N. E. MacDougald, 2019-10-29 The Apocalypse could arrive at any moment but with *Surviving the Apocalypse* you'll be well prepared and well trained enough to survive any disaster even the end of the world as we know it. Being prepared for what's out there is important; you have to know what to do when everything falls apart. Knowing how to survive the end of the world as we know it will prepare you for anything and everything that could possibly go wrong. From packing the proper survival kit to surviving on the battlefield, being physically fit and coping in the event of a socio-economic collapse, *Soldier of Fortune* magazine along with N. E. MacDougald will make sure that you're never caught off guard in any situation, from natural and economic disasters to pandemics and civil unrest, even nuclear war. The purpose of this book is to provide the reader with real-world practical information that will help them to not only survive but thrive during a period that is likely not just another downturn in the economic cycle but, according to many experts, instead the beginning of a long downward slide and possibly the very peak in our 10,000-year experiment of civilization. While you may not plan on being in a war zone, you never know what will happen, so the best thing to always do is be prepared. Whether it's learning how to barter and haggle, how to get the proper camouflage, or how to choose the right weapon for any situation, MacDougald and *Surviving the Apocalypse* will give you the training and knowledge that goes into surviving any and every dangerous situation imaginable.
