The Contests Of Right Versus Wrong:

America Right Or Wrong Anatol Lieven, 2012-09-27 This examination of the American national character provides a sobering look at the course foreign policy has taken since 9 11 revealing how the combination of two contradictory brands of nationalism have undermined American security and the war against terrorism Publisher s description **On the constitutional and moral right or wrong of our National Debt** Francis William Newman, 1849 **No Contest** Ralph Nader, Wesley J. Smith, 1998-12-22 The legal rights of Americans are threatened as never before In *No Contest* Ralph Nader and Wesley J Smith reveal how power lawyers Kenneth Starr perhaps the most notorious among them misuse and manipulate the law at the expense of fairness and equity Nader and Smith document how corporate lawyers File baseless lawsuits Use court secrecy to their unfair advantage Engage in billing fraud Nader and Smith sound the warning that this system wide abuse is eroding our basic legal rights and propose a positive commonsense vision of what should be done to reverse the corporate inspired corruption of civil justice Timely incisive and highly readable this is a book for all citizens who believe that prompt access to justice is the backbone of democracy and a precious right to be reclaimed *Right Or Wrong, God Judge Me* John Wilkes Booth, 1997 All of the known writings of John Wilkes Booth are included in this collection Of this wealth of material the most important item is a previously unpublished twenty page manuscript discovered at the Players Club in Manhattan Written by Booth in 1860 in a form similar to Mark Antony s funeral oration in *Julius Caesar* it makes clear that his hatred for Lincoln was formed early and was deeply rooted in his pro slavery and pro Southern ideology Also included in the nearly seventy documents are six love letters to a seventeen year old Boston girl Isabel Sumner written during the summer of 1864 when Booth was conspiring against Lincoln several explicit statements of Booth s political convictions and the diary he kept during his futile twelve day flight after the assassination The documents show that Booth although opinionated and impulsive was not an isolated madman Rather he was a highly successful actor and ladies man who also was a Confederate agent Along with many others he believed that Lincoln was a tyrant whose policies threatened civil liberties From publisher s description **Bailey V. Walters Election Contest, Twentieth District of Pennsylvania** United States. Congress. House. Committee on Elections No. 2, 1926 *The Wisdom of Zhuang Zi on Daoism* Zhuangzi, 2008 Throughout the years there have been several editions of Zhuang Zi s book with significant differences in certain parts of the text Not every word in the book came from Zhuang Zi s pen Contributions were made by his disciples and there have been many changes to the original text errors in hand copying the text in mistaking notations for text and in outright forgery throughout centuries Chen Guying s 1976 edition of the book an eclectic study of all the editions that identifies probable forgeries is used as the text reference in the present translation **Memoirs, with Special Reference to Secession and the Civil War** John Henninger Reagan, 1906 This autobiography examines John Henninger Reagan s life and his work as the Post Master General for the Confederacy *The Issues Involved in the Presidential Contest* William Lowndes Yancey, 1860
