Cheung,2009-12 I believe in causal connection I am convinced that I was a S O B in my previous life and had hurt lots of women This life is to repay some of the debts Thus the reason of the book It is to help to free the hundreds of millions of women who are still under the control of men For millennia women have been men's prisoners and slaves Slavery of women is still going on in many countries The book traces the slavery to its very beginning and identifies the one tool men have been using to imprison them It was a recent event measured in evolutionary scale Knowing the when and the how will enable the ultimate liberation of all women Though a stronger sex there is one universal womanly weakness It is an innate sense of insecurity This weakness however was a must for the survival of our species during the past millions of dark years Women today have no more need to feel insecure But it is still there playing harmful psychological game to women To know this insecurity is to allow women to deal with it effectively The book also points out the many potential traps and downfalls to women The most damaging trap for women is religion All religions treat women as second class citizens The other is to have children They are career killers Getting married is also a bad idea 50% of the marriages in North America end up in divorce and most are initiated by women Statistics don't lie W O M A N is an acronym for world of man ain't nice Our world is a mess wholesale environmental deterioration wars over population and poverty are rampant They are mostly man made by the male gender that is Our only hope is woman The misery won't end as long as men are allowed to run our world Women are our saviors But women can't save the world without a tool The tool is moral selfishness which is the other central message of the book Thank you      Mort Gerberg on the Scene Mort Gerberg,2019-02-06 Fantagraphics Underground is proud to present a 50 year retrospective of cartoonist Mort Gerberg whose social justice minded and biting funny cartoons have appeared in magazines such as The Realist The New Yorker Playboy and the Saturday Evening Post Covering the fiery Women's Marches of the 60s the infamous 68 Democratic National Convention and more this collects the best of Gerberg's on the scene reportage sketches
