The Hunt for the Czar Guy Richards,1970      **The Hunt for the Czar** ,1977      *The Memoirs of the Duke of Saint-Simon on the Reign of Louis XIV and the Regency* Louis de Rouvroy duc de Saint-Simon,1857      Treasures of the Czars Gosudarstvennyye muzei Moskovskogo Kremli[a],1995 This book features many of the remarkable works of art housed in the former armoury and other museums of the Moscow Kremlin including Peter the Great s coronation crown and Faberge s Tricentennial Easter Egg commissioned in 1913 by Nicholas II to celebrate 300 years of Romanov rule      *Memoirs of Louis XIV and His Court and of the Regency — Complete* Louis de Rouvroy duc de Saint-Simon,2019-11-19 In *Memoirs of Louis XIV and His Court and of the Regency* Louis de Rouvroy duc de Saint Simon gives readers an incisive and vivid portrayal of the French court during the reign of the Sun King Louis XIV and the subsequent regency Written in a distinctive style that marries meticulous detail with a keen observant wit Saint Simon s memoirs provide a rich tapestry of court life politics and social intrigue His narrative is characterized by an emotionally charged occasionally cynical tone that reflects the complexities and decadence of the French aristocracy while contextualizing the broader history of France in the late 17th and early 18th centuries As a primary source of the period this work sheds light on the dynamics of power and privilege that defined the era Louis de Saint Simon was himself a nobleman of the French court which afforded him a unique vantage point from which to observe the activities and machinations of influential figures His firsthand experiences and prodigious memory empower his accounts creating an authentic resonance that makes his observations compelling The motivations behind his writings were equally personal as he sought to document not only history but also to illuminate the moral failings and triumphs of his contemporaries particularly his fellow noblemen This complete edition of Saint Simon s memoirs is highly recommended for those interested in French history literature and political dynamics As a vivid and personal narrative it is a treasure for historians and literary scholars alike offering an unparalleled glimpse into the lives of those at the center of one of history s most opulent and turbulent courts      Memoirs of Louis XIV and the Regency Louis de Rouvroy duc de Saint-Simon,1901      **The Czar's Spy** (????) William Le Queux,2011-10-15 Excerpt from Stockholm who represented a firm of paper makers in Hamburg and who paid an annual visit to Abo and Helsingfors acted as my guide around the town while I awaited the information from the humbled Chief of Police My German friend pointed out to me how since Russia placed her hand upon Finland progress had been arrested and certainly plain evidences were on every hand There was growing discontent everywhere for many of the newspapers had recently been suppressed and the remainder were under a severe censorship agriculture had already decreased and many of the cotton spinning and saw mills were silent and deserted The exploitation of those gigantic forests from which millions of trunks were floated down to the sea annually had now been suspended the great landowners were deserting the country and there was silence and depression everywhere Finland had been separated for economic purposes from the more civilized countries and bound to the poverty stricken artificially

isolated and oppressed Russia The double headed eagle was everywhere and the people sat silent and brooding beneath its black shadow There will be an uprising here before long declared the German confidentially as we were taking tea one day on the wooden balcony of the hotel where the sea and the low lying islands stretched out before us in the pale yellow of the autumn sundown The people will revolt as they did in Poland The Finnish Government can only appeal to the Czar through the Governor General and one can easily imagine that their suggestions never reach the Emperor It is said here that the harsher and more corrupt the official the greater honor does he receive from Petersburg But trouble is brewing for Russia he added A very serious trouble
