

Social And Personal Ethics

Michael J. DeValve, Michael C. Braswell

Social And Personal Ethics:

Social and Personal Ethics William H. Shaw, 2014 SOCIAL AND PERSONAL ETHICS provides students with a sound introduction to ethical theory and contemporary moral issues through engaging readings on today's most hotly debated topics. Among other topics, coverage includes environmental ethics and animal rights, the limits of personal liberty, war and the struggle against terrorism, marriage and sexual morality, the death penalty, gun control and abortion, and euthanasia. The volume begins with two introductory essays written for beginning students by the editor William H. Shaw on the nature of morality and competing normative theories. These are followed by five other essays on ethical theory by classical and contemporary authors. The book's next 12 sections explore a wide range of real-world ethical issues. In all, the book is composed of 53 articles, 11 of which are new to this edition. To ensure that the text is as accessible as it is relevant, Shaw has edited every article with an eye toward readability, provided introductions and study questions before the essays as well as review and discussion questions after them, and highlighted key passages to help students focus on important points and concepts.

Social and Personal Ethics, 6th Ed William H. Shaw, 2008 **Personal Ethics and Ordinary Heroes** Michael J. DeValve, Michael C. Braswell, 2020-11-29 *Personal Ethics and Ordinary Heroes: The Social Context of Morality* examines what it means to be an authentic hero and provides real-life narratives that underscore the ethical principles guiding decision making in the justice system and beyond. This engaging work revolves around a collection of excerpts from students studying ethics and social justice. The essays were responses to an invitation to write about and discuss a hero in their lives who motivated them to be more just, compassionate, and morally responsible persons. These essays, collected over several years, portray shared meanings of heroism rooted in themes like sacrifice, perseverance, and wisdom. The authors set student narratives in dialogues related to ethics and leadership that are both entertaining and useful for contemporary students and practitioners. This book illustrates the lessons of ethics in criminal and social justice practice and makes them tangible to students. Fostering the benefits of experiential learning, it brings real meaning to students of criminal justice as well as professionals in the criminal justice field and other areas of human and social service practice. It is an essential accompaniment to primary texts used in ethics courses and training seminars. This book is intended for use in undergraduate classes in applied human sciences and services like criminal justice, criminology, social work, and political science. It is particularly well suited for classes in the areas of ethics, organizations, and administration and leadership. It is also worthwhile reading for the active justice practitioner.

Social Ethics and the Christian Enda McDonagh, 1979 **Ethics and Social Survival** Milton Fisk, 2016-05-20 When speaking of society's role in ethics, one tends to think of society as regimenting people through its customs. *Ethics and Social Survival* rejects theories that treat ethics as having justification within itself and contends that ethics can have a grip on humans only if it serves their deep-seated need to live together. It takes a social survival view of ethical life and its norms by arguing that ethics looks to society not for regimentation by customs but rather

for the viability of society Fisk traces this theme through the work of various philosophers and builds a consideration of social divisions to show how rationalists fail to realize their aim of justifying ethical norms across divisions The book also explores the relation of power and authority to ethics without simply dismissing them as impediments and explains how personal values such as honesty modesty and self esteem still retain ethical importance Finally it shows that basing ethics on avoiding social collapse helps support familiar norms of liberty justice and democracy and strives to connect global and local ethics

Ethics and Values in Social Work Allan Edward Barsky, 2019-02-26 Students entering the field of social work need to develop a real world understanding of how to apply values such as respect social justice human relationships service competence and integrity in practice while managing the dilemmas that arise when social workers clients and others encounter conflicting values and ethical obligations This second edition of *Ethics and Values in Social Work* offers a comprehensive set of teaching and learning materials to help students develop the knowledge self awareness and critical thinking skills required to handle values and ethical issues in all levels of practice individual family group organization community and social policy

Bible and Ethics in the Christian Life Bruce C. Birch, 1989-01-01 Among the topics treated are Christian ethics as community ethics Charting the moral life Elements of character formation Character and social structure Decision making The nature and role of biblical authority Uses of Scripture in Christian ethics

Ethics and Integrity in Public Administration: Concepts and Cases Raymond W Cox, 2015-03-26 *Ethics and Integrity in Public Administration* presents cutting edge perspectives on the role of ethics in public sector management what it is and where it is going The contributors include a cross section of authoritative authors from around the globe and from both the academy and government They cover a wide range of topics diverse theoretical and conceptual paradigms and global examples and provide a broader view than what is typically offered in other books The book includes both theoretical insights and commentaries grounded in practice Chapters are divided into three parts Ethical Foundations and Perspectives Ethical Management and Ethical Leadership and International and Comparative Perspectives

Ethical Quandaries in Business Practices: Exploring Morality and Social Responsibility Roache, Darcia Ann Marie, 2024-08-29 In today's fast paced business environment organizations face increasingly complex ethical challenges From navigating cultural differences in global operations to balancing profit motives with social responsibility businesses must make moral decisions that impact their stakeholders and the broader society However many need more frameworks and insights to address these challenges effectively leading to ethical dilemmas that can harm their reputation and bottom line *Ethical Quandaries in Business Practices Exploring Morality and Social Responsibility* is a practical guide for organizations and individuals grappling with ethical decision making Delving into real world case studies and offering theoretical perspectives equips readers with the tools to analyze ethical challenges in various business contexts From understanding the ethical implications of marketing strategies to promoting ethical leadership and corporate governance this book offers actionable insights to help businesses

navigate complex ethical landscapes It also addresses the growing demand from consumers investors and regulators for enterprises to prioritize social responsibility providing strategies for integrating ethical practices into organizational culture

Fundamental Ethics Patricia McAuliffe, 1993 In this stimulating rethinking of the basic foundations of ethics Patricia McAuliffe derives a fundamental ethic from liberation theology She asserts that the experience of resisting suffering especially oppressive social suffering must be brought from the fringe to the very center of ethics Arguing for the conceptual priority of ethics over religion McAuliffe defines an innovative ethic based on experience and practice Ethics precedes religion and theology because experience and practice precede theory and interpretation which are the human activities of religion and theology knowledge is based on experience She proposes that ethics can be independent of religion but that while her liberationist ethic can be either Christian or universal finally the poor and oppressed are the paradigm source of the disclosure of God and of final salvation In rethinking the basic foundations of ethics she compares a liberationist ethic including Latin American and women s liberation theology with various classical ethics and examines and critiques the works of Edward Schillebeeckx Juan Luis Segundo Dorothee Soelle James Gustafson and George Lindbeck McAuliffe offers a flexible ethic that balances the absolute and the relative the particular and the universal personal and social creativity and conditioning practice and theory and the ethical and religious Combining superior scholarship with an original and creative approach to ethics this book is likely to create debate in the fields of fundamental ethics theology and philosophy New Testament Social Ethics for Today Richard N. Longenecker, 1984 This is a print on demand book and is therefore non returnable To answer the question of what role the New Testament should play in the formation and expression of Christian social morality today Richard Longenecker here proposes a developmental hermeneutic which distinguishes between declared principles and described practices in the New Testament writings With this distinction in mind he focuses on the three couplets of Galatians 3 28 neither Jew nor Greek slave nor free male nor female showing how these matters were treated in early Christian thought and explaining their meaning for us today In so doing Longenecker lays a hermeneutical foundation for the much larger discussion of Christian social ethics **A Textbook of Christian Ethics, 3rd Edition** Robin Gill, 2006-09-14 Robin Gill s Textbook of Christian Ethics has been a popular course book with students and lecturers for over 20 years Now in its third edition this classic textbook has been completely revised to bring it up to date with recent developments in the field of Christian Ethics All the popular features of the previous editions have been retained in this new edition The book s main strength has always been its layout and structure Integrating primary texts with explanatory material from the author the book provides the student with a reader and textbook combined The new edition focuses more strongly on current debates in all sections and expands on a variety of topics with contributions on natural law approaches virtue ethics in a pluralistic postmodern world the influential notion of the common good just war theory genetics and biotechnology euthanasia and global justice and sex and gender issues Important modern contributions to Christian ethics

are set out alongside classical texts from Augustine Aquinas and Luther The modern writers range from thinkers such as Niebuhr Barth and Bonhoeffer to recent liberation and Third World theologians Each series of texts is systematically analysed The differing ethical positions and arguments are examined together with the social and historical factors which shaped them

A Textbook of Christian Ethics Robin Gill,2014-01-16 Robin Gill's A Textbook of Christian Ethics continues to be popular with students and lecturers it is difficult to find another textbook in the field that combines primary texts with extensive analysis and commentary This 4th edition has been extensively revised and it incorporates up to date developments in the field of Christian ethics Gill retains all the popular features of the previous editions including its layout and structure and in this new edition he also focuses on current debates including such topics as global Christianity global economics euthanasia and global justice and the environment

The Morality Compass Pasquale De Marco,2025-07-25 In today's rapidly evolving world navigating moral dilemmas has become increasingly challenging This comprehensive book provides a framework for understanding the complexities of moral decision making and the ethical issues we face in the modern era Drawing on a range of perspectives from philosophy psychology religion and social sciences this book offers a well rounded examination of the nature of morality the sources of moral values and the practical application of ethical principles in our daily lives Divided into 10 chapters each focusing on a specific aspect of morality this book explores the foundations of morality the role of authority and the influence of social and cultural norms on our moral beliefs and behaviors It delves into specific moral issues such as the ethics of healthcare technology the environment peace and conflict resolution and the economy The book also examines the relationship between personal ethics and social justice highlighting the importance of empathy compassion and the pursuit of a more just and equitable society Finally it reflects on the meaning of life and moral purpose exploring existential questions and seeking to understand our place in the universe and the significance of our moral choices Throughout this book we emphasize the importance of critical thinking open mindedness and respectful dialogue about moral issues We encourage readers to challenge their assumptions consider diverse perspectives and strive to make informed and ethical decisions based on a deep understanding of the moral principles involved Whether you're a student a professional or simply someone seeking to live a more ethical life this book provides a valuable resource for understanding morality and developing a stronger moral compass It will guide you in making wise and ethical choices navigating complex moral dilemmas and contributing to a more just and harmonious world If you like this book write a review

Why Be Moral? Yong Huang,2014-10-07 Yong Huang presents a new way of doing comparative philosophy as he demonstrates the resources for contemporary ethics offered by the Cheng brothers Cheng Hao 1032 1085 and Cheng Yi 1033 1107 canonical neo Confucian philosophers Huang departs from the standard method of Chinese Western comparison which tends to interest those already interested in Chinese philosophy While Western oriented scholars may be excited to learn about Chinese philosophers who have said things similar to what they or their favored philosophers have to say they hardly find anything

philosophically new from such comparative work Instead of comparing and contrasting philosophers each chapter of this book discusses a significant topic in Western moral philosophy examines the representative views on this topic in the Western tradition identifies their respective difficulties and discusses how the Cheng brothers have better things to say on the subject Topics discussed include why one should be moral how weakness of will is not possible whether virtue ethics is self centered in what sense the political is also personal how a moral theory can be of an antitheoretical nature and whether moral metaphysics is still possible in this postmodern and postmetaphysical age Contemporary Ethical Issues in Engineering Sundar Sethy, Satya,2015-02-28 For most professions a code of ethics exists to promote positive behavior among practitioners in order to enrich others within the field as well as the communities they serve Similar to the medical law and business fields the engineering discipline also instills a code of ethical conduct Contemporary Ethical Issues in Engineering highlights a modern approach to the topic of engineering ethics and the current moral dilemmas facing practitioners in the field Focusing on key issues theoretical foundations and the best methods for promoting engineering ethics from the pre practitioner to the managerial level this timely publication is ideally designed for use by engineering students active professionals and academics as well as researchers in all disciplines of engineering The New Testament and Ethics Joel B. Green,2013-12-03 This convenient text utilizes material from the well received Dictionary of Scripture and Ethics to introduce students to the use of the New Testament for moral formation This handy and affordable book by book survey of the New Testament contains key articles written by leading scholars and targeted to the needs of the classroom It will serve as an excellent supplementary text in New Testament courses The stellar list of contributors includes Robert Brawley Bruce Chilton Charles Cosgrove David deSilva Victor Paul Furnish and Glen Harold Stassen *African Christian Ethics* Samuel Waje Kunhiyop,2019-04-09 An introduction to African Christian ethics for Christian colleges and Bible schools African Christian Ethics is divided into two main parts The first deals with the theory of ethics while the second discusses practical issues The issues are grouped into the following six sections Socio Political Issues Financial Issues Marriage Issues Sexual Issues Medical Issues Religious Issues Each of these six section begins with a brief general introduction followed by the chapters dealing with specific issues in that area Each chapter begins with an introduction discusses traditional African thinking on the issue presents an analysis of relevant biblical material and concludes with some recommendations There are questions at the end of each chapter for discussion or personal reflection often asking students to reflect on how the discussion in the chapter applies to their ministry situation **Ethics in Veterinary Practice** Barry Kipperman,Bernard E. Rollin,2022-08-23 Ethics IN Veterinary Practice An incisive examination of relevant and contemporary ethical issues facing veterinary practitioners students instructors and animal researchers In Ethics in Veterinary Practice Balancing Conflicting Interests a team of distinguished scholars delivers a foundational exploration of animal ethics and a guide to examining contemporary issues and dilemmas that arise regularly in veterinary practice The book offers comprehensive quickly

accessible and up to date information on veterinary ethics with content devoted to unique issues by practice type The authors offer a primary resource for veterinary ethics useful for veterinarians faculty instructors senior undergraduates and veterinary students that focuses on recognizing and addressing real life ethical dilemmas and relevant philosophical discussions about the moral status of animals animal rights and interests Ethics in Veterinary Practice presents material on integrative medicine animal pain moral stress and the future of veterinary ethics Readers will also find A thorough introduction to a theoretical basis for veterinary ethics including discussions of animal welfare ethical theories and legal issues Comprehensive explorations of clinical veterinary ethics including discussions of veterinary advocacy ethical dilemmas professionalism economic issues and medical errors Practical discussions of ethical concerns by practice type including companion animals equines and animals used for food In depth examination of emerging ethical concerns including animal use in veterinary education and animal maltreatment Perfect for practicing veterinarians veterinary students and veterinary technicians and nurses Ethics in Veterinary Practice Balancing Conflicting Interests will also earn a place in the libraries of instructors teaching veterinary ethics as well as biomedical and animal ethicists As veterinary medicine becomes more technologically and socially complex interest in ethics is growing Ethics in Veterinary Practice provides a needed reference from the North American perspective for anyone facing ethical dilemmas i e all of us Suitable for practitioners students and technicians the book supplies factual background and practical guidance for navigation accompanied by a clear ethical analysis of common dilemmas in all aspects of veterinary medicine Lisa Moses Veterinary Specialist in Internal Medicine Center for Bioethics Harvard Medical School USA Ethics in Veterinary Practice is a statement of both the influence of Bernie Rollin s lifetime work and of the coming of age of veterinary ethics From the moral status of animals to veterinary ethical dilemmas from medical errors to professionalism from economic issues to end of life decision making Ethics in Veterinary Practice leaves no stone unturned A must read for students and professionals alike Manuel Magalh es Sant Ana European Veterinary Specialist in Animal Welfare Science Ethics and Law University of Lisbon Portugal This book makes a valuable contribution to the subject hosting writing from a number of prominent scholars in the field The book bravely tackles several contemporary issues including veterinary corporations moral stress and medical errors as well as providing updated insights into the history of the profession and veterinary professionalism Throughout the complex and contested place of animals within our society is openly and thoughtfully explored from a veterinary perspective Vanessa Ashall European Veterinary Specialist in Animal Welfare Science Ethics and Law University of York UK

Calling for Justice Throughout the World
 Mary Jo Iozzio, Elsie M. Miranda, Mary M. Doyle Roche, 2009-01-01 It s common knowledge that in developing countries Africa India Southeast Asia Africa Latin America the burden of HIV AIDS falls disproportionately on women who are generally the victims of male carriers of the disease In this book Roman Catholic women theologians from all over the world will discuss the pandemic in terms of their particular geographical and social location The model for the volume is Continuum s Catholic

Ethicists on HIV AIDS Prevention 2000 edited by James Keenan S J The occasion or impetus for the volume was the First International Crosscultural Conference for Catholic Theological Ethicists single handedly created by James Keenan he raised 3 4 of a million dollars and held at Padua July 2006 The plenary sessions will be published by Continuum under the title Catholic Theological Ethics in the World Church The mentors for the volume will be James Keenan editor Iozzio s Doktorvater and Margaret Farley America s leading Catholic feminist theological ethicist 19 Dec review of Just Love in America Farley s advocacy both in the US and Africa on the issue of women and AIDS is renowned and she will be the best known contributor The leading contributor from English speaking Europe is Linda Hogan from Trinity College Dublin
