Lewis,2019-11-06

Back in the 1960's tracing your Family Tree was just becoming an interesting hobby Now like a lazy little babbling stream merrily following the course of time that stream has metamorphosed into a huge directed waterfall and on to an almost out of control flood of family information Between tracing records having DNA tested and the ever increasing boundaries the Internet is providing connecting with family one never even realized existed forty years ago has become an absorbing interesting avocation for everybody from school children to Seniors Our family alone has over 14 000 leaves growing on one tree or another in such diverse places as England Wales Scandinavian Countries Finland USA and Canada All of us looking to be connected to one another One never knows where or when that connection may happen It's just not the data that's important Was that first traveller a thoughtful directed man who only wanted a better life for himself and his family Was he a rogue looking for a fast way out of town to places he would never be found Did he leave because he was in trouble with the local constabulary or was he looking for religious freedom What about the women Why did they come What were their thoughts What was in it for them When you find the stories they are fascinating Our thirst for knowledge of these people is insatiable Whether or not you are a leaf on one of our orchard of trees you may find a graft that will lead you to another branch where another leaf has been joined to one of our own Come Learn about us Learn about yourself *Tears of Rage* John Walsh,2009-12-01

As the host of the immensely popular America's Most Wanted John Walsh has been instrumental in the capture of nearly four hundred and fifty of this country's most dangerous fugitives However few know the full story of the personal tragedy behind his public crusade the 1981 abduction and murder of his six year old son Adam Here for the first time Walsh his wife Rev and their closest friends tell the wrenching tale of Adam's death and the infuriating conspiracy of events that have kept America's No 1 crime fighter from obtaining justice and closure for himself and his family I've never really spoken about these things to anyone before but I

want to talk about Adam before he died I want people to know just exactly how horrible it is to lose your child how painful it is But I also want to talk about how people can help you and how you can help yourself About how to come to terms with life when you think you're dying of a broken heart John Walsh I remember thinking our son's been murdered and now we've got to be the ones to do something about it It was a sad thing for this country that the fight had to be led by two broken down parents of a murdered child But we had to because no one else was going to do it Rev Walsh Song for the Dead Andrew Cusick, 2025-09-09 A young man and his mother grapple with the disappearance and possible death of his older brother who may have jumped off a bridge on the Jersey shore I AM NOT GONE is what the suicide note on Mason's pillow says His seventeen year old brother Declan finds it just before police arrive to search Mason's bedroom for clues to his disappearance several local business CCTV cameras in the New Jersey shore beach town have recorded a video of a young man fitting Mason's description jumping from a bridge But was it Mason Police divers haven't found a body As Declan and his frantic mother endure local news coverage of the missing young man nearly a week passes and the words I AM NOT GONE remain lodged in Declan's memory As he tries amidst his deep grief to return to his life as it was before Mason disappeared Declan begins to hear about a group of people called The Liberators who are committing terrorist acts all over the U S And then suddenly he receives an unnerving direct message from Mason's Instagram account Then another message both telling Declan to come find him Convinced Mason's account was hacked Declan blocks the sender But then he feels compelled to reconnect and finds that not only does the person sound like his brother but they also know intimate things about Declan that no one else could possibly know Is his brother still alive somewhere And if so why would he do such a thing to the family Then there is yet another layer a song Mason wrote for the four man band that he and Declan are part of a haunting song that when performed posthumously mesmerizes audiences As the novel builds to shocking conclusion Declan is forced to make sense of the mystery of his missing brother and to understand just what compelled Mason to write his cryptic note and take leave of his tightly knit family
