**The International Monetary Fund 1966-1971** International Monetary Fund, 1996-02-29 IMF economists work closely with member countries on a variety of issues Their unique perspective on country experiences and best practices on global macroeconomic issues are often shared in the form of books on diverse topics such as cross country comparisons capacity building macroeconomic policy financial integration and globalization **Ideology and the International Economy** R. Leeson, 2003-09-09 For twenty five years the International Monetary Fund administered a worldwide system of fixed exchange rates until their system was destroyed by a combination of market forces and those who advocated market forces The first destructive element has been extensively analyzed the second has hitherto been almost completely ignored Robert Leeson examines the process by which the case for flexible exchange rates was transformed from an academic exercise to become the organizing principle for international monetary relations IMF History (1972-1978), Volume 1 International Monetary Fund, 1996-02-29 IMF History 1972 1978 Volume 1 **Recueil Des Cours, Collected Courses, 1982** Académie de Droit International de la Haye, Académie de Droit International de la Ha, 1982-12-31 *The Administration of Debt Relief by the International Financial Institutions* Leonie F. Humphreys, 2011-05-01 In its more than 65 years of existence the International Monetary Fund has evolved from a small obscure international agency with new and uncertain responsibilities into a powerful institution that today has assumed center stage in the international monetary system It is a remarkable story of how an institution has developed and adapted itself to an evolving world and a changing membership in ways that perhaps no other international agency has been forced or able to do The third edition of the Historical Dictionary of the International Monetary Fund provides a comprehensive overview of the fund including a

chronology an introductory essay appendixes a bibliography and over 300 cross referenced dictionary entries on the organizations significant leaders founders and members This book is an excellent access point for students researchers and anyone wanting to know more about the International Monetary Fund      **Globalization and the Nation State** Stephen Kosack,Gustav Ranis,James Vreeland,2004-08-02 This book brings together an international team of contributors to assess the political economy of the IMF and World Bank programs Contributors include Stephen Coate Stephen Morris Ravi Kanbur and Allen Drazen      Balance of Payments Adjustment, 1945 to 1986 Ms.Margaret Garritsen De Vries,1987-03-15 Written by Margaret Garritsen de Vries former Historian of the IMF the book describes the policies and activities the IMF has pursued in helping members achieve balance of payments adjustment Separate treatment is given to industrial and developing countries since their balance of payments problems have differed As examples Japan France the United Kingdom Colombia and Mexico as discussed      Studies of IMF Governance Ruben Lamdany,Leonardo Martinez-Diaz,2009-07-27 The papers in this volume draw on background work done in preparation for the study Governance of the IMF An Evaluation Independent Evaluation Office International Monetary Fund May 28 2008 available at <http://www.ieo.imf.org> This compilation presents in one collection the most recent work to date on the subject of governance of the IMF and contributes to the ongoing dialogue on how best to strengthen the governance of this important global institution Good governance can contribute to the IMF's legitimacy by ensuring appropriate voice and representation for the membership by allowing the Fund to fulfill its mandates effectively and efficiently and by facilitating accountability for relevant stakeholders Three main conclusions follow from the studies in this volume First to strengthen its legitimacy and effectiveness the Fund needs greater higher level and more transparent involvement of member country authorities in its governance Second the Board needs to play a stronger role in strategy development and oversight which requires a shift away from the day to day business of the organization Finally there are significant accountability gaps that need to be addressed if the IMF is to remain effective and regain legitimacy
