indeterminacy musique concrète free improvisation experimental music avant rock dub reggae ambient music hip hop and techno via writings by philosophers cultural theorists and composers Instead of focusing on some crossover between high art and popular culture Audio Culture takes all these musics as experimental practices on par with and linked to one another While cultural studies has tended to look at music primarily popular music from a sociological perspective the concern here is philosophical musical and historical Audio Culture includes writing by some of the most important musical thinkers of the past half century among them John Cage Brian Eno Ornette Coleman Pauline Oliveros Maryanne Amacher Glenn Gould Umberto Eco Jacques Attali Simon Reynolds Eliane Radigue David Toop John Zorn Karlheinz Stockhausen and many others Each essay has its own short introduction

helping the reader to place the essay within musical historical and conceptual contexts and the volume concludes with a glossary a timeline and an extensive discography *Audio App Daily Devotion* Mearl La Gene Martin III,2015-10-09 Audio App Daily Devotional is the complete Bible We have removed the verse numbers from the text itself which gives an almost poetic feel to the Scriptures as you read while maintaining the chapter and verse references ahead of each day s portion of Scripture This enables you to reference and study the Scriptures in a more in depth manner Inside you will find an average of twenty three New Testament verses seven Psalms verses three Proverbs verses and fifty five Old Testament verses per day While I never recommend rushing through your time with our Lord I felt it important to make each day s readings and portions as equal as possible allowing you to set times throughout the day for reading in order to regroup or refocus on your task at hand Look for and expect to hear from our Lord Look for God to move in your life more and more as you draw closer to Him daily

Excerpt Hyaw Raw Yaw Bernie McKay jumped and looked around in the dim room Someone was coming at him from the kitchen He had stumbled away from the stair so he ran and ducked behind the couches around the coffee table heart beating quickly It came into the light from the window No You re dead Uncle Albert s face gleamed waxily pulled back and fixed into a scowl teeth gleaming His eyes were swelling popping out despite the embalming He cawed and croaked no longer able to speak intelligibly but hatred still animated him enough to send him shambling around the coffee table and its couches His best suit was incongruously festive the diamond winking from his tie shirt sleeves open where he d lost his studs black shoes scuffed Harr Yaw Back get back Bernie danced sideways spun a chair into the thing s way It patiently fumbled the fallen chair aside never taking its gaze off him Raw Raw Rawrr It came on not fast not slow more than ever like some wind up machine clumsy powerful unsophisticated Bernie was frightened but despite that he had a sudden flood of unreality It was too absurd a picture himself confronting this tenacious dead thing from which all rationality had departed What would the neighbors think A flash of anger shook him You stupid asshole he barked You can t come in here like this Ignoring him it got close enough to lunge Sweating Bernie danced around again brief anger gone and choky fear back It wouldn t ever stop coming He gripped the smaller of the couches When it turned and started for him again he aimed the couch like a pool cue and thrust with panicky strength It was too slow to dodge and was bowled over backward Shrieking You old bastard Bernie was running for it even as it fell He grabbed a chair and made a full overhand sweep with it staggering as its legs bounced off the ceiling It came down with diminished force on Uncle Albert s unprotected head Wood or bone crunched and Bernie raised the chair again panting glaring This time he swept it around in a lower arc but the corpse let itself fall backward to raise its arms The chair crashed into them and did little harm Before he could pull it back Uncle Albert cawing had seized it For a moment there was a nightmarish tug of war over the chair then Bernie released it falling back to the fireplace The corpse struggled slowly to its feet Bernie wasted time fumbling for the poker because he couldn t bear to look away from it When he finally had it the corpse was upright and swinging the chair back over its head stumbling toward him Quickly Bernie ran at it taking advantage of its slow clumsiness to shove it But that brought him face to face with it and into its evil putrid chemical odor He almost panicked eyeball to eyeball with Death Hysterically he shoved it away screaming Die Die Die and swinging the poker again and again smashing the face the head the chair it finally brought forward following it up as it staggered backward as it fell striking and striking and striking screaming and screaming Dirty rotting scoundrel *Blood Red Dust*
