Work-Life Balance in Higher Education Bruce D. McDonald III, William Hatcher, 2022-09-05 This book explores the issue and struggle of work life balance in higher education It provides a rare opportunity to shape the conversation surrounding work life balance in academia and provide a venue for dialogue around balance that had previously been forced into secret The challenges that surround work life balance are something that we must all confront but they are also something that is rarely discussed within academia Faculty and graduate students face increasing demands to publish while also being expected to effectively teach and engage in service to both the university and the community The demands of an academic career have been cited as a reason for faculty and students to leave the academy but they have also been tied with rising rates of depression throughout the community Concerns about balance have led to challenges in recruiting diverse students and faculty for academic careers Each chapter explores how faculty and graduate students have sought and found balance The research included in this book is by leading scholars who discuss the challenge for academia to pay attention to the cultures and policies that may improve or hinder work life balance The chapters in this book were originally published as a special issue of Journal of Public Affairs Education

Internal Affairs K.L. Butler, 2013-11-11 This book is not written for posterity It is meant to constitute part of

my contribution to a continuing debate at the intersection of the philosophy of mind the philosophy of language epistemology and the philosophy of cognitive science The debate is over how mental states are individuated Many philosophers call them externalists or anti individualists believe that the individuation of mental states requires appeal to an individual s social and or physical environment I am not among them I am an internalist or individualist This book attempts to show that the leading proponents of externalism make a lot of mistakes in defending their view This is either because the view is false so any defense of it is bound to make some mistake or another or it is because the people defending externalism have not been very careful or both I have included some introductory material so that those not already familiar with the issues involved might nevertheless gain entry into the debate The intended audience however consists in those professional philosophers and students of philosophy who are already familiar with and interested in the question of how mental states are individuated I do not spend much time trying to motivate an interest in this issue Like all philosophy it is interesting and worthwhile if one is blessed or cursed with the appropriate kind of intellectual curiosity Those who do not meet this requirement proceed at their own risk

Mindful Social Studies Tori K. Flint,Natalie Keefer,2022-08-16 Mindful Social Studies Frameworks for Social Emotional Learning and Critically Engaged Citizens situates the field of social studies education as uniquely poised to integrate anti racist equity and asset based pedagogies with contemplative mindfulness based strategies to promote the knowledge skills and dispositions students need to be effective citizens Students Social Emotional Learning SEL hinges upon their experience s engaging in authentic learning that strengthens cognitive skills including critical thinking self awareness reflection compassion empathy and perspective taking In this volume the co editors have curated reflective K 16 practitioner style research focused and theory based chapters that explore social justice orientated contemplative pedagogies as well as mindfulness related frameworks and strategies for teaching social studies and the social and behavioral sciences In this book chapter authors explore ways of cultivating specific mindfulness related social studies dispositions and transformative rationales and approaches for critical mindfulness and SEL based on compelling arguments for meeting the needs of students families and educators in a dynamic and increasingly diverse society

Adobe InDesign CS4 on Demand Steve Johnson,Perspection Inc.,2008-12-11 Adobe InDesign CS4 on Demand What you need when you need it Need answers quickly Adobe InDesign CS4 on Demand provides those answers in a visual step by step format We will show you exactly what to do through lots of full color illustrations and easy to follow instructions Inside the Book Improve publishing and productivity with the CS4 interface Browse organize and process files using Adobe Bridge Manage pages and books to keep track of your documents Transform and reshape objects to create a new look Create text and apply style to display artistic text Use libraries and create snippets to reuse your work Create interactive PDFs for use on the web Create output for commercial print purposes Bonus Online Content Register your book at queondemand.com to gain access to Workshops and related files Keyboard shortcuts Visit the author site perspection.com
