

The background of the book cover is a classical painting. It depicts Jesus, with long brown hair and a white robe, sitting on the left and gesturing with his right hand while speaking. He is surrounded by a group of people, including a man in a blue robe looking intently at him, and others in the background. The scene is set outdoors with a rocky ground and a hilly background.

Stories with Intent offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book s original 2008 publication

The Parables Douglas D. Webster, 2021-03-30 A comprehensive study of Jesus s parables that emphasizes personal reflection and application Jesus s parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo Prayerfulness was pictured by a persistent widow The joy of salvation in the homecoming of a lost son Love of neighbor by a marginalized Samaritan If we re not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance Drawing on scholarship on the parables as well as theological pastoral and practical insights Douglas Webster guides the reader through each of Jesus s parables pointing out the important nuances that allow us to understand them and be transformed by them Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables Pastors Bible teachers and serious students of Scripture will find this tour through Jesus s parabolic teaching to be a feast for both the mind and the soul

The Erothetical Value of Jesus' Parables Bucevschi Eduard-Iulian, 2016-04-25 By this book I tried to find answers to the questions which don t appear directly in the Gospels In fact erothetics is the way of finding the question from the given answer We have the Gospels where the writers presented to us what Jesus did But what if there were some questions which

were common for that time and uncommon for our time reality. Then was the sermons when I was astonished by the ministers which proclaimed that Jesus began story telling because He didn't know what to say to the listeners. Or worse even some ministers corrected Jesus parables by this distorting the whole truth. This is why I alone searched some answers and by this I provide You what I did found. *Godly Play Volume 1* Jerome W. Berryman, 2012-08-01. An internationally recognized Christian formation program. This 4 volume series presents an imaginative approach for telling scripture stories that invites children to wonder about themselves, God, and the world in a way that is playful and meaningful to them. Based on the Montessori teaching method, Godly Play outlines specific storytelling techniques and use of story figures that encourage children to respond through a variety of creative activities. This method is greatly respectful of the innate spirituality of children and encourages them to use their curiosity and imagination to experience the mystery and joy of God. Volume 1 contains all of the material you will need to become familiar with the Godly Play approach with detailed information on creating a special space for children and techniques for presenting each lesson. *Mastering the Discipline of Bible Study* Jenai J. Rasmussen Ed.D., 2022-07-22. This work along with the other volumes in the Foundational Knowledge of the Bible series can help those who are young in the faith to seek a Christian relationship with God. All who choose to enter into the new covenant must concurrently embrace a new perceptual field. By heeding God's call to service, believers embark upon a Christian journey to become wise from the application of spiritual knowledge. This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God which is the source of all spiritual truth in this world. The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn; godly discernment be equipped with sound doctrine and grow together in all things according to Christ's authoritative leadership. Eph 4:15. By becoming covenant Christians set apart by God for his particular use, we can be diligent by precisely and accurately handling the word of truth. 2 Tim 2:15. This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life's pressing spiritual questions, whether general or specific. Accordingly, Christ's disciples need to comprehend the questions before the answers can have real meaning. No greater reason can be given for studying the Bible. Therefore, the people of God are duty bound to master this Christian discipline. The first volume in this series is divided into three phases of Bible study. Why addresses the importance of knowing God's word, study motivations, conditions for discipleship, Christian distinctions, and the attributes needed to study biblical truth. How covers preliminary actions, Bible versions, principles, study considerations, and necessary skills. What offers a unique sevenfold framework for understanding the Bible. Divine power can move the Scriptures to be more than words on a page. It can become a life-changing force for good in the world. To that end, this resource directs the reader on how to inquire, search, and ask diligently concerning godly truth. Invaluable information, accessible resources, clear educational materials, and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text. This work will also prepare the

reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth To be sure wisdom is the result of applying biblical knowledge to our lives By speaking divine truth in love believers can grow together in Christ as fellow workers who labor in the word of God There is no greater work in this world than to share this life saving truth with others The obligation of receiving divine knowledge requires that it be shared Truly giving the hope and joy that is found in Jesus Christ and the message he brought from the Father is the greatest privilege of a human life Amen and amen **The Parables of Jesus the Galilean** Ernest van Eck,2016-08-09 Who do we meet in the stories Jesus told In The Parables of Jesus the Galilean Stories of a Social Prophet a selection of the parables of Jesus is read using a social scientific approach The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first century Jewish Galilean sociopolitical religious and economic setting Therefore this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by stressing key first century Mediterranean values Where applicable available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose The picture of Jesus that emerges from these readings is that of a social prophet The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world This world for Jesus was the kingdom of God Parables Unplugged Lauri Thuren,2014-11-01 For far too long Lauri Thur n argues the parables of Jesus have been read either as allegories encoding Christian theology including the theological message of one or another Gospel writer or as tantalizing clues to the authentic voice of Jesus Thur n proposes instead to read the parables unplugged from any assumptions beyond those given in the narrative situation in the text on the common sense premise that the very form of the parable works to propose a sometimes startling resolution to a particular problem Thur n applies his method to the parables in Luke with some surprising results involving the Evangelist s overall narrative purposes and the discrete purposes of individual parables in supporting the authority of Jesus proclaiming God s love exhorting steadfastness and so on Eschatological and allegorical readings are equally unlikely according to Thur n s results This study is sure to spark learned discussion among scholars preachers and students for years to come
