Culture, Philanthropy and the Poor in Late-Victorian London Geoffrey A. C. Ginn, 2017-04-21 2018 Choice Outstanding Academic Title The Late Victorian cultural mission to London s slums was a peculiar effort towards social reform that today is largely forgotten or misunderstood The philanthropy of middle and upper class social workers saw hundreds of art exhibitions concerts of fine music evening lectures clubs and socials debates and excursions mounted for the benefit of impoverished and working class Londoners Ginn s vivid and provocative book captures many of these in detail for the first time In refreshing our understanding of this obscure but eloquent activism Ginn approaches cultural philanthropy not simply as a project of class self interest nor as fanciful missionary aestheticism

Rather he shows how liberal aspirations towards adult education and civic community can be traced in a number of centres of moralising voluntary effort Concentrating on Toynbee Hall in Whitechapel the People s Palace in Mile End Red Cross Hall in Southwark and the Bermondsey Settlement the discussion identifies the common impulses animating practical reformers across these settings Drawing on new primary research to clarify reformers underlying intentions and strategies Ginn shows how these were shaped by a distinctive diagnosis of urban deprivation and anomie In rebutting the common view that cultural philanthropy was a crudely paternalistic attempt to impose rational recreation on the poor this volume explores its sources in a liberal minded social idealism common to both religious and secular conceptions of social welfare in this period Culture Philanthropy and the Poor in Late Victorian London appeals to students and researchers of Victorian culture moral reform urbanism adult education and philanthropy who will be fascinated by this underrated but lively aspect of the period s social activism *Dictionary Catalogue of the Illinois State Library* Illinois State Library,1912 *DK Eyewitness Travel Guide Ireland* DK Travel,2016-10-18 DK Eyewitness Travel Guide Ireland is your in depth guide to the very best of Ireland From touring historic castles to exploring the countryside along the mystical Ring of Kerry to drinking Guinness in Dublin s coziest pub experience the best of what the Emerald Isle has to offer Discover DK Eyewitness Travel Guide Ireland Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights Detailed city map of Dublin includes street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Ireland truly shows you what others only tell you **Bulletin of the Public Library of the City of Boston** Boston Public Library,1911 Urban Australia and Post-Punk David Nichols,Sophie Perillo,2020-02-25 Richard Lowenstein s 1986 masterpiece *Dogs in Space* was and remains controversial divisive compelling and inspirational Made less than a decade after the events it is based on using many of the people involved in those events as actors the film explored Melbourne s postpunk counterculture of share houses drugs and decadence Amongst its ensemble cast was Michael Hutchence one of the biggest music stars of the period in his acting debut This book is a collection of essays exploring the place period and legacy of *Dogs in Space* by people who were there or who have been affected by this remarkable film The writers are musicians actors and artists and also academics in heritage history urban planning gender studies geography performance and music This is an invaluable resource for anyone passionate about Australian film society culture history heritage music and art **The Lincoln Library of Essential Information** ,1924 DK Eyewitness Travel Guide: Ireland Cian Hallinan,2006-04-01 A highly illustrated guide to Ireland in the award winning DK Eyewitness Travel series Catalogue of prints ... in the National art library, Victoria and Albert

Lucky City Weston Bate,1999-02-02 Ballarat was not a typical goldfield There was little surface alluvial gold and in a tantalising search for fabulous underground river beds the the youthful migrants of the 1850s overcame immense obstacles They were both thrifty and speculative using the profits of one bonanza to pursue another and were probably goaded by officialdom into the famous Eureka rebellion of 1854 Weston Bate explores the interaction of man with the environment He sees Ballarat s pioneers as heroic adventurers And he shows how a makeshift boom town matured into Golden City City of Gardens City of Sculptures Lucky City tells how pastoral agricultural timber milling and mining activity sustained a regional marketplace and industrial centre It looks at the spread of Ballarat s influence across the country and charts its rivalry with Bendigo and its resentment of Melbourne s interference This is the lively story of an immigrant community Its focus is human its writing clear and engaging and its wonderful collection of illustrations covers the whole panorama of Ballarat life
