Chiaro,Christine Heiss,Chiara Bucaria,2008-08-14 Over the past decade interest in research on screen translation has increased sharply while at the same time fast moving technological breakthroughs are continually modifying and renewing both products and well established methods of linguistic mediation Thus as more scholars choose to devote their energies to investigating this multi faceted field there is an ever growing need to map out where the discipline stands and where it is going in terms of research This book sets out to establish the state of the art of this ever expanding field and at the same time to underscore the work of scholars following new paths of investigation both in terms of innovative linguistic mediations being examined and pioneering experimental design The volume includes descriptions of sophisticated electronic databases and corpora of audiovisual products for the big and small screen and the rationale behind them e g how they are created and programmed for querying technical limitations homogeneity in querying languages Furthermore Between Text and Image also includes a number of cutting edge studies in audience perception of audiovisual products i e empirically based viewer centred studies which are still rare yet essential if we wish to gain a thorough understanding of the field Finally the volume does not fail to ignore examples of original research carried out from both a traditional linguistic viewpoint and from a more cultural perspective **Existence and Heritage** Tsenay Serequeberhan,2015-10-06 In Existence and Heritage Tsenay

Serequeberhan examines what the European philosophical tradition has to offer when encountered from the outsider perspective of postcolonial African thought He reads Kant in the context of contemporary international relations finds in Gadamer s work a way of conceiving relations among differing traditions and explores Heidegger s analysis of existence as it converges with Marx s critique of alienation In the confluence of these different assessments Serequeberhan articulates both a need and example of responding to Fanon s call for a new kind of thinking in philosophy He demonstrates both how continental philosophy can be a useful resource for theorizing Africa s postcolonial condition and how postcolonial thought and African philosophy can provide a new way of approaching and understanding the Western tradition **The English**

Patient Michael Ondaatje,2011-01-03 WINNER OF THE GOLDEN MAN BOOKER PRIZE 2018 Magnificent Sunday Times The best piece of fiction I ve read in years Independent on Sunday The final curtain is closing on the Second World War and in an abandoned Italian village Hana a nurse tends to her sole remaining patient Rescued from a burning plane an anonymous Englishman is damaged beyond recognition and haunted by painful memories The only clue Hana has to unlocking his past is the one thing he clung on to through the fire a copy of The Histories by Herodotus covered with hand written notes detailing a tragic love affair **Islam and the Rule of Justice** Lawrence Rosen,2018-03-13 In the West we

tend to think of Islamic law as an arcane and rigid legal system bound by formulaic texts yet suffused by unfettered discretion While judges may indeed refer to passages in the classical texts or have recourse to their own orientations images of binding doctrine and unbounded choice do not reflect the full reality of the Islamic law in its everyday practice Whether in the Arabic speaking world the Muslim portions of South and Southeast Asia or the countries to which many Muslims have migrated Islamic law works is readily misunderstood if the local cultures in which it is embedded are not taken into account With Islam and the Rule of Justice Lawrence Rosen analyzes a number of these misperceptions Drawing on specific cases he explores the application of Islamic law to the treatment of women who win most of their cases the relations between Muslims and Jews which frequently involve close personal and financial ties and the structure of widespread corruption which played a key role in prompting the Arab Spring From these case studies the role of informal mechanisms in the resolution of local disputes The author also provides a close reading of the trial of Zacarias Moussaoui who was charged in an American court with helping to carry out the 9 11 attacks using insights into how Islamic justice works to explain the defendant's actions during the trial The book closes with an examination of how Islamic cultural concepts may come to bear on the constitutional structure and legal reforms many Muslim countries have been undertaking

Beyond Hostile Islands Daniel McKay, 2024-04-02 WINNER JAVIER COY BIENNIAL RESEARCH AWARD BEST MONOGRAPH Offers a fascinating window into how the fraught politics of apology in the East Asian region have been figured in anglophone literary fiction The Pacific War 1941 1945 was fought across the world's largest ocean and left a lasting imprint on anglophone literary history However studies of that imprint or of individual authors have focused on American literature without drawing connections to parallel traditions elsewhere Beyond Hostile Islands contributes to ongoing efforts by Australasian scholars to place their national cultures in conversation with those of the United States particularly regarding studies of the ideologies that legitimize warfare Consecutively the book examines five of the most significant historical and thematic areas associated with the war island combat economic competition internment imprisonment and the atomic bombing of Hiroshima and Nagasaki Throughout the central issue pivots around the question of how or whether at all New Zealand fiction writing differs from that of the United States Can a sense of islandness the tyranny of distance Mori cultural heritage or the political legacies of the nuclear free movement provide grounds for distinctive authorial insights As an opening gambit Beyond Hostile Islands puts forward the term ideological coproduction to describe how a territorially and demographically more minor national culture may accede to the essentials of a given ideology while differing in aspects that reflect historical and provincial dimensions that are important to it Appropriately the literary texts under examination are set in various locales including Japan the Solomon Islands New Zealand New Mexico Ontario and the Marshall Islands The book concludes in a deliberately open ended pose with the full expectation that literary writing on the Pacific War will grow in range and richness aided by the growth of Pacific Studies as a research area

Transcultural Realities Virginia H. Milhouse, Molefi Kete Asante, Peter

O. Nwosu, 2001-07-24 This text challenges the quantitative social science perspective on intercultural communication by examining critical issues from diverse perspectives Key topics include historical and religious perspectives racial and ethnic issues cross cultural adaptation and methods of researching other cultures The book takes a more critical cultural worldview of intercultural communication includes some of the major thinkers of the contemporary times including Molefi Kete Asante Ama Mazama Anthony Monteiro and Ali Mazrui is constructed so that professors and students of any cultural group might use it *Living Longer, Living Better* Lionel H. Opie, 2011-02-04 Living Longer The heart mind connection is written for all those who strive for optimal long term health and the maximal functioning of their hearts and minds Today's problem for the health conscious individual is information overload new health studies pour out almost daily from newspapers radio stations and television networks Many of the reports are contradictory and often misleading In this book Professor Opie sifts through the available information on the vast number of possible health promotion changes varying from increased exercise to aspirin to green tea and diets from Atkins to the vegetarian with the aim of grading the validity of the evidence asking questions such as Just how true are the studies and Just how compelling are the facts they claim Living Longer guides the reader through this morass of information with the message that just five key steps taken now will promote long term health benefits for heart and mind and give protection from future heart disease and brain deterioration Film Theory and Contemporary Hollywood Movies Warren Buckland, 2009-06-03 Film theory no longer gets top billing or plays a starring role in film studies today as critics proclaim that theory is dead and we are living in a post theory moment While theory may be out of the limelight it remains an essential key to understanding the full complexity of cinema one that should not be so easily discounted or discarded In this volume contributors explore recent popular movies through the lens of film theory beginning with industrial economic analysis before moving into a predominately aesthetic and interpretive framework The Hollywood films discussed cover a wide range from 300 to Fifty First Dates from Brokeback Mountain to Lord of the Rings from Spider Man 3 to Fahrenheit 9 11 from Saw to Raiders of the Lost Ark and much more Individual essays consider such topics as the rules that govern new blockbuster franchises the posthumanist realism of digital cinema video game adaptations increasingly restricted stylistic norms the spatial stories of social networks like YouTube the mainstreaming of queer culture and the cognitive paradox behind enjoyable viewing of traumatic events onscreen With its cast of international film scholars Film Theory and Contemporary Hollywood Movies demonstrates the remarkable contributions theory can offer to film studies and moviegoers alike **English Literature for AQA A** Tony Childs, Jackie Moore, 2000 This text provides material that covers the AQA English literature specification A syllabus As well as exam and coursework tips there is a firm focus on assessment objectives to aid students learn how to achieve maximum results *Restless* William Boyd, 2009-08-24 CHOSEN FOR THE DUCHESS OF CORNWALL S READING ROOM BOOK CLUB A wartime thriller featuring a resourceful woman in grave danger a great read HRH The Duchess of Cornwall It is 1939 Eva Delectorskaya is a beautiful 28 year old Russian migr e
