The Importance Of Being Irish

Jonathan Mead

The Importance Of Being Irish:

The Importance of Being Irish Alan Bestic, 1969 *The Importance Of Being Irish* Jonas Jensen, 2008 **Redefining Irishness in a Globalized World** Yaqoub BouAynaya, 2024-09-19 Reimagining Irish identity on a uniquely intimate level this richly thoughtful work aspires to a more egalitarian society in Ireland Europe and beyond encouraging readers to rethink their own national identities in turn **Oscar Wilde's Aesthetic Education** Leanne Grech, 2019-04-06 This book focuses on the role that the Oxford classical curriculum has had in shaping Oscar Wilde's aestheticism It positions Wilde as a classically trained intellectual and outlines the path he took to gain recognition as a writer and promoter of the aesthetic movement This narrative is conveyed through a broad range of literary sources including Wilde's travel poetry American lectures and canonical works like *The Critic as Artist* *The Soul of Man* *The Picture of Dorian Gray* and *De Profundis* This study proposes that Wilde approached aestheticism as a personalised self directed learning experience a mode of self culture which could be used to maintain an intellectual life outside of the university It also explores Wilde's thoughts on education and considers the significance of male friendship at Oxford and in Wilde's life and literature **Oscar Wilde in Context** Kerry Powell, Peter Raby, 2013-12-12 Oscar Wilde was a courageous individualist whose path breaking life and work were shaped in the crucible of his time and place deeply marked by the controversies of his era This collection of concise and illuminating articles reveals the complex relationship between Wilde's work and ideas and contemporary contexts including Victorian feminism aestheticism and socialism Chapters investigate how Wilde's writing was both a resistance to and quotation of Victorian master narratives and genre codes From performance history to film and operatic adaptations the ongoing influence and reception of Wilde's story and work is explored proposing not one but many Oscar Wildes To approach the meaning of Wilde as an artist and historical figure the book emphasises not only his ability to imagine new worlds but also his bond to the turbulent cultural and historical landscape around him the context within which his life and art took shape **Ireland in the Life and Work of C.S. Lewis** David Clare, 2025-08-14 Even after he achieved world wide fame through books such as *The Lion* *The Witch* and *The Wardrobe* and *The Screwtape Letters* the Belfast born author C S Lewis often regarded as uncomplicatedly English by critics and the general public proudly and regularly described himself as Irish What's more he frequently incorporated Irish elements into his work This includes for example numerous allusions to Irish mythology the repeated employment of Hiberno English and Ulster Scots words and expressions and a preference for tropes frequently found in Irish and sometimes specifically Ulster Protestant writing **The Fourth Estate** Mark O'Brien, 2017-01-09 This book examines the history of journalists and journalism in twentieth century Ireland While many media institutions have been subjected to historical scrutiny the professional and organisational development of journalists the changing practices of journalism and the contribution of journalists and journalism to the evolution of modern Ireland have not This book rectifies the deficit by mapping the development of journalism in Ireland from the late 1880s to today Placing the experiences of

journalists and the practice of journalism at the heart of its analysis it examines for the first time the work of journalists within the ever changing context of Irish society Based on strong primary research including the previously un consulted journals and records produced by the many journalistic representative organisations that came and went over the decades and written in an accessible and engaging style The Fourth Estate will appeal to anyone interested in journalism history the media and the development of Ireland as a modern nation **Irish/ness Is All Around Us** Olaf Zenker,2013-04-01

Focusing on Irish speakers in Catholic West Belfast this ethnography on Irish language and identity explores the complexities of changing and contradictory senses of Irishness and shifting practices of Irish culture in the domains of language music dance and sports The author s theoretical approach to ethnicity and ethnic revivals presents an expanded explanatory framework for the social re production of ethnicity theorizing the mutual interrelations between representations and cultural practices regarding their combined capacity to engender ethnic revivals Relevant not only to readers with an interest in the intricacies of the Northern Irish situation this book also appeals to a broader readership in anthropology sociology cultural studies history and political science concerned with the mechanisms behind ethnonational conflict and the politics of culture and identity in general **THE IMPORTANCE OF BEING IRISH. BY ALAN BESTIC.** Alan Bestic,1969 **The**

Importance of Being Micheál Micheál Ó hAodha,1990 This memoir of MacLiamm ir traces the extraordinary transition from Alfred Willmore London child actor and artistic prodigy to Miche l MacLiamm ir doyen of the Irish stage **Women and the Irish Nation** J. MacPherson,2012-10-16 At the turn of the twentieth century women played a key role in debates about the nature of the Irish nation Examining women s participation in nationalist and rural reform groups this book is an important contribution to our understanding of Irish identity in the prelude to revolution and how it was shaped by women

The Things They Say behind Your Back William Helmreich,2017-09-29 In this groundbreaking book in the dim world of opinion formation Helmreich opens a closet bursting with skeletons and explores the myths and historical roots of stereotypes pertaining to several ethnic groups Are Jews really smarter What about rhythmical Blacks hard drinking Irishmen dumb Poles emotional Hispanics and all those cold artificial WASPs sipping inevitable dry martinis He discusses which stereotypes are false which are true how they originated and why some of the most libeled groups promote warped perceptions about themselves Helmreich has examined over four hundred scientific studies and combines hard facts with humor anecdotes and common sense in his courageous attempt to understand and explain stereotypes He contends that we should discuss this topic openly and recognize the tendencies and traits negative and positive that are rooted in a group s history and culture rather than pretend that there are no differences among the members of multiracial America **The Things They Say Behind Your Back** William B. Helmreich, Helmreich explores the myths and historical roots of stereotypes pertaining to several ethnic groups He discusses which stereotypes are false which are true how they originated and why some of the most libeled groups promote warped perceptions about themselves *The Reception of Oscar Wilde in Europe*

Stefano Evangelista, 2010-07-08 Comprehensive volume of international research on the European reception of Oscar Wilde

Proceedings of the 11th West Coast Conference on Formal Linguistics Jonathan Mead, 1993 **We Don't Know Ourselves** Fintan O'Toole, 2022-03-15 NEW YORK TIMES BESTSELLER NEW YORK TIMES 10 BEST BOOKS OF THE YEAR NATIONAL BESTSELLER The Atlantic 10 Best Books of 2022 Best Books of the Year Washington Post New Yorker Salon Foreign Affairs New Statesman Chicago Public Library Vroman's Like reading a great tragicomic Irish novel James Wood The New Yorker Masterful astonishing Cullen Murphy The Atlantic A landmark history Leavened by the brilliance of O'Toole's insights and wit Claire Messud Harper's Winner 2021 An Post Irish Book Award Nonfiction Book of the Year from the judges The most remarkable Irish nonfiction book I've read in the last 10 years A book for the ages A celebrated Irish writer's magisterial brilliantly insightful chronicle of the wrenching transformations that dragged his homeland into the modern world Fintan O'Toole was born in the year the revolution began It was 1958 and the Irish government in despair because all the young people were leaving opened the country to foreign investment and popular culture So began a decades long ongoing experiment with Irish national identity In *We Don't Know Ourselves* O'Toole one of the Anglophone world's most consummate stylists weaves his own experiences into Irish social cultural and economic change showing how Ireland in just one lifetime has gone from a reactionary backwater to an almost totally open society perhaps the most astonishing national transformation in modern history Born to a working class family in the Dublin suburbs O'Toole served as an altar boy and attended a Christian Brothers school much as his forebears did He was enthralled by American Westerns suddenly appearing on Irish television which were not that far from his own experience given that Ireland's main export was beef and it was still not unknown for herds of cattle to clatter down Dublin's streets Yet the Westerns were a sign of what was to come O'Toole narrates the once unthinkable collapse of the all powerful Catholic Church brought down by scandal and by the activism of ordinary Irish women in particular He relates the horrific violence of the Troubles in Northern Ireland which led most Irish to reject violent nationalism In O'Toole's telling America became a lodestar from John F Kennedy's 1963 visit when the soon to be martyred American president was welcomed as a native son to the emergence of the Irish technology sector in the late 1990s driven by American corporations which set Ireland on the path toward particular disaster during the 2008 financial crisis A remarkably compassionate yet exacting observer O'Toole in coruscating prose captures the peculiar Irish habit of deliberate unknowing which allowed myths of national greatness to persist even as the foundations were crumbling Forty years in the making *We Don't Know Ourselves* is a landmark work a memoir and a national history that ultimately reveals how the two modes are entwined for all of us *The Faiths of Oscar Wilde* J. Killeen, 2005-10-20 An original and energetic examination of the relationship between theology faith religious history and national politics in the works of Oscar Wilde which focuses in particular on his life long attraction to Catholicism Wilde's Protestant heritage is also scrutinised and its continued influence on him as well as his antagonism towards it is related to the narrative modes he chose and the

philosophical positions he adopted **The Shady Side of Fifty** Lisa Dillon, 2008-03-19 Concerns about aging old age security and intergenerational relations existed long before youth culture and falling fertility became such popular media topics Lisa Dillon uses an examination of the censuses of Canada and the U S to break new ground by integrating statistical analyses of the historical data with a discourse analysis of ideas about age and old age In *The Shady Side of Fifty* she explores the psychological social and economic dimensions of aging during a period of socio economic and demographic change that mirrors the present day Dillon uses the census as both a qualitative document and a source of quantitative data and also draws on diaries and letters to show how subtle shifts in the living arrangements of the elderly decreasing intergenerational interdependence and the advent of retirement and the empty nest changed the trajectory of old age during 1870 1901 *The Shady Side of Fifty* analyses these social shifts to reveal two different kinds of age anxiety facing a new decade and dealing with extreme old age **The Cambridge Companion to Harold Pinter** Peter Raby, 2009-03-19 Updated edition of this popular Companion examining the wide range of Pinter s work and his continuing impact and influence **LIFE** , 1963-06-21 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use
