The Post-racial Society is Here Wilbur C. Rich,2013 In a provocative and controversial analysis Wilbur C Rich s *The Post Racial Society is Here* conclusively demonstrates that nation is in midst of a post racial society although many Americans are skeptical of this fundamental social transformation Using the findings of historians and social scientists this book outlines why the construction and deconstruction of the race based society was such a difficult and daunting enterprise Rich also alerts the reader to the unprecedented progress made and why the forces of the new global economy demand that we move faster to make society more inclusive *It Can'T Happen Here, A Novel* Lewis, Sinclair,2021-01-01 *It Can t Happen Here* by Sinclair Lewis In this thought provoking novel Sinclair Lewis paints a chilling picture of a fictional America on the brink of dictatorship Set during the Great Depression the story follows the rise of a charismatic and authoritarian politician who manipulates fear and promises radical change As the country succumbs to tyranny ordinary citizens are forced to confront their own complacency and the dangerous consequences of unchecked power Key Aspects of the Book *It Can t Happen Here* Social and Political Commentary Lewis uses the novel as a platform to offer incisive commentary on the dangers of demagoguery the erosion of democratic values and the vulnerability of society to authoritarian rule Character Development

Relevance and Warning: Despite being a work of fiction, *It Can't Happen Here* serves as a cautionary tale with enduring relevance, reminding readers of the importance of vigilance and safeguarding democratic institutions.

Sinclair Lewis (1885–1951) was an American novelist and playwright known for his satirical and critical portrayal of American society. He was the first American to be awarded the Nobel Prize in Literature (1930). Lewis was a prolific writer, and his works often tackled social, political, and cultural issues of his time. *It Can't Happen Here* exemplifies his keen insights into the human condition and his ability to use fiction to address pressing societal concerns.

IT CAN'T HAPPEN HERE (Political Dystopia) Sinclair Lewis, 2024-01-15

In *It Can't Happen Here*, Sinclair Lewis presents a chilling political dystopia that serves as a prescient warning against the fragility of democracy. Through sharp satire and vivid narrative, he explores the rise of a fascist regime in America, led by the populist rhetoric of a character reminiscent of real-life tyrants. Lewis's prose is incisive, employing a blend of humor and stark realism that compels readers to confront the uncomfortable truths about their society. The book critiques the complacency and apathy of the American populace, illustrating how ordinary citizens can become complicit in the erosion of their freedoms.

Sinclair Lewis, a Nobel laureate and prominent figure of American literature, was deeply influenced by the political climate of the 1930s, following the Great Depression and the rise of totalitarian regimes abroad. As a keen observer of societal trends, his own experiences with small-town life and the pulse of American culture informed his depiction of the unsettling and plausible descent into autocracy. Lewis's own activism and disdain for political corruption are reflected in this cautionary tale. *It Can't Happen Here* is not just a novel but a timeless discourse on the themes of power, fear, and societal responsibility. It is essential reading for anyone who values democracy and wishes to understand the potential vulnerabilities within their own political system. Lewis's work resonates profoundly in today's world, making it a crucial addition to any thoughtful reader's library.

The Cinema of Discomfort Geoff King, 2021-10-07

How do we understand types of cinema that offer experiences of discomfort, awkwardness, or disquieting uncertainty? This book examines a number of examples of such work at the heart of contemporary art and indie film. While the commercial mainstream tends to offer comforting viewing experiences or moments of discomfort that exist largely to be overcome, *The Cinema of Discomfort* analyses films in which discomfort is offered in a sustained manner. Cinema of this kind confronts us with material such as distinctly uncomfortable sexual encounters. It invites us into uncertain relationships with awkward and sometimes unlikable characters. It presents us with challenging behaviour or what are presented as uncomfortable realities. It often refuses information on which to base judgments. More discomfortingly, cinema of this kind tends to provoke uncertainty at the level of what emotional responses we are encouraged to have towards difficult, sometimes controversial characters or events. *The Cinema of Discomfort*

examines a number of case studies including Palindromes by Todd Solondz US and Dogtooth from Yorgos Lanthimos Greece along with other examples from Austria Sweden the UK the US and Germany Offering close textual analysis of the manner in which discomfort is generated it also asks how we should understand the appeal of such work to certain viewers and how the existence of films of this kind can be explained as products of both their socio cultural context and the more particular institutional realms of art and indie film

The Great Meadow Brian Donahue,2004-01-01 In *The Great Meadow* Brian Donahue examines the farming practices of the early settlers at Concord in Massachusetts He argues against the long held belief that these farmers used methods that degraded the land shows how the Concord community in fact achieved a successful sustainable system

Alexandra Lycophron,2015 The *Alexandra* attributed to Lykophron is a minor poetic masterpiece At 1474 lines it is one of the most important and notoriously difficult Greek poems dating from the Hellenistic period most likely the early second century BC Most of the poem purports to be a prophecy by the mythical Trojan princess Cassandra the most beautiful of the daughters of King Priam and her prophecy ranges from the Trojan War to the Roman defeat of Macedon in 197 BC which took place in the poet s own time The poem s importance arises from the light which it sheds on Greek religion in particular the role of women on foundation myths and myths of colonial identity and on local especially Italian cults and cult places The difficulty of the poem stems from its unusual vocabulary many words of ancient Greek are found only in this poem and the riddling and indirect way in which most of the many mythological characters are introduced As well as providing the Greek text in full and its English translation this volume provides the first ever full length commentary in English on the poem

Contemporary Chinese Cinema and

Visual Culture Sheldon Lu, 2021-07-15 Honourable Mention Best Monograph Award BAFTSS Publication Awards 2022

Sheldon Lu's wide-ranging new book investigates how filmmakers and visual artists from mainland China, Hong Kong, and Taiwan have envisioned China as it transitions from a socialist to a globalized capitalist state. It examines how the modern nation has been refashioned and reimagined in order to keep pace with globalization and transnationalism. At the heart of Lu's analysis is a double movement in the relationship between nation and transnationalism in the Chinese post-socialist state. He considers the complexity of how the Chinese economy is integrated in the global capitalist system while also remaining a repressive body politic with mechanisms of control and surveillance. He explores the interrelations of the local, the national, the subnational, and the global as China repositions itself in the world. Lu considers examples from feature and documentary film, mainstream and marginal cinema, and a variety of visual arts: photography, painting, digital video, architecture, and installation. His close case studies include representations of class, masculinity, and sexuality in contemporary Taiwanese and Chinese cinema; the figure of the sex worker as a symbol of modernity and mobility; and artists' representations of Beijing at the time of the 2008 Olympics.
