The Palgrave Handbook of New Directions in Kashmir Studies Haley Duschinski, Mona Bhan, Cabeiri deBergh Robinson, 2023-06-01

The Palgrave Handbook of New Directions in Kashmir Studies provides a comprehensive interdisciplinary and transregional perspective on the Kashmir dispute. Spanning South and Central Asia, Kashmir has been at the center of geopolitical conflicts and rivalries among India, Pakistan, and China for decades, with members of heterogeneous local communities negotiating the complexities of regional state formations, national power assertions, and geopolitical competitions. Taken together, the chapters in this handbook examine diverse people's struggles to establish processes of democratic accountability in relation to the colonial era, state consolidations, postcolonial military occupations, interstate wars, intrastate armed conflicts, and cold war and post cold war politics that have shaped and transformed social and political identities in the region. Contributors chart out varied and bold new directions by attending to local constellations of situated knowledges and practices through which people living in different parts of the disputed region make sense of the conditions and contingencies of their political lives. The handbook further initiates a dialogue on the ways in which state power and border regimes have shaped scholarship and undermined the pursuit of shared intellectual and political projects across physical and epistemological boundaries.

Fighting for the Forty-Ninth Star Terrence Cole, 2010-12-15

Discusses the role of C W Bill Snedden, owner and publisher of the Fairbanks Daily News Miner, and his protégé Ted Stevens, a young attorney, in mounting a campaign to win statehood for Alaska in the 1950s and tells of the opposition they faced from segregationists who feared Alaska would open the door to Hawaii and the addition of four new senators would lead to the passage of civil rights legislation.

The Exiled Pandits of Kashmir Bill K. Koul, 2020-09-10

This book discusses all the questions related to Kashmiri Pandits and their relation and current issues regarding their return to Kashmir. The book explores the importance of the return of Kashmiri Pandits for Kashmir and both major Kashmiri communities, especially those who really want to return home out of their own volition and for all right reasons. The book shows how to bring about a reasonable and realistic degree of practical and sustainable reconciliation between the two communities whilst trying to make them stand in each other's shoes, understand each other's perspective and pain, and then self-introspect sincerely so that a bridge of mutual trust and acceptance is rebuilt between the two communities, which can then allow those Pandits who genuinely want to return to cross over and be home.
