The Idiots:

The Idiots Joseph Conrad, 2013-12-17 The Idiots was Joseph Conrad's first short story and it was written during his honeymoon 1896. Jean Pierre Bacadou returned from military service to find the family farm run down. He decides to take over from his aged parents. He gets married, his mother dies, and twin boys are born. The parents discover that the boys are retarded. Another son is born who is also retarded. As a reaction, Bacadou converts from a republican to Catholic royalist. The Idiots was published for the first time by The Savoy magazine in 1897. This magazine was established by rather controversial figures in what at the time was called the decadent movement which embraced the idea of art for art's sake. Oscar Wilde was another contributor. Joseph Conrad originally Józef Teodor Konrad Nalecz Korzeniowski was born in the Ukraine in 1857. With a strong passion towards the sea, Conrad served in French and British vessels during eight years. Today Conrad is generally regarded as one of the greatest writers of fiction in English, his third language. The Idiots integrates the collection Classics of World Literature developed by Atlantico Press, a publisher company present in the global editorial market since 1992. *The Idiot* John Bangs, 2019-07-28 *Report of the Royal Commission on the Care and Control of the Feeble-Minded* Great Britain. Examines the questions of what ethical bases are put forward by the novel, what faith issues and philosophical world views they derive from, and how, in terms of structuring and narration rather than simply thematically, they are presented in the novel. Through the concept of scripting, the author shows how the ethical becomes the foundation for the narratological in *The Idiot*.
