U. S. Army Special Warfare, Its Origins Alfred H. Paddock, Jr., 2002-04 Colonel Paddock traces the origins of Army special warfare from 1941 to 1952 the year the Armys special warfare center was established While the Army had experience in psychological warfare the major recent U S experience in unconventional warfare had been in the Office of Strategic Services a civilian agency during World War II Many army leaders trained and experienced in conventional warfare hesitantly accepted psychological warfare as a legitimate weapon in the Armys wartime arsenal but questioned the validity and appropriateness of the Armys adoption of unconventional operations The continuing tensions of the cold war and hostilities in Korea resolved the ambivalence in favor of coordinating in a single operation the techniques of both types of warfare Colonel Paddocks extensively documented work traces a portion of a brief episode in our Nations military hisotyr but an instructive one For the historian and military scholar it provides the necessary backdrop for understanding the subsequent evolution of the Armys special warefare capability For the national security policymaker it suggests the value of the innovative impulse and the need for receptivity to new ideas and adaptability to change John S Pustay Lieutenant General United States Air Force President National Defense University **The Intelligence Community** Tyrus G. programs such as those at Bletchley Park and OP 20 G therefore directly impacting the organisation and outcome of Anglo
