The Inbetween London Frost, 2019-05-20 In a world where magic is real technology is alive and Gods exist Jayne Liam and Sean must destroy the lies of their past to save the world before it crumbles under the weight of a dystopian prophecy A prophecy they were always destined to fail In the wake of Pearl Harbor SPOOK intelligence has discovered that the pilots involved in the attack were given a drug called Nirvana A drug created by harnessing the powers of gifted humans Having fought in dozens of wars on hundreds of battlefields Sean McPhail a squad leader for the Royal Air Force is called into action to

unearth the truth As Sean is forced to shed his human guise and accept his destiny Jayne Foster continues to feel helplessly responsible for her father s death Desperate to protect her loved ones Jayne fell off the grid but apparently not far enough Clarke a faction within SPOOK has discovered she exists Using her father s cold case as leverage Eric Miller a Clarke agent convinces Jayne to join him as they look into her father s murder While Jayne tumbles down a rabbit hole of peculiar beings murderous aberrations and prophetic trains Liam Reed an assassin for The Book Club must face a different world Believing so blindly in the club s ideals Liam followed every order without question without hesitation and without remorse Until he was given an order he couldn t follow The morals he believed in for so long were shattered under a twisted mass of deceit forcing Liam to turn against the only family he s ever known In an act of defiance Liam must choose to save another life over his own The Book Club however has other plans for all of them Deep down in the depths of Fort Carroll lies one of SPOOKS most treacherous prisons housing some of the most dangerous criminals in the multiverse After years of planning and preparation the Club has threatened to enact Protocol Thirteen which will release hundreds of convicts upon the world unless Jayne and her new friends can stop it

The In-between Jack Meyer,1992-01-01 The IN BETWEEN traces the development of consciousness then self consciousness from its earliest beginnings in primitive life to its complex manifestation in the late 20th century The central focus is to describe the tremendous force that is thinking as that thinking has gone about the task of building the world in which we live The consequence of this historical philosophical presentation is to be able to systematically describe the power of self responsibility as that power lies at the center of human reality The global possibility of this is of course world peace Not being prejudiced by the naturalistic bias of modern science the work is able to achieve insight from the perspective of a more encompassing attitude Expressed somewhat differently spanning the ages from the time of the man sitting by his fire considering his broken spear to the present time of opportunity global re consideration there is to be told the story of humanity coming to know itself of consciousness learning to expand beyond temporary limitations The possibility of peace is at the same time the opportunity in which to comprehend this expanse of humanity to an extent never before imagined But little is done without the person world peace becomes possible only when one has already found peace within oneself THE IN BETWEEN is an impassioned portrayal of human life from the point of view of the good is written with enthusiasm deep conviction Address orders to CSU Publications P O Box 11701 Green Bay WI 54307 1701 414 496 8764 available April 1992 22 00 cloth

Terror Management agents Gann and Somerfield are some of the best but this new investigation will test their limits as it leads them through a twisting conspiracy that stretches between dimensions and into a sinister battle of cosmic proportions On September 11 2001 a mysterious spacecraft of unknown origin dubbed WTF432 appeared in Earth's orbit and fired a beam of energy striking the planet's surface In the aftermath dimensional fractures or rips in space time appeared throughout the world These rips expel torrents of reality distorting energy and are used by malevolent entities to travel between dimensions The Terror Management Agency TMA was formed to track investigate and contain rip related phenomenon In this dimension this was the defining moment of 2001 the twin towers never fell Now the long dormant WTF432 is active again transmitting a signal to a remote town in California's Mojave Desert The TMA sends bright and earnest Charley Gann and her razor witted partner Saoirse Free Somerfield to investigate Eyewitnesses are reluctant to talk local law is evasive and the only evidence is a meandering trail of blackened footprints leading into the badlands The In Between follows our pair of reluctant heroines as every clue reveals another layer exposing a cosmic struggle for control amongst a clandestine energy company a doomsday cult and the trans dimensional entity they worship **In Between Two** Matthew P Lodge, 2022-09-09
