

THE COMPACT
Treasury
of
Inspiration

— persistence.

Persistence can succeed where all else fails. An old Arabic verse which hangs on my office wall eloquently describes the role persistence plays in the realization of any goal or ambition:

Nothing in the world can take the place of persistence.

Talent will not; nothing is more common than unsuccessful men with talent.

Genius will not; unrequited genius is almost a proverb.

Education will not; the world is full of educated derelicts.

Persistence and determination alone are omnipotent.

The slogan "Press On," has solved and always will solve the problems of the human race.
