The Intercom Conspiracy:

The Intercom Conspiracy Eric Ambler, 2023-10-03 The unlikely hero of *The Mask of Dimitrios* returns in this intriguing affair to remember from the two time Gold Dagger Award winning author Kirkus Reviews starred review Eric Ambler first introduced the world to the historian and novelist Charles Latimer in his classic thriller *The Mask of Dimitrios* Now Latimer is back on assignment from his American publisher to find out just how the once frivolous international newspaper Intercom unleashed a major geopolitical scandal For Theodore Carter Intercom's hapless hard drinking editor everything changed when the journal was taken over by mysterious new owners Whoever they are they have access to classified information that they are determined to publish Soon agents from the world's superpowers are circling and as Latimer and Carter set about uncovering the source of the secrets they find much more than their careers are on the line *The Intercom Conspiracy, a Novel*, 1970

The Special Branch LeRoy Panek, 1981 The author has chosen seventeen of the most important or representative British spy novelists to write about He presents some basic literary analysis and criticism trying both to place them in historical perspective and to describe and analyze the content and form of their fiction **The Art of Indirection**

in British Espionage Fiction Robert Lance Snyder, 2011-07-25 In contrast to the classical detective story the spy novel tends to be considered a suspect somewhat subversive genre While previous studies have focused on its historical thematic and ideological dimensions this critical work examines British espionage fiction's unique narrative form which is typically elliptical oblique and recursive Featured works include eighteen novels by Eric Ambler Graham Greene Len Deighton John le Carré Stella Rimington and Charles Cumming most of which exemplify the existential or serious spy thriller Half of these texts pertain to the Cold War era and the other half to its aftermath in the so called Age of Terrorism *Alarms and*

Epitaphs Peter Wolfe, 1993 Examines both the differences and the continuity between the early and late work of American thriller writer Ambler and considers the five novels published under the name Eliot Reed that he wrote with Australian writer Charles Rodda Paper edition unseen 15 95 Annotation copyright by Book News Inc Portland OR *Gottfried Wilhelm Leibniz: Metaphysics and its foundations I* R. S. Woolhouse, 1994 *The Spy Story* John G. Cawelti, Bruce A.

Rosenberg, 1987-05 Why has the spy story become such a popular form of entertainment in our time In this fascinating account of the genre's evolution John G Cawelti and Bruce A Rosenberg explore the social political and artistic sources of the spy story's wide appeal They show how in a time of bewildering political and corporate organization the spy story has become increasingly relevant the secret agent hero expressing the feelings of divided and ambiguous loyalties with which many individuals face the modern world In addition to a general history of the genre Cawelti and Rosenberg present in depth analyses of the work of certain writers who have given the spy story its shape among them John Buchan Eric Ambler Graham Greene Ian Fleming and John le Carré *The Spy Story* also includes an extensive appendix featuring a literary and historical bibliography of espionage and clandestinity a list of the best spy novels and films a catalog of major spy writers and their

heroes and a selection of novels on espionage themes written by major twentieth century authors and public figures Written in a lively style that reflects the authors enthusiasm for this intriguing form The Spy Story will be read with pleasure by devotees of the genre as well as students of popular culture Book Finds, 3rd Edition Ian C. Ellis,2006-03-07 For the experienced collector or someone embarking on a new hobby this newly revised and updated edition of Book Finds reveals the secrets of locating rare and valuable books Includes information on first editions and reader s copies auctions and catalogs avoiding costly and common beginner mistakes strategies of professional book scouts and buying and selling on the Internet *A History of British, Irish and American Literature* Hans-Peter Wagner,2021-10-04 The third revised and enlarged edition contains discussions of British Irish and American literary works up to 2020 Focussing on outstanding writings in prose poetry drama and non fiction the book covers the time from the Anglo Saxon period to the 21st century The feature that makes this literary history unique among its rivals is the coverage of television web series as a particular form of postmodern drama The chapters on recent drama now contain detailed analyses of the development of TV and web series from Britain Ireland and America with extensive discussions of those series now considered classics In addition there are several major innovative features To begin with each century is introduced by a survey of the socio political and cultural backgrounds in which the literary works are embedded Furthermore extensive visual material more than 160 engravings cartoons and paintings has been integrated This visual aspect as well as the introductory sections on art for each century give the reader an excellent idea of the symbiosis between visual and literary representations Further innovative aspects include discussions of non fictional works from literary criticism and theory travel writing historiography and the social sciences analyses of such popular genres as crime fiction science fiction fantasy the Western horror fiction and children s literature footnotes explaining technical and historical terms and events a detailed glossary of literary terms chronological tables for British Anglo Irish and American literatures an updated cut off date 2020 extensive bibliography containing suggestions for further reading *The Schirmer Inheritance* Eric Ambler,2011-10-19 It wasn t anyone s idea of a glamorous first assignment at a white show law firm George Cary former WWII bomber pilot and newly minted lawyer was given the ignoble task of going through the tons of files on the Schneider Johnson case just to make sure nothing had been overlooked But as luck would have it George did discover something among the false claims and dead end leads that made this into more than just another missing heir to a vast fortune case And what he found would connect a deserter from Napoleon s defeated army to a guerrilla fighter in post war Greece and lead Cary himself into a dangerous situation where his own survival will depend more on what he learned in the army than anything he learned in law school **Poems in the Manner Of** David Lehman,2017-03-07 Best American Poetry series editor and respected poet David Lehman channels translates and imagines a collection of poems in the manner of and in homage to Emily Dickinson Shakespeare Yeats Robert Frost Gertrude Stein Rilke William Carlos Williams and others Poems in the Manner Of is an illuminating journey through centuries of writers that

continue to inspire new work today **A Dictionary of Writers and their Works** Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer s nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication *The Levanter* Eric Ambler, 2012-12-11 Winner of the Crime Writers Association Gold Dagger Award Syria 1970 Michael Howell has kept his family s Middle Eastern business enterprises going through a decade of takeovers war and revolution thanks in part to his office manager Teresa who is also his mistress One late night at the office they discover men working overtime producing unauthorized bombs for the Palestine Action Force Worse this guerrilla terrorist group is not deterred by their discovery rather they will enlist Howell and Teresa s unwilling help in carrying out their plan **Eric Ambler's Novels** Robert Lance Snyder, 2019-12-30 Eric Ambler s first six novels released between 1936 and 1940 quickly established his reputation as a master craftsman of intrigue and espionage narratives Far less often discussed are the twelve Cold War novels he published after an eleven year hiatus as a screenwriter between 1951 and 1981 This study argues that his entire corpus manifests late modernism s impulse toward a broadly social political and cultural critique of the times Ambler s fiction from the mid 1950s onward is also remarkable for its ludic turn as he assesses the self deceptions of an increasingly bureaucratized and media focused world blind to its own follies In these later works can be seen elements of what has come to be known as postmodernism though in his commitment to chronicling the juggernaut of modernity he remains a uniquely independent witness of what is now being called the long twentieth century **1000 Questions About Canada** John Robert Colombo, 2001-06-01 What are snow worms Are there more moose than people in the Yukon What is the meaning of the word Niagara Where will you find the world s largest perogy Does Elvis have a street in Ottawa named after him What was Pierre Elliott Trudeau s favourite snack food Which province was the last to shift traffic from the left hand side of the road to the right These are some of the questions that are asked and answered in 1000 Questions About Canada Every reader with an ounce or a gram of curiosity will find these intriguing questions and thoughtful answers fascinating to read and ponder This book is for people who love curious lore and who want to know more about the country in which they live *The Siege of the Villa Lipp* Eric Ambler, 2012-12-11 The Able Criminal as defined by noted criminologist Frits Krom strikes with no discernible pattern or method and flies below the radar of crime syndicates and law enforcement agencies alike He is virtually uncatchable but Krom is willing to try He knows that Paul Firman the director of an ostensibly legitimate international investment firm is in fact an expert in tax avoidance and a textbook Able Criminal Surprisingly Firman agrees to submit to an interview with Krom and his two colleagues at his

secluded villa on the French Riviera He is more than a little curious about what they really want from him and confident he can avoid implicating himself But it soon becomes evident that the host and his guests are under siege by a third party one whose motives and violent intentions are unclear If they are to survive the criminal and the criminologists will have to band together The Siege of the Villa Lipp is a classic Eric Ambler tale of suspense in which a man thrust into a high stakes situation far outside of his usual expertise finds himself at the mercy of forces beyond his control

Spy Fiction, Spy Films and Real Intelligence Wesley K. Wark, 2013-09-13 This book won the Canadian Crime Writers Arthur Ellis Award for the Best Genre Criticism Reference book of 1991 This collection of essays is an attempt to explore the history of spy fiction and spy films and investigate the significance of the ideas they contain The volume offers new insights into the development and symbolism of British spy fiction
