**Radical Golf** Michael Laughlin, 2011-05-18 The next time you play golf leave your woods at home putt with your 2 iron and you will be on your way to shooting in the 70s Sounds radical Well you re right on par Golf enthusiast Michael Laughlin whose day job is in the film business reveals his proven but completely radical strategies that average golfers can use to dramatically lower their score In Radical Golf Laughlin rethinks how the game of golf is traditionally played and shares his surprising and innovative ideas on how to play better golf Unlike the usual technique riddled golf books Radical Golf offers practical and easy to use tips and is written for the legion of average players who will never have the long crunching power game of the professional Golf is not a linear game insists Laughlin and Scoring is definitely not related to advancing the ball as far as possible on each shot In this fun and accessible book the radical golfer contends for example that players should approach the pin much like basketball players maneuver to shoot a basket by striving to shoot from their best or sweet spot on the court Laughlin also suggests that golf should be played as two separate games of tee to green and putts and that golfers should keep a separate scorecard for their putting game Equally radical Radical Golf calls for using a 2 iron for putts rather than the dreaded putter

the loft of the 2 iron matches the putter Calamity Jane of legendary golfer Bobby Jones Hole by hole sensible shot after sensible shot Radical Golf simulates a round of golf with a pro to show how a radical golfer can stay within strokes of par play Written in a witty and easy to understand style with entertaining sidebars and line drawings Radical Golf will revolutionize how golf is played both on and off the course Most of all Radical Golf will increase the enjoyment of playing this great and challenging game Radical Golf is just the book that could become the bible of the weekend golfer **Lowest Score Wins** Erik Barzeski, David Wedzik, 2014-06-12 Golf is unique it s the only sport in which the Lowest Score Wins Golfers have been inundated for years with advice and sayings intended to help them shoot lower scores like spend 50% of your time practicing your putting or you ve got to be in the short grass What if we told you that most of this popular advice was not true at all That these myths are holding you back from reaching your potential and shooting the lowest score possible That putting might be the least important skill in golf that driving the ball far is much more important than driving it straight and that Phil Mickelson might just be the best strategist on the PGA Tour Lowest Score Wins is NOT your classic golf book We show you the new way to shoot lower scores immediately You ll learn to use something called Separation Value to guide your practice and how you can use Shot Zones to help you determine your GamePlan for every shot you play You ll discover why typical course management strategy fails hint it only covers half of the equation This book is the first of its kind It is your own personal roadmap to shooting lower scores tomorrow What are you waiting for What Every Average Golfer Ought to Know Team Golfwell, 2017-09-30 If you want to lower your golf score you ll love this book This also is the perfect gift for the golfer in your life This very useful book is for the average golfer and contains 54 proven ways to lower a golfer s score quickly and easily He doesn t have to research the mass of golf instruction available as this one book has 54 steps which will definitely lower his score like useful short game techniques increasing the angle of attack when driving the ball easy ways out of bunkers having dry sand or wet sand etc This is not a gift which will create a lot immediate excitement Rather it is a very useful gift which will keep on giving since the golfer will learn better scoring techniques and will love you for this as he learns and realizes new techniques to play better with lower scores His golf confidence will increase he ll gain more respect for his own ability to play better golf The golfer will learn How to improve his short game and putting How to improve his mental game which is 90% of the game How to drive a ball 10 to 15 yards further than what he normally does Simple techniques to score better most golfers will never know He ll enjoy all of these 54 tips in one place which makes it easier and more convenient to play better Get a great gift for him that he ll continue to enjoy Tags sports quotes sports quotations sports book sports gift golf funny gifts funny golf gifts golf humour golf humor golf accessories golf quotes golf club book golf book golf books golf books for men golf books for women golf gifts for men golf gifts for women best learn golf books learn how to play golf book golf jokes golf gifts for men desk golf gifts for grandpa golf gifts for men indoor golf gifts for men under 20 retirement golf gifts best golf gifts for men best golf gifts for women learn golf professional golf instruction books
