Skye Laurel:

Skye Laurel Krista Janssen, 2015-12-15 Passions blaze on the high seas as Krista Janssen's highly acclaimed series unfolds from the antebellum South to exotic Morocco then a return to the windswept Isle of Skye Laurel Caldwell drawn to her ancestral home in Scotland sails from the security of her sheltered upbringing in Louisiana only to encounter for the second time the devilishly attractive former pirate with whom she had danced at a ball in her youth Opposed to slavery wanting to manage her father's shipping business Laurel rebels against the suffocating rules of Southern society A mature and jaded former privateer Cheyne Sinclair lives a lavish lifestyle in Morocco but he is a lonely man and has never forgotten the lovely Southern belle who once scorned him in Louisiana Then fate brings them together to face adventure danger and a love worth fighting for a destiny they must claim despite all odds *Skye Laurel* Krista Janssen, 1997 From the author of *Skye Lakota* and *Skye Legacy* comes the conclusion to her romantic trilogy Cheyne Sinclair will never forget the night he danced with Laurel Caldwell But he's a marked man a bastard Scot who lacks everything that is Laurel's birthright Yet fate has brought them together and winning Laurel's heart is worth the fight Tin Camp Road Ellen Airgood, 2022-06-07 Chosen as the Library of Congress's Great Reads from Great Places Michigan selection for 2023 Moving and brave People Set against the wide open beauty of Michigan's Upper Peninsula a wise big hearted novel in which a young single mother and her ten year old daughter stand up to the trials of rural poverty and find the community they need in order to survive Laurel Hill and her precocious daughter Skye have always been each other's everything The pair live on Lake Superior where the local school has classes of just four children and the nearest hospital is a helicopter ride away Though they live frugally eking out a living with Laurel's patchwork of jobs their deep love for each other feels like it can warm them even on the coldest of nights What more do they need One otherwise normal afternoon their landlord decides to evict them in favor of a more profitable summer rental and without any warning they are pushed farther to the margins Suddenly it feels like the independence that has defined them is a liability And when a dangerous incident threatens to separate them Laurel and Skye must forever choose will they leave the place they love and the hardscrabble life they've built to move closer to civilization or risk everything to embrace the emptiness and wildness that has defined them What follows is an uplifting profoundly moving story about a mother and daughter fighting for each other against all odds as they learn to build community and foster the resilience that will keep them alive **Legendary Locals of Arcata, California** Kevin L. Hoover, 2013 Perched on a hilly clearing between the Pacific Ocean and a rainforest along California's coastal highway Arcata occupies a special niche behind the Redwood Curtain A cultural and geographic crossroads Arcata's story is told in the faces of its people The Wiyot were the first to inhabit Kori their massacre on nearby Indian Island was boldly condemned by young Arcata then Union newspaper editor Bret Harte Austin Wiley and sons carried on the newspaper tradition as pioneers Zelia Vaissade and Henrietta Moranda helped establish dairies on the Arcata Bottom Arcata matured into a college town with Humboldt State College Its first

graduate Susie Baker Fountain became Humboldt County's first historian Working men like Warren Dowling built the town's homes and churches while the first woman city councilmember Alexandra Stillman helped usher in the modern age Today killing fields escapees Kimhak and Rasmey Chum make doughnuts and pizza that draw people at all hours and Arcata fairly boils as a stew of contrasting traditions styles and icons with its artsy eclectic liberated citizens bringing Humboldt County's North Coast its most vibrant tiny big city

Skye Legacy Krista Janssen, 2015-11-18 Skye Mckinnon has grown up on the Isle of Skye in Scotland but takes a solemn vow to her half Lakota Sioux father to immigrate to America's Dakota valley where he was born She feels the call of this rugged land deep in her soul Kyle Wyndford a wealthy cattle baron reigns over the Wind River Ranch in Dakota He blames the Sioux for the murder of his brother but when he meets Skye he soon loses his heart to the exotic part Native American beauty from Scotland Theirs is a powerful love but an impossible match until they must face together a treacherous villain determined to end both their lives In the spectacular setting of the far flung west the lovers fight to survive as they yield to a passion from which there is no turning back

Where Pastures Meet the Sky Andrea René Rudie, 2022-06-20 While flourishing in a vibrant life with her powerful but kind husband Laurel suffers an unthinkable tragic loss and finds her life and dreams for the future shattered As she struggles to pick up the broken pieces and slowly regain a sense of normalcy she finds her heartstrings pulling her gently back to the high pasturelands and the majestic timber framed homestead of her childhood Growing up wild free and unfettered on the ranch of her beloved late grandfather had shaped Laurel's view of the world from the time she was a toddler Experiences of her youth the gentle wisdom of her grandfather and the struggles she faced as a young teen are revealed Now an adult Laurel is suddenly faced with her past and its history unveiling the most difficult life decision she had to make when she was just a seventeen year old girl Where Pastures Meet the Sky captures the heart of a teenage girl the uncertainty of a woman navigating her way through middle age and the life altering blessings that are bestowed when one least expects them in due season through the quiet yet powerful arrival of redemption
