Social Change And Social Work Practice:

Expressive Arts for Social Work and Social Change Tuula Heinonen, Deana Halonen, Elizabeth Krahn, 2018-08-20

How can social workers integrate expressive arts methods as a complement to their work to better support individual group and community growth Expressive Arts for Social Work and Social Change explores the values and benefits of expressive arts i e visual arts movement and dance expressive forms of writing and narrative music and performance and the role they can play in social work practice and inquiry Although previous research has illustrated the efficacy of expressive arts to individual therapeutic goals this is the first work that looks at the use of these approaches to fulfill the values ethics and principles of the social work profession The authors draw from current and emerging concepts related to green social work including individual and collective well being Indigenous perspectives and practices social justice and social action and individual as well as collective creative expression This book provides insight and advice that will benefit all human service professionals interested in expressive arts

Creating Change in Social Work Practice Philip Mongan, 2018-12-31

Creating Change in Social Work Practice Four Essential Tools is strategically designed to help readers hone their ability to understand and create change within their social work practice The text employs the Knowledge Ability and Skill model to assist readers in conceptualizing envisioning and creating change Readers learn to identify the various stages in the process of creating change as well as how to handle the challenges of change and plan appropriate treatment for change Each chapter explores the history and efficacy of a featured tool underscores its unique components and characteristics provides readers with activities to develop their ability to use the tool and offers assessments to ensure they know how to effectively exercise all of the pieces of the tool The specific tools introduced throughout the text include the conceptualization of change using the Transtheoretical Model to understand behavioral change creating change using the Solution Focused Approach combating challenges to change through Motivational Interviewing and finally treatment planning for change The closing chapter consists of advanced case studies and activities designed to build upon the ability gained from each chapter and foster mastery of the tools Creating Change in Social Work Practice is an ideal supplementary text for undergraduate and graduate level courses in the discipline Practitioners in the field can also utilize this text to enhance and strengthen their personal practice Philip Mongan is an associate professor of social work and the graduate coordinator of the Master of Social Work Program at Radford University

Social Change and Social Work Timo Harrikari, Pirkko-Liisa Rauhala, 2016-04-01

Social Change and Social Work discusses and examines how social work is challenged by social political and economic tendencies going on in current societies The authors ask how social work as a discipline and practice is encountering global and local transformations Divided into three parts topics covered include the changing social work mandate throughout history social work paradigms and theoretical considerations phenomenological social work practice research and gender and generational research Taken together the chapters in this anthology provide an authoritative and up to date overview of

current discussions within the European social work research community Social Theory, Social Change and Social Work Nigel Parton, 2002-09-11 Social Theory Social Change and Social Work has two inter related themes First to account for and analyse current changes in social work and secondly to assess how far recent developments in social theory can contribute to their interpretation Representing the work of a range of academics all involved in research and teaching in relation to social work it considers issues of central significance to everyone interested in the theory policy and practice of social work

Social Work and Social Change Eileen Younghusband, 2021-11-07 Originally published in 1964 this book studies social work in relation to the evolving role of social workers in the social services and to their training at the time Dr Younghusband considers past discoveries and setbacks insofar as they bear upon the present position and she studies the present for the light it casts on the future Her emphasis is upon the new situation created as knowledge advances and the social services become increasingly aware of personal problems and social disabilities The contribution of social work to mental health is indeed a continuing theme throughout this book There are chapters on the juvenile courts and a section on international aspects in which the philosophy of social work and its contribution to social change are discussed At the time of publication the author was Adviser on Social Work Training at the National Institute for Social Work Training and President of the International Association of Schools for Social Work She had also been for some twenty five years chairman of a London Juvenile Court and was chairman of the Working Party on Social Workers in the Local Authority Health and Welfare Services Ministry of Health She had been from time to time a Social Affairs Consultant to the United Nations and was a lecturer at the London School of Economics To social workers whether active at the time or in training she would have needed no introduction and they will have welcomed a book incorporating her immense experience and all the originality and clarity of thought they had learned to expect from her

Social Work Practices Karen Healy, 1999-11-18 Karen Healy has written a very interesting and worthwhile book that explores the relevance and significance of postmodern theory to social work It provides a well argued account of recent developments in social work theory However it is not simply an account of theory as considerable effort goes into making links between the theory and its implications for practice I t offers a sound foundation for exploring issues of theory and practice A major strength of the book is that it shows that some of the significant flaws in earlier attempts to develop critical approaches to practice should not lead us to assume that radical approaches are necessarily oppressive in themselves or doomed to failure It should serve its purpose well in prompting educators policy makers and practitioners to begin to take on board the critique of dominant approaches to social work theory and to help us guard against the dangers of dogmatism and orthodoxy European Journal of Social Work Karen Healy profoundly challenges in the context of the postmodernity of late capitalism many of the assumptions upon which the critical tradition in social work has been founded This is a book which interrogates not only the emancipatory metanarratives of left perspectives from her position within the left but also questions many of the received ideas about her professional power and identity and about the

kinds of social work practices necessary in order to continue to pursue welfare as an emancipatory project under transformed ideological and material circumstances This is a most significant contribution to the debates which confront social work worldwide at the present time Peter Leonard McGill University Canada How should social workers be responding to the crises which beset the welfare states of the 21st century Could postmodern theory provide some of the answers This original and stimulating book provides a critical review of contemporary social work theory and considers its relevance for professional practice Karen Healy outlines critical theoretical perspectives including feminist Marxist and radical social work and indicates their implications for social work practice She explains contemporary debates on post structuralism and postmodernism and shows how their application to everyday social work practice would point to a new pragmatism focused on local contextual and incremental proposals for change By referring to actual examples she invites the reader to consider the potential for relevant and diverse forms of social work practice informed by postmodern theory This accessible and engaging book makes an important contribution to contemporary debates on social work theory and practice It will be important reading for students and academics in social work and social policy The Values of Change in Social Work

Steven Shardlow,2003-09-02 Examining the major developments in social work from moral philosophical and political perspectives the highly respected and experienced contributors to this text analyse social work values and place them firmly in a modern practical context *Expressive Arts for Social Work and Social Change* Tuula Heinonen,Deana

Halonen,Elizabeth Krahn,2018-08-20 How can social work practice be enriched by complementary approaches and methods from expressive arts This book responds by offering concepts and values that promote individual and social change and transformation The text is enhanced by examples reflection questions and resources Positive Psychology as Social

Change Robert Biswas-Diener,2011-02-01 In recent times there has been growing interest in positive psychology as evidenced by the swell in positive psychology graduate programs undergraduate courses journals related to the topic popular book titles on the topic and scholarly publications Within the positive psychology community there has been an increased emphasis on the socially beneficial side of positive psychological science At the First World Congress of the International Positive Psychology Association there was a major push to look at positive psychology as a social change mechanism This volume will bring together thoughts of leaders in positive psychology from 8 countries to capitalize on the push toward social change and flourishing By releasing this title at a critical time Springer has the opportunity to help frame the agenda for positive psychology as a force for social change This seminal work is meant for anyone interested in happiness strengths flourishing or positive institutions It introduces Positive Psychology as an unapplied science that can be used to create positive social transformation and enabling institutions This is a must have title for academics especially psychologists sociologists economists and professionals working in the field of Positive Psychology and Well Being *Direct Social Work*

Practice Mary C. Ruffolo,Brian E. Perron, Ph.D.,Elizabeth Harbeck Voshel,2015-02-06 Using a case based approach to

connect the classroom and the practice environment this foundational text incorporates a broad set of themes that include advocacy social justice global focus ethics theory and critical thinking Integrated up to date evidence based content related to diversity social justice and international issues helps readers develop the basic skills of engagement assessment intervention and reflective practice as well as the key skills needed for the field experience Each chapter of the book is mapped to the latest Educational Policy and Accreditation Standards EPAS to aid schools of social work in connecting the course content with monitored outcomes

Social Work Practice Kim Strom-Gottfried,1999 An ideal supplement for courses in Social Work PRACTICE and METHODS Covers the full range of generalist practice skills as prescribed by Council on Social Work Education The 36 exercises each keyed to specific skills and client groups offers the most comprehensive coverage available today An early exercise 4 is devoted exclusively to the NASW Code of Ethics enabling the students to understand the Code and how it applies to a variety of case vignettes Throughout the exercises the student is provided with hands on experience with individuals families groups communities and organizations

Disability and Social Change Jeanette Robertson,2020-07-10T00:00:00Z This edited collection uses a critical theory perspective and draws on expertise from a range of contemporary policy and practice areas Contributors include people with disabilities family members researchers academics and practitioners This book is an ideal text for students of social work human services child and youth care and disability studies Chapters include first person accounts from persons with disabilities perspectives of families and historical perspectives as well as a critical exploration of demographics human rights issues disability legislation and policy in Canada theoretical approaches to disability

intersectionality and disability Aboriginal people and disability mental health disability principles of anti ableist practice advocacy and strategies for change This book offers as a fresh Canadian perspective on disability from a critical lens challenging and inspiring students and practitioners alike to think outside the box and to examine their own attitudes and values toward disability ensuring that they do not inadvertently impose ableist and oppressive practices on one of Canada's most marginalized populations

Social Policy and Social Change Jillian Jimenez, Eileen Mayers Pasztor, Ruth M. Chambers, Cheryl Pearlman Fujii, 2014-02-26 The Second Edition of Social Policy and Social Change is a timely examination of the field unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them The New Edition of this seminal text examines issues of discrimination health care housing income and child welfare and considers the policies that strive to improve them With a focus on how domestic social policies can be transformed to promote social justice for all groups Jimenez et al consider the impact of globalization in the United States while addressing developing concerns now emerging in the global village

Social Work in the Frame of a Professional Competencies Approach Ana Opačić, 2022-10-19 This book serves as an introductory reader for understanding a professional competencies framework for social work through a new approach It not only discusses what professional competencies are and why they are significant but it also shows how to develop a professional competencies approach measure and research competencies and learn how to use them to empower professional identity and career development There has been growing interest to define the social work profession within a professional competencies framework Professional competencies are considered in their complexity as a triangle of knowledge skills and values They are not solely a tool for education and practice but they are also important for professional socialization and identity in social work A professional competencies approach has been used to define standards and expectations for social workers practitioners it is an evaluation tool for formal education and lifelong learning programs provides guidance for field practice and placements for social work students and could be a frame for distinguishing levels of professional expertise The volume provides an up to date comprehensive overview of a professional competencies approach in social work with 10 chapters organized in four sections Part I Understanding a Professional Competencies Approach including Criticisms of the Competency Based Education Approach Part II Major Areas of Professional Competencies including Leadership and Professional Socialisation Part III Measuring Professional Competencies and Education Outcomes including How to Conceptualise Operationalise and Measure Professional Competencies in Social Work Part IV Professional Competencies and Professional Development including A Model of Holistic Competence in Social Work and the unique Professional Capabilities Framework Social Work in the Frame of a Professional Competencies Approach is essential reading for social work instructors academics and national professional associations interested in developing or reviewing their professional competencies framework It is an invaluable resource for experts in statutory bodies that set up a legislative framework of social work practice or work in the

accreditation of social work education programs The book is useful for social work students interested in understanding the theoretical background of social work as well as for field practitioners who wish to use professional competencies for their self reflection self evaluation and professional identity Generalist Social Work Practice Janice Gasker,2018-10-17

Generalist Social Work Practice provides students with the foundational skills and knowledge needed to serve clients across micro mezzo and macro areas of practice Author Janice Gasker brings a focus on self reflection as the first stage in the planned change process and writes with the perspective that we consider work at all levels of practice simultaneously rather than in isolation In accordance with the 2015 Educational Policy and Accreditation Standards EPAS set forth by the Council of Social Work Education CSWE the planned change process is presented as dynamic and interactive providing students with a clear understanding of how each stage of the planned change process can be utilized at any point when serving a client system The text spotlights the distinctive characteristics of the worker their values attitudes and experiences that may influence client interaction The text also includes case studies collaborative learning exercises and critical thinking questions to help students apply concepts to practice *Human Behavior Theory and Social Work Practice with Marginalized*

Oppressed Populations Roberta R. Greene,Michael Wright,Melvin Herring,Nicole Dubus,Taunya Wright,2019-04-29 Human Behavior Theory and Social Work Practice with Marginalized Oppressed Populations addresses what social workers can do to combat the increasingly complex social concerns that face the profession and explores how to incorporate the celebration of diversity and the protection of human rights into social work curricula and the helping process The authors combine human behavior theories with a narrative postmodern practice methodology that deals with both the client s or constituencies presenting problem and equity issues and as a result the book is both theoretical and applied Two major integrating themes throughout are at the forefront of the book the celebration of diversity and the equality of human rights The goal is to strengthen diversity and human rights components of the social work curriculum and to provide more practice guidelines for cross cultural practice *Rural Lifestyles, Community Well-being and Social Change: Lessons from Country Australia for*

Global Citizens Angela T. Ragusa,2014-01-08 In our increasingly global world individuals are highly mobile and interconnected Politics policies and technologies foster interconnection amongst and within countries as individuals relocate from one place to another One key issue facing developed and developing countries is urban overcrowding In Australia urban density is one factor prompting institutions and individuals to embrace rural revival as a possible solution to urban congestion and rural decline In the past decade rural Australia has received heightened publicity and interest as a lifestyle destination encouraged by national decentralization policies to alleviate urban overcrowding particularly the metropolises Melbourne and Sydney regional councils marketing initiatives and international refugee relocation Rural communities struggle in contrast with urban counterparts for several often complex reasons The realities of rural life are frequently marginalized while marketing campaigns evoke stereotypical imagery of idyllic lifestyles and bucolic pastures to sell dreams

of country bliss to fatigued urbanites This edited e book is a collection of articles that explores rural realities of country life in Australia for global audiences interested in rurality health and well being By transcending disciplinary specific boundaries this multi disciplinary book not only presents contemporary challenges but also equips readers with evidence based knowledge to improve resilience in communities and individuals facing key issues such as aging depression disability environmental degradation limited service delivery and social isolation Utilizing a variety of social science research methods each chapter will enhance readers insights about rural amenities geography identity culture health and governance which impact wellbeing and lifestyle satisfaction Collectively this book exposes readers to ideas from a dynamic range of experts in the humanities social and natural sciences to encourage a holistic approach to developing solutions for a complex social world The content of this volume will interest a wide audience of graduates and undergraduates researchers professional practitioners and policymakers involved with non profit and government organizations and interested community members

Social Work Practice Eileen Gambrill,2012-10-31 The first textbook to emphasize the importance of critical thinking skills to practice this third edition of the classic Social Work Practice retains its unique focus on thinking critically about decisions that social workers make daily Organized around the phases of helping this hands on introduction highlights the decision points that social workers encounter during assessment intervention and evaluation This text together with its companion website provides students with a wealth of hands on exercises for developing and assessing their practice skills Most importantly it helps students enhance client well being by becoming critical thinkers and evidence informed practitioners

Political Social Work Principles Rohan Bhattacharya,2025-02-20 Political Social Work Principles offers a comprehensive exploration of the intersection between social work practice and political systems We delve into the multifaceted role of social workers in addressing social issues advocating for social justice and driving systemic change within political contexts Our book begins with an in depth analysis of key concepts such as advocacy policy analysis social justice and community organizing providing readers with a solid understanding of the foundational principles of political social work As readers progress they encounter discussions on intersectionality ethical considerations in advocacy and strategies for effective policy change We also explore the nuances of working within diverse communities empowering individuals and groups and fostering community resilience through grassroots mobilization and coalition building Case studies and real world examples illuminate the practical application of political social work theories and methods offering insights into the challenges and successes faced by social workers in their quest for social change Furthermore we examine emerging trends and future directions in political social work such as technology integration in advocacy global perspectives on social justice and innovative approaches to addressing environmental and health related challenges Emphasizing critical consciousness data ethics and lifelong learning we equip readers with the knowledge and skills needed to navigate the complexities of political social work and promote social justice and equity
