The Consultation Chart A Guide To What It Is And How To Use It:

Synastry Rod Suskin, 2008 *Synastry* puts relationships under the cosmic microscope of astrology offering an insightful perspective on the dynamics that drive all personal interactions Rod Suskin the author of *Cycles of Life* blends traditional methods with modern techniques in this introduction to synastry His step by step approach begins with interpreting an individual's birth chart to pinpoint relationship needs and behaviors Next you'll learn chart comparison techniques involving the elements inter chart aspects planets in aspect the fifth house dignities and other astrological factors to determine the compatibility and longevity of a relationship *Synastry* will help you explore many critical issues that affect relationships communication habits values feelings of self worth sex drive life goals attitudes toward money and children karma and more For the professional astrologer there is also advice for conducting client consultations with sensitivity and objectivity

Fertility Astrology Nicola Smuts-Allsop, 2018-04-19 Despite incredible and previously undreamed of advances in modern medicine for many women the issue of infertility remains a heart breaking reality Using a combination of traditional and modern astrological techniques the author has delved deeply into the charts of hundreds of infertile women and in many cases has unravelled what might be at the root of the problem Sometimes it's a matter of location or timing or it could be psychological issues in the relationship that are causing the block whatever the reason the author works closely with the couple and often the medical profession to produce results that are frequently positive where there has been no hope before Although this is an advanced textbook for astrologers the human element of the case histories is nothing short of inspiring and from that perspective can be enjoyed by readers with no knowledge of astrology
