Son of the great American novel James Fritzhand,1970 **The Dream of the Great American Novel** Lawrence Buell,2014-02-10

Magisterial make s you suddenly see new things in familiar books brilliant analyses of a dozen or so front runners in the Great American Novel sweepstakes Michael Dirda Virginia Quarterly Review The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying more than 150 years of attempts to dismiss it as amateurish or obsolete In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates and their themes illustrated by such titles as The Scarlet Letter The Great Gatsby Invisible Man Uncle Tom s Cabin Beloved Moby Dick and Gravity s Rainbow works dwelling on topics from self invention to the promise and pitfalls of democracy The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction Engaging and provocative ultimately affirms the importance of literature to a nation s sense of itself Sarah Graham Times Literary Supplement Rich in critical insight Buell wonders if the GAN isn t stirring again in surprising new developments in science fiction An impressively ambitious literary survey Booklist starred review *The Great American Novel MEGAPACK®*

Stephen Vincent,Charles Gorham,Jack Gotshall,Alfred Coppel,2016-02-04 As America s economic and cultural influence grew in the 20th Century the history of the literary arts in Europe cast a long shadow onto this burgeoning nation And thus the myth of the Great American Novel was born of a loaded question would the United States ever produce a work to rival the accepted great works of Western Culture Many tried And in the trying many looked to model themselves after already extant writers and works which had gained positive notice as standing on the shoulders of giants has always been one accepted route to success and acceptance So herein this Megapack Wildside press offers for you four also rans of the early to mid 20th Century four widely varied attempts to grab at that brass ring called The Great American Novel YOUNG PEOPLE S PRIDE by Stephen Vincent Benet THE FUTURE MISTER DOLAN by Charles Gorham PAPPY AND THE PROMISED LAND by Jack Gotshall NIGHT OF FIRE AND SNOW by Alfred Coppel If you enjoy this ebook don t forget to search your favorite ebook store for Wildside Press Megapack to see more of the 280 volumes in this series covering adventure historical fiction mysteries westerns ghost stories science fiction and much much more *The Post-9/11 Great American Novel* Sheheryar Sheikh,2025-10-16 A study of the confluences between liberal white Americans trauma their reverting to hyper conservative Islamophobia and Don DeLillo s call to American authors that they compose a new so called Great American Novel pluriverse

in the wake of 9 11 In December 2001 Don DeLillo urged American writers to create the counternarrative that would reclaim control of culture in a call for nation rebuilding fiction that mirrors John William de Forest s original post Civil War coinage of the term and concept of the Great American Novel Through this conceptual framework Sheheryar Sheikh examines four major post 9 11 works to demonstrate a concerted effort by these authors to address the Muslim Question in novels that feature and critique traumatized white Americans creating mechanisms with which to mitigate the trauma of 9 11 as it resurges at even the thought of Muslims existing in America after 9 11 By looking at repression appropriation adversarial othering and enforced secularization as they appear in Jonathan Safran Foer s Extremely Loud Incredibly Close John Updike s Terrorist DeLillo s Falling Man and Amy Waldman s The Submission this study shows the iterations of solutions and the abandonment of these ideals by traumatized white liberals While the original concept of the Great American Novel featured fluid and multifaceted explorations of the American Dream The Post 9 11 Great American Novel shows how this renewed interest in creating nation rebuilding texts threatened to stagnate and calcify this literary form Specifically because these texts primarily congeal around the occlusion of Muslims and Islam within and from the United States

The Great American Novel Philip Roth,2013-07-02 Philip Roth s richly imagined satiric narrative The Great American Novel turns baseball s status as national pastime and myth into an unfettered farce Featuring heroism and perfidy lively wordplay and a cast of characters that includes the House Un American Activities Committee Roth is better than he s ever been before The prose is electric The Atlantic Gil Gamesh is the only pitcher who ever tried to kill the umpire and John Baal The Babe Ruth of the Big House never hit a home run sober But you ve never heard of them or of the Ruppert Mundys the only homeless big league ball team in American history because of the

communist plot and the capitalist scandal that expunged the entire Patriot League from baseball memory American Literature in Transition, 1970-1980 Kirk Curnutt, 2018-03-22 American Literature in Transition 1970 1980 examines the literary developments of the twentieth century's gaudiest decade For a quarter century filmmakers musicians and historians have returned to the era to explore the legacy of Watergate stagflation and Saturday Night Fever uncovering the unique confluence of political and economic phenomena that make the period such a baffling time Literary historians have never shown much interest in the era however a remarkable omission considering writers as diverse as Toni Morrison Thomas Pynchon Marilyn French Adrienne Rich Gay Talese Norman Mailer Alice Walker and Octavia E Butler were active Over the course of twenty-one essays contributors explore a range of controversial themes these writers tackled from 1960s nostalgia to feminism and the redefinition of masculinity to sexual liberation and rock n roll Other essays address New Journalism the rise of blockbuster culture memoir and self help and crime fiction all demonstrating that the Me Decade was nothing short of mesmerizing *"The Great American Novel"* Charles Alexander Campbell, 1951 Philip Roth Blake Bailey, 2021-05-26 I don't want you to rehabilitate me Philip Roth said to his only authorized biographer Blake Bailey Just make me interesting Granted complete independence and access Bailey spent almost ten years poring over Roth's personal archive interviewing his friends lovers and colleagues and listening to Roth's own breathtakingly candid confessions Cynthia Ozick in her front page rave for the New York Times Book Review described Bailey's monumental biography as a narrative masterwork As in a novel what is seen at first to be casual chance is revealed at last to be a steady and powerfully demanding drive under Bailey's strong light what remains on the page is one writer's life as it was lived and almost as it was felt Though Roth is generally considered an autobiographical novelist his alter egos include not only the Roth-like writer Nathan Zuckerman but also a recurring character named Philip Roth relatively little is known about the actual life on which so vast an oeuvre was supposedly based Bailey reveals a man who by design led a highly compartmentalized life a tireless champion of dissident writers behind the Iron Curtain on the one hand Roth was also the Mickey Sabbath-like rou who pursued scandalous love affairs and aspired to affront and affront and affront till there was no one on earth unaffronted the man who was pilloried by his second wife the actress Claire Bloom in her 1996 memoir *Leaving a Doll's House* Towering above it all was Roth's achievement thirty-one books that give us the truest picture we have of the way we live now as the poet Mark Strand put it in his remarks for Roth's Gold Medal at the 2001 American Academy of Arts and Letters ceremonial Tracing Roth's path from realism to farce to metafiction to the tragic masterpieces of the American Trilogy Bailey explores Roth's engagement with nearly every aspect of postwar American culture
