## **The Impeachment Of Jim Ferguson:**

**The Impeachment of Jim Ferguson** Bruce Rutherford,1983 *The impeachment of Jim Ferguson* *Impeached* Jessica Brannon-Wranosky,Bruce A. Glasrud,2017-03-17 In 1917 barely into his second term as governor of Texas James E Ferguson was impeached convicted and removed from office *Impeached* provides a new examination of the rise and fall of Ferguson s political fortunes offering a focused look at how battles over economic class academic freedom women s enfranchisement and concentrated political power came to be directed toward one politician Jessica Brannon Wranosky and Bruce A Glasrud have brought together top scholars to shine a light on this unique chapter in Texas history An overview by John R Lundberg offers a comprehensive survey of the impeachment process Kay Reed Arnold then follows the Ferguson story into the halls of academia at the University of Texas which Ferguson threatened to close sparking a fierce response by faculty alumni students and especially the Women s Committee for Good Government Rachel M Gunter further places the Ferguson impeachment in the context of the suffrage movement Leah LaGrone Ochoa then explores Ferguson s hot and cold relationship with the Texas press and Mark Stanley examines the impact of the impeachment on Texas politics in the decades that followed Jessica Brannon Wranosky concludes with an assessment of the historical memory of Ferguson s impeachment throughout the twentieth and twenty first centuries *Impeached The Removal of Texas Governor James E Ferguson* reveals how power ebbed and flowed in twentieth century Texas and includes several annotated primary documents critical to understanding the Ferguson impeachment **The Impeachment of Governor James E. Ferguson of Texas ...** Odis Allan Weldon,1955 **Proceedings Relative to the Impeachment of Governor Ferguson** Texas. Legislature. House of Representatives,1917 **Shorthand Notes of the Impeachment Trial of Governor James E. Ferguson of Texas, July 30, 1917** Walter O. Slater,James Edward Ferguson,1917 **Ten Dollars to Hate** Patricia Bernstein,2018-11-02 *Ten Dollars to Hate* tells the story of the massive Ku Klux Klan of the 1920s by far the most successful incarnation since its inception in the ashes of the Civil War and the first prosecutor in the nation to successfully convict and jail Klan members Dan Moody a twenty nine year old Texas district attorney demonstrated that Klansmen could be punished for taking the law into their own hands Bernstein s offering is a must read for those interested in Texas history and for those seeking to better understand the tenor of our own times *Southwestern Historical Quarterly* Bernstein has done Texas and the country a favor by documenting Moody s bravado and vanquishing of the Klan *Corpus Christi Caller Times* [Impeachment in a Global Context](#) Chris Monaghan,Matthew Flinders,Aziz Z. Huq,2024-02-06 This volume considers the use of impeachment within a global context The book brings together leading scholars and experts to give an insight into significant periods in the development of impeachment and its modern comparative use Divided into five parts the opening chapter introduces the topic and underlines its significance in terms of understanding the relationship and inter dependence among politics governance and the law It also offers a novel conceptual framework that facilitates the global mapping of impeachment processes Part I presents a

thematic approach that explores the topic of impeachment through the lenses of democracy human rights and the rule of law With these themes in mind Part II focuses on those parts of the world where impeachment is generally recognised as a core constitutional process including the United States South Korea Brazil and other countries in South America Part III continues with the process of constitutional mapping by moving to a focus on those countries where impeachment is arguably an important but largely secondary or peripheral process This includes chapters on Denmark Iceland Sri Lanka and the Philippines and flows through into Part IV s focus on areas of the world where impeachment matters and may even be increasing in terms of visibility but for a number of reasons arguably exists within a satellite status in terms of constitutional processes and safeguards The fifth and final section steps back in an attempt to assess impeachment processes from a broad comparative perspective The collection presents the definitive text on impeachment for students and scholars with an interest in comparative public law politics and constitutional studies The Independent ,1925 **In the Governor's**

**Shadow** Carol O'Keefe Wilson,2014-02-15 In 1915 Governor James Ferguson began his term in Texas bolstered by a wave of voter enthusiasm and legislative cooperation so great that few Texans anticipated anything short of a successful administration The inexperienced politician had overcome an underprivileged childhood through the sheer force of his intellect and hard work and had proven himself a capable leader or so it seemed He had beaten the odds imposed by his inexperience when he successfully launched a campaign based on two key elements his appeal to the rural constituency and a temporary hiatus from the effects of the continuous Prohibition debate In reality Jim Ferguson had shrewdly sold a well crafted image of himself to Texas voters an image of pseudo neutrality astuteness and prosperity that was almost entirely false The new governor was in over his head from the moment he took office carrying to that post a bevy of closely guarded secrets about his personal finances his business acumen his relationship with Texas brewers and his volatile personality Those secrets once unraveled gave clearance to an investigation of his affairs and ultimately led to charges brought against Governor Ferguson via impeachment Refusing to acknowledge the judgment against him Ferguson launched a crusade for regained power and vindication that encompassed more than two decades In 1925 he reclaimed a level of political influence and doubled the Ferguson presence in Austin when he assisted his wife Miriam in a successful bid for the governorship That bid had been based largely on a plea for exoneration but it was soon obvious that the couple s attempts to clear the family name did not include running a scandal free administration Merging a love of local history with the advantages of being a Bell County native and a seasoned auditor Carol O Keefe Wilson has gathered and dissected financial statements documents in evidence trial testimony newspaper accounts and other source material to expose a life story based largely on deceit In the Governor s Shadow unravels this complex tale exposing the shocking depth of the Fergusons misconduct Often using the Fergusons own words Wilson weaves together the incontestable evidence that most of the claims that Jim Ferguson made during his life regarding his conduct intentions achievements and abilities were patently false The existence and scope of

that dishonestly was without question the very root of the controversy that will forever cloud the Ferguson legacy

Preserving German Texan Identity Walter L. Buenger, Walter D. Kamphoefner, 2018-10-12 Born in Millheim Texas to a family of German immigrants who moved to Texas in the wake of the 1848 revolution William Andreas Trenckmann was a teacher journalist and publisher who successfully combined his German heritage with a new distinctly Texan identity His education was cultivated at the brand new Agricultural and Mechanical College of Texas where he distinguished himself as the valedictorian of the first graduating class he later served on the college's board of directors and was even offered the presidency From 1907 to 1909 he represented Austin County in the Texas legislature Trenckmann's lasting contribution to Texas history however was the creation of Das Wochenblatt a German language weekly newspaper that he edited and published for over forty years Das Wochenblatt became a popular and respected source of information for German speaking immigrants their descendants and the Texas communities where they lived and worked Through the paper Trenckmann advocated for civil liberties and free elections He also vigorously opposed prohibition the Ku Klux Klan and later the rise of Adolf Hitler and National Socialism When the United States entered World War I many German language publications were suspended or otherwise heavily censored but Trenckmann's newspaper was granted a rare exemption from the wartime government From 1931 to 1933 Trenckmann serialized his memoirs *Erlebtes und Beobachtetes* or experiences and observations In *Preserving German Texan Identity* historians Walter L. Buenger and Walter D. Kamphoefner present a revised and annotated translation of those memoirs as a revealing window into the lives of German Texans in the late nineteenth and early twentieth centuries

*Women in Texas History* Angela Boswell, 2018-10-12 Winner 2019 Liz Carpenter Award sponsored by the Texas State Historical Association TSHA In recent decades a small but growing number of historians have dedicated their tireless attention to analyzing the role of women in Texas history Each contribution and there have been many represents a brick in the wall of new Texas history From early Native societies to astronauts *Women in Texas History* assembles those bricks into a carefully crafted structure as the first book to cover the full scope of Texas women's history By emphasizing the differences between race and ethnicity Angela Boswell uses three broad themes to tie together the narrative of women in Texas history First the physical and geographic challenges of Texas as a place significantly affected women's lives from the struggles of isolated frontier farming to the opportunities and problems of increased urbanization Second the changing landscape of legal and political power continued to shape women's lives and opportunities from the ballot box to the courthouse and beyond Finally Boswell demonstrates the powerful influence of social and cultural forces on the identity agency and everyday life of women in Texas In challenging male dominated legal and political systems Texan women shaped and were shaped by class religion community organizations literary and artistic endeavors and more *Women in Texas History* is the first book to narrate the entire span of Texas women's history and marks a major achievement in telling the full story of the Lone Star State Historians and general readers alike will find this book an informative and enjoyable read for anyone

interested in the history of Texas or the history of women      *Miles and Miles of Texas* Carol Dawson, Roger Allen Polson, 2016-09-02 On the eve of its centennial Carol Dawson and Roger Allen Polson present almost 100 years of history and never before seen photographs that track the development of the Texas Highway Department An agency originally created to get the farmer out of the mud it has gone on to build the vast network of roads that now connects every corner of the state When the Texas Highway Department now called the Texas Department of Transportation or TxDOT was created in 1917 there were only about 200 000 cars in Texas traveling on fewer than a thousand miles of paved roads Today after 100 years of the Texas Highway Department the state boasts over 80 000 miles of paved state maintained roads that accommodate more than 25 million vehicles Sure to interest history enthusiasts and casual readers alike decades of progress and turmoil development and disaster and politics and corruption come together once more in these pages which tell the remarkable story of an infrastructure 100 years in the making      **Journal of the Senate of the State of Ohio** Ohio. General Assembly. Senate, 1813      **The New Handbook of Texas** Ronnie C. Tyler, 1996 A reference guide to the history of Texas including biographical sketches of notable individuals histories of events themes counties cities and towns and descriptions of physical features with attention to the roles of women and minority groups      *The Outlook* Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1925      **Texas Department of Criminal Justice** , 2004      [Guide to U.S. Elections](#) Deborah Kalb, 2015-12-24 The CQ Press Guide to U S Elections is a comprehensive two volume reference providing information on the U S electoral process in depth analysis on specific political eras and issues and everything in between Thoroughly revised and infused with new data analysis and discussion of issues relating to elections through 2014 the Guide will include chapters on Analysis of the campaigns for presidency from the primaries through the general election Data on the candidates winners losers and election returns Details on congressional and gubernatorial contests supplemented with vast historical data Key Features include Tables boxes and figures interspersed throughout each chapter Data on campaigns election methods and results Complete lists of House and Senate leaders Links to election related websites A guide to party abbreviations      **Racial Dynamics in Early Twentieth-Century Austin, Texas** Jason McDonald, 2012-06-14 This pioneering study sheds new light on racial dynamics in the urban Southwest at a critical juncture in the history of the region and the nation It focuses upon the experiences of ethnoracial minorities particularly African Americans and Mexican immigrants in Austin Texas from the dawn of the Progressive Era to the onset of the Great Depression Through this lens McDonald explores the issues of migration proletarianization marginalization adaptation identity and community He reveals how in response to the exponential growth of the local ethnic Mexican population the white elite of the Lone Star State s capital adapted the city s bipartite system of segregation which had traditionally separated blacks from whites to incorporate Mexicans as a third and separate element neither black nor white As well as examining how African Americans and Mexican Americans responded to life in a racially stratified society McDonald

examines the often fraught relationship between these groups      **Texas True Crime Miscellany** Clay  
Coppedge, 2021-07-26 Outrageous acts of villainy have slowly drifted out of the national limelight and into the dustbin of  
Texas history Consider the uproar over the 1879 shooting of actor Maurice Barrymore in Marshall and the 1949 murder of oil  
field legend Tex Thornton in Amarillo The 1909 Coryell County Courthouse massacre committed by a sixteen year old girl  
remains just as shocking today For the long suffering associates of repeat offenders like Fort Worth s Flapper Bandit or  
Temple s International Man of Mystery notoriety couldn t fade quickly enough From the lawless days of the frontier to the  
rise of organized crime Clay Coppedge sifts through eighteen obscure case files to chart the evolution of crime and  
punishment in the state      **Journal** Ohio. General Assembly. House of Representatives, 1813

Yeah, reviewing a book **The Impeachment Of Jim Ferguson** could mount up your close associates listings. This is just one of the solutions for you to be successful. As understood, skill does not suggest that you have wonderful points.

Comprehending as well as concord even more than supplementary will present each success. neighboring to, the declaration as competently as perception of this The Impeachment Of Jim Ferguson can be taken as with ease as picked to act.
