Cunningham OP, 2010-02-01 The proper study of mankind said Alexander Pope is man an apt summary of the spirit of his age of rationalism All of Christian tradition protests against this mockery of the true state of things divine revelation contradicts it outright a just philosophy recoils from so limited an approach to reality That distilled wisdom of Catholicism which is theology knows one subject and one subject only God But theology first considers God as he is the cause of all things and their exemplar in this vision it considers all of reality which is more true in divine thought than when seen directly in itself Now the theologian turns to study God as he is the end and perfecting goal of creatures in their return to him from whom they first came forth in particular he will study the creature who alone holds the reins of his own conduct man from the Introduction This edition is a scanned facsimile of the original edition published in 1959 by Priory Press **Annual Report of the Secretary of the Interior for the Fiscal Year ...** United States.
