CareerBliss compiled this list using reviews submitted by professionals between October 2013 and October 2014. Workers were asked to rate their jobs on 10 factors that affect work happiness on a five-point scale: one's relationship with one's boss and coworkers; workplace environment; job resources; compensation; growth opportunities; company culture; company reputation; daily tasks; and job control over the work performed on a daily basis. CareerBliss combined those numbers to find an average rating of overall happiness for each respondent and sorted the results by education requirements to determine the happiest jobs that don't require a college degree. Each job title had at least 10 reviews.
