Myths of the Civil War Scott Hippensteel,2021-11-15 In the spirit of Robert Adair s cult classic The Physics of Baseball here is a book that tackles the long cherished myths of Civil War history and ultimately shatters them based on physics and mathematics At what range was a Civil War sniper lethal Did bullets ever rain like hail Could one ever step across a battlefield by stepping only on bodies and never hard ground How effective were Civil War muskets and rifles How accurate are photographs and paintings In this genre bending work of history Scott Hippensteel puts the tropes of Civil War history under the microscope and says Wait a minute Combining science and history Hippensteel reexamines much that we hold dear about the Civil War and convincingly argues that memoirs and histories have gotten it wrong This is a work of history and science for our era of fake news and for well beyond Readers will never look at the Civil War the same way again

Angelus J. And-re'son,2015-03-30 Spera Angelus is someone who wouldnt stand out to normal people but she is far from normal Spera is soon dragged into a war between the world she calls home and the world she didnt know she was a part of A normal day turns to genocide and if she and her kinds dont take a stand humanity will face extinction

Snipers at War John Walter,2017-05-30 Snipers at War is a detailed history and analysis of the equipment tactics and personalities of the sniping world from the pursuit of accuracy to the latest electronic aids to observation and ranging Technology and marksmanship from the Crimean War to the present day is examined in detail The role of the sniper was largely ignored until the Winter War of 1939 40 between Finland and the USSR showed what could be achieved by specialist marksmen Finn Simo Hyh amassed 505 kills in less than a hundred days a lesson learned by the Red Army to its cost By the Germans invasion of 1941 the Russians were prepared when the war ended in addition to men such as Vasiliy Zaytsev a Stalingrad hero with 242 accredited kills the USSR had trained more than 2000 women as snipers After 1945 the sniper s reputation declined again However the Vietnam War seemingly unending Middle Eastern conflict internal strife in Sri Lanka and ever present urban threats have given new impetus not only to sniping but also to the development of new and more effective weaponry

Troublemakers in the Church Mark Atteberry,2022-01-01 Most people would agree that the church is an amazing concept the idea that people who share faith in Christ can worship and serve together and enjoy sweet fellowship that has

love forgiveness and mutual support as its hallmarks But the reality is often quite different When people who are part of the church behave in ways that are thoughtless selfish and even vicious then that shining ideal dims drastically and people get wounded sometimes never to recover Suddenly the one place in the community that should symbolize hope and light becomes a house of horror Why does this happen The easy answer is to point an accusing finger at Satan but what about our own culpability Troublemakers in the Church Dealing with the Difficult the Dangerous and the Deadly identifies twenty five types of troublesome church members and offers insights on how to deal with them while also offering a specific plan for how to build a church culture that manages and minimizes trouble

The Stalingrad Cauldron Frank Ellis, 2013-06-27 The encirclement of the German 6th Army at Stalingrad in mid November 1942 and its final collapse in February 1943 was a signature defeat for Hitler as more than 100 000 of his soldiers were marched off into captivity Frank Ellis tackles this oft told tale from the unique perspective of the German officers and men trapped inside the Red Army s ever closing ring of forces This approach makes palpable the growing desperation of an army that began its campaign confident of victory but that long before the end could see how hopeless their situation had become Highlighting these pages are three previously unpublished German army division accounts translated here for the first time by Ellis Each of these translations follows the combat experiences of a specific division the 76th Infantry the 94th Infantry and the 16th Panzer and take readers into the cauldron or Kessel that was Stalingrad Together they provide a ground level view of the horrific fighting and yield insights into everything from tactics and weapons to internal disputes the debilitating effects of extreme cold and hunger and the Germans astonishing sense of duty and the abilities of their junior leaders Along with these first hand accounts Ellis himself takes a new and closer look at a number of fascinating but somewhat neglected or misunderstood aspects of the Stalingrad cauldron including sniping desertion spying and the fate of German prisoners His coverage of sniping is especially notable for new insights concerning the duel that allegedly took place between Soviet sniper Vasilii Zaitsev and a German sniper Major Konings a story told in the film *Enemy at the Gates* 2001 Ellis also includes an incisive reading of Oberst Arthur Boje s published account of his capture interrogation and conviction for war crimes and explores the theme of reconciliation in the works of two Stalingrad veterans Kurt Reuber and Vasilii Grossman Rich in anecdotal detail and revealing moments Ellis s historical mosaic showcases an army that managed to display a vital resilience and professionalism in the face of inevitable defeat brought on by its leaders It makes for compelling reading for anyone interested in one of the Eastern Front s monumental battles

Sniper Shot Introduction

In today's digital age, the availability of Sniper Shot books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sniper Shot books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sniper Shot books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sniper Shot versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sniper Shot books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sniper Shot books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sniper Shot books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of

digitized books and historical documents. In conclusion, Sniper Shot books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sniper Shot books and manuals for download and embark on your journey of knowledge?
