The Importance Of The Local Church:

The Importance of the Local Church Daniel E. Wray, 1981-01-01 The features of a biblical local church and the importance of belonging *The Local Church* Edward Klink, 2021-10-27 How God Ministers to His People and the World through the Local Church The church is more than coffee with friends it is a meaningful gathering of Christians that involves fellowship and growing in biblical truth Given the rise of the internet and the availability of streaming church services many ministry leaders and church members are asking questions about the purpose and mission of the local church What is the church Why does the church exist How does the church function What is the connection between the Christian and the church Pastor and trusted scholar Edward Klink III addresses these questions and more with a thoughtful assessment of what the Bible has to say about God's intention for the local church body Klink stresses its importance as God's way of revealing his presence displaying his power fulfilling his purposes and manifesting his activity in the world In today's hyperindividualized culture this book not only demonstrates why it's vital for individuals to connect to a local church but also reveals why it's vital to God's work in the world

Four Views of Youth Ministry and the Church Wesley Black, Chap Clark, Malan Nel, 2010-01-05 Join the conversation as experts propose defend and explore Four Views of Youth Ministry and the Church In a dialog that often gets downright feisty four youth ministry academicians delineate their distinct philosophical and ecclesiological views regarding how youth ministry relates to the church at large and leave a taste of what's profound and what's not in these four typologies Inclusive congregational Malan Nel What happens when a church thoroughly integrates its adolescents making them full partners in every aspect of congregational life Preparatory Wesley Black Why and how should a church consider its teenagers as disciples in training and its youth ministry a school of preparation for future participation in church life Missional Chap Clark What does a church look like whose youth ministry does not necessarily nurture church kids but is essentially evangelistic Whose youths and youth workers are considered missionaries Strategic Mark Senter How feasible is it for a youth ministry to become a new church on its own the youth pastor becoming the pastor and the new church planted with the blessing of the mother church In Four View of Your Ministry and the Church solid academic writing and an inviting tone and design create a compelling text for both in the field practicing youth workers and undergraduates and graduate students

The Catholicity of the Church Avery Dulles, 1987-10-08 Avery Dulles well known for several previous works in ecclesiology including *Models of the Church* here surveys a theme that demands new treatment in the present global and ecumenical context He deals with questions that are vital for the identity of churches that designate themselves Catholic and for the relationship between these churches and Protestant forms of Christianity The prospects of Catholicism are realistically appraised The Catholicity of the Church reproduces in slightly revised form the Martin D Arcy Lectures delivered by Fr Dulles at Campion Hall University of Oxford In theology such as this the seeds of real unity between divided Christendom are being sown B L Horne This is a fine book providing a framework for fruitful dialogues among Christians of all traditions Journal of Theological Studies Expository Times This is a refreshing and challenging book and is of considerable ecumenical importance Oliver Rafferty The Month At the heart of ecclesiology is the concept of catholicity and in tackling the nature of the Church s catholicity Fr Dulles has courageously addressed himself to the crucial ecumenical question Roger Greenacre Theology doing honour to the memory of Martin D Arcy both for its realism and for its renewal of our sense of Catholicism Fergus Kerr The Tablet

Why on Earth Are There Churches? Michael R. Privett, 2012-08-21 After years of observation I have concluded that so many local churches function without regard to their God given biblical mission and objectives because of their unclear mission their unbiblical targets or their unbalanced objectives The Lord God has already given His church a clearly defined mission for the present age Yet so many local churches seem to function without understanding their biblical mission their God directed reason for existence while other local churches and their leaders have revised or even compromised their God given mission thinking that they know better than God Some churches disband Sunday school dismantle the choir and disassemble pews only to replace them with other programs and ideas that will become traditional soon enough Traditions customs and worship styles vary from culture to culture and from generation to generation Ive been in the gospel ministry long enough to have seen the pendulum swing back and forth a time or two So many ministries programs concepts and styles are not new but just repackaged Todays new fresh blended methods will become traditional to the next generation after a short period of time Too often we are more involved in following the latest fad than we are in striving to do all to the glory of God What really matters is whether you have presented a true and

accurate opinion and view of the nature and character of God so that others will praise and exalt Him to His worthy place of honor esteem and excellence

The Nature and Mission of the Church Jean-Marc Flückiger, This is an academic work of the highest quality but Jean Marc Flückiger presents it in a way that makes it very accessible far beyond academic circles It is a testament to his sharp intellect but even more to his love of God commitment to The Salvation Army and heartfelt dedication to the Church's mission in the world Henrik Andersen Territorial Leader of The Salvation Army Switzerland Austria Hungary Jean Marc Flückiger's book is a welcome reflection on the missionary impulse of Christian churches I found it particularly helpful to consider the interplay of the three main ingredients of mission namely worship of God community life and service to the world Christophe Chalamet Professor of Systematic Theology University of Geneva

Perspective John Witte Jr., Johan D. van der Vyver, 2023-12-11 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion Religious Human Rights in Global Perspective Religious Perspectives are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University *Religious Human Rights in Global Perspective* John Witte, Johan David Van der Vyver, 1996-02-09 *The Beginning of a Spirit-filled Church* Herman Hendrik van Alten, 2017-11-13 How does John Calvin view the church And how does the pivotal event of Pentecost influence his view on the church In his commentary on the Acts of the Apostles Calvin shows how Pentecost and the preaching of the Gospel gives rise to the church For Calvin the new and peculiar aspect of Pentecost is articulated by the phrases I will pour out and on all flesh Acts 2 17 The first phrase I will pour out leads to a discussion of the Holy Spirit who leads the church and the believers by the Word and his secret guidance All gifts flow from the Holy Spirit Therefore the study focuses on Calvin s view on the gifts of the Holy Spirit and on their use in church The author argues that the gifts of the Spirit are the basis of Calvin s interpretation of Christian church The second phrase on all flesh leads to a discussion of the inclusion of the Gentiles in the church The author treats different ecclesiology topics of importance He analyses the most important aspects of church that Calvin identifies in the book of Acts His reflections are aiming at a convincing theological appreciation of the sacraments in particular of the sacrament of baptism By addressing Calvin s thoughts as elements of his historical context and including contemporary impulses to these issues the author is able to present conclusive arguments for his main claim Calvin s commentary on Acts enriches and qualifies Calvin s own systematic ecclesiology as found in his main doctrinal work the Institutes *The Development of Vocational Stewardship among Indonesian Christian Professionals* Sutrisna Harjanto, 2018-07-31 Christian professionals through their daily work have important roles in God s mission However little empirical research has been done to understand their journey to connect their daily work with God s If the church of Jesus Christ is to have the transformational impact that the world needs then we must better understand our vocations from a biblical and missional perspective In this thorough study Dr Sutrisna Harjanto explores the formational elements of the integration of faith work and mission among Indonesian Christian professionals From detailed semi structured interviews with twenty eight participants this study provides deeper insight into the development of vocational stewardship and the role of empowering relationships and communities Through careful analysis and evaluation the resulting book is an educational perspective on the theology of work and mission beneficial for those in positions to equip and support Christian professionals as they work to fulfil God s mission through daily work **The Local Church** Edward W.
