Pompadour Rosamond Hooper-Hamersley,2011-05-31 This book recasts the import of Mme de Pompadour as a political and artistic patron at the court of Versailles in mid eighteenth century France Pompadour s visual record is lush and the memoirs diaries correspondence and political records are fecund examples of the weight she carried In them she dazzles and impresses offering both a passionate and intellectual view of the tumult that characterized pre revolutionary France This extensive body of evidence supports the argument that her place on the balance sheet has been overlooked We find Pompadour simultaneously in multiple spheres of influence including the political arena the France Academy of Painting and Sculpture and the larger art public and finally within the Enlightenment advocating the ideas expressed by its principal proponents In 1745 Pompadour reigned as the new Favorite of Louis XV and kept company with him as a mistress for nearly five years She was beset by physical infirmities and exhausted by the king s insatiable appetite Pompadour instituted a striking transition in 1750 from mistress to friend effecting an iconographical rehabilitation and positioning herself as an indispensable power broker within political and cultural spheres until her death in 1764 This book stimulates the audience to sit up and take notice of Pompadour s worth and measure She is a fabulously engaging and magnetic individual whose particular influence contributed to the shifting landscape of France inching slowly toward revolution This work overturns prevailing views of Pompadour s detractors who blind us to her import as an agent not an object of change Here we find a nuanced image of Pompadour through a careful examination of archival and printed sources and the art that she patronized collectively revealing the charismatic breadth of her contributions As she declared unapologetically I am stubborn in the service of the King and I won t hold back in anything The historical timeline of France from 1745 to 1764 bears the unforgettable i

[The Works of the Enemy\(Satan and His Demonic Forces\)](#) Robert Antwi,2015-03-12 Satan and his forces are waging a war against humanity but the sad thing is many Christians are not aware of the extent of this warfare This a spiritual warfare and the Bible teaches a lot about the works of the enemy and the spiritual warfare so I decided to write on this topic to bring light to what Satan and his forces are doing in this world The works of the enemy what Satan and his demonic forces are doing are well outlined in this book and I have backed every work of the enemy with the Word of God Satan and his forces are working twenty four hours a day seven days a week four weeks a month and twelve months a year They work all the year without any vacation The major work of the enemy is to get Christians to sin against God and to diminish their faith in God In the world Satan is using money sex and power to keep many people from knowing God through his Son Jesus Christ Money is the root of all evil so many evil and untold hardship come to fruitful in the name of money Satan and his forces are working in all the four corners around the world to keep people away from knowing God One may be praying on a topic for a long time without any answer then the enemy will tell you that your God cannot answer your prayers and if you listen to the enemy then your faith in God will diminish Whatever God hates is what Satan loves for example God says I hate divorce and Satan will say I love divorce Satan may keep you not only in poverty but in debt Satan may take away

your health which may come along with sadness and depression Satan is crafty and cunning so we may only attack him in the name which is above any other name in heaven or on earth or under the earth which is Jesus Christ As you read on you are going to see how the enemy is fighting the spiritual warfare with his demonic forces The Bible tells us how Christians will be able to wage this spiritual warfare against Satan and his forces Looking at Ephesians 6 1217 For we wrestle not against flesh and blood but against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Wherefore take unto you the whole armour of God that ye may be able to withstand in the evil day and having done all to stand Stand therefore having your loins girt about with truth and having on the breastplate of righteousness And your feet shod with the preparation of the gospel of peace And above all taking the shield of faith wherewith ye shall be able to quench all the fiery darts of the wicked And take the helmet of salvation and the sword of the Spirit which is the word of God Christians are to put on the armor of truth righteousness the gospel of peace faith helmet of salvation and the Word of God in order to wage the spiritual warfare against Satan and his forces This will be more explained as you read on It is my prayer that you will be able to know more about the works of the enemy and be able to pray effectively to destroy the works of the enemy in your life and the world around you **The New Age** ,1921
