translated from my heart through my head and now into this book It offers inspiration as well as spiritual emotional and personal empowerment It speaks of daily occurrences in my life real life situations with others humor and scriptures This book imparts a message that Life is full of ups and downs trail and tribulations and challenges and struggles which are called the storms of life These storms presents opportunities new levels of growth new possibilities wisdom inner strength as well as an invitation for lips and heart to sing arms to be spread as wings for soaring and feet to dance a graceful dance throughout the storm with the part of life that is stronger than the problem being faced Every storm has a season and can be a result of Gods divine will as well as his permissive will The storms in our lives provides the environment in which God reveals himself and where He wants us to learn to trust Him by taking Him at His Word God does not always send the storm however he will allows us to go through them for growth He wants us to dance in the rain and soar above our storms as eagles The Bible declares in Isaiah 40 31 But they that wait upon the Lord shall renew their strength they shall mount up with wings as eagles they shall run and not be weary and they shall walk and not faint KJV The eagle has long been a symbol of strength power and majesty they face storms fearlessly They are of the few birds that do not fear or attempt to escape the storm They simply use the storm to lift them higher they adjust their wings feathers for maximum altitude and they are able to fly high above the storm The eagles eyes are protected by a clear membrane that protects their vision which allows them to see clearly as they fly at high speed and when they are in a storm That is exactly what God wants our experiences in the storm to be God wants us to learn to face storms with vision instead of emotion He wants us to keep a clear vision and maintain the right perspective in our storms by letting our problems and challenges cause us to rise higher and higher God wants us to envision victory over our storms Eagles are constantly cleaning their feathers pulling out any that are ruffled or damage

one kind or another in life It may raise its head swiftly and unexpectedly Or we may see and feel it coming slowly but surely like a slight crack in the wall of a building going up or down You might arrive late for some event and miss something special This is a minor pressure and it usually does not last long its an everyday occurrence that does not really matter very much There are many such pressures On the other hand the pressure of realising that the dream you had has failed to come true may overcome you You may feel depressed because of the loss of your spouse the chaos in the workplace the loss of friends or the insincerity of those you considered friends a lack of understanding on the part of your family heartache that never seems to end or feeling that God does not hear your prayer There are more types of pressure than there is grass growing on the plains of the Highveld Do not give up when you still have something to give I know that through Christ I am strong enough to make all my dreams come true I know love therefore I give love I recognise that my love has great value and must be reciprocated If my unconditional love is taken for granted it doesnt disappear I am quite capable of articulating my needs I know that with God the world is my playground but without God I will just be played with I understand that my life experiences are merely lessons meant to bring me closer to self knowledge and unconditional self love I know that I will at times have to inspire others to reach the potential God gave them I know my past understand my present and face my future I am not afraid of tomorrow for I have seen yesterday and I love today Jim Rohn says that happiness is not something you postpone for the future it is something you design for the present **Country Life** ,1904 **The Majesty of an Eagle** M.
