actual number of snow leopards in the wild and the most effective strategies for coexisting with these enigmatic animals Evidence from Pakistan and other countries in the snow leopard s home range shows that they rely heavily on human society domestic livestock accounts for as much as 70 percent of their diet Maintaining that the snow leopard is a wild animal conservation NGOs and state agencies have enacted laws that punish farmers for attacking these predators while avoiding engaging with efforts to mitigate the harms suffered by farmers whose herds are reduced by snow leopards This ethnography examines the uneven distribution of costs and benefits involved in snow leopard conservation and shows that for the conservation of nature to be successful the vision interests and priorities of those most affected by conservation policies in this case local farmers must be addressed A case history of Project Snow Leopard in the mountains of northern Pakistan which inspired similar programs in India Bhutan Nepal Mongolia Afghanistan and Tajikistan describes how the animal s food habits are studied how elusive individuals are counted and how a novel kind of snow leopard insurance has protected the species by compensating farmers for livestock losses The Snow Leopard and the Goat demonstrates that characterizing this conflict as one between humans farmers and wildlife snow leopards is misleading as the real conflict is between two human groups farmers and conservationists who see the snow leopard differently *Snow Leopard* Susie Alex,2015-12-14 Snow Leopard A Children Photos Book About Snow Leopard With Fun Snow Leopard Facts and Pictures For Kids Snow leopards are relatives of your little pet kitties but they are much bigger They live in the rocky mountains of Central Asia These large cats are now listed as an endangered species meaning there are only a few of them remaining in the wild The scientific name of snow leopards is *Panthera uncia* The snow leopard is the national animal of Afghanistan the national heritage animal of Pakistan and the state animal of Himachal Pradesh North Indian state in the western Himalayas **The Snow Leopard** Peter Matthiessen,1992 **Snow Leopards Picture Book** Simeon Toluwase,2020-07-29 If you are an animals enthusiast you would love just flipping the pages seeing this beautiful giant cat called the Snow Leopard in pictures The Snow Leopard otherwise called the Ghost of the Mountain or the Guardian Angel of the Mountain is an endangered animal mostly found in Asia and Russia This picture book is good for kids and aged people and seniors who will find it captivating to their minds seeing the Snow Leopard the Ghost of the Mountain in different positions and in their natural habitat Flipping through the page of this pictures help relaxes the mind and soul You will be amazed at the Nature itself beholding this wonderful big cat called the Snow Leopard the ghost of the mountains Order this book for your children friends Alzheimer s Patients and Seniors with Dementia as a gift [Snow Leopards in Nepal](#) Pavel Kindlmann,2022-09-30 Snow leopard *Panthera uncia* is an endangered species and its population size is steadily declining The main threats to the snow leopard include illegal trade conflict with locals human snow leopard conflict lack of conservation awareness and policy and climate change To avoid its extinction we badly need a good knowledge of its ecology distribution and population dynamics including interactions with its prey which will take into account various scenarios of changes in climate and human impact on snow leopard This book aims

to put together a considerable amount of unpublished data collected by the co author of most of the chapters Bikram Shrestha which might be useful for other researchers working on snow leopard In addition researchers might find it useful to have a key for determining the diet of snow leopard based on remnants of its food in its scats Last but not least based on the difficulty we experienced trying to compare and combine different sets of results we propose a general methodology for collecting data Thus this book is not an all encompassing compendium but an attempt to fill some gaps in the literature and to show how to publish new data on snow leopard in a useful and workable way The first part describing the main features of snow leopard and its main prey ecology is followed by a comprehensive review of data available on its abundance and threats to its survival The third most extensive part the substance of the book presents new data from 15 years of intensive camera trapping combined with scat sampling These data are analyzed by means of advances GIS and genetic techniques which yields a large amount of conservation implications The purpose of this book is to provide a tool for both environmental managers and researchers to find quickly what is known about this species for conservation planning and for an effective protection of snow leopard However enthusiasts interested in wild cats may welcome the book too *Saving the Snow Leopard* Louise Spilsbury,2023-02-01 The snow leopard is one of Earth s most entrancing creatures yet it is also one of its most threatened Find out why some people are making it their mission to try to save snow leopards and what readers can do to make it their mission too in this call to action series Mission Survival explores why humans are endangering snow leopards and their biomes and how and why some people have devoted their careers to helping save them Some of the world s most beautiful creatures are threatened because of human action Find out why some people are making it their mission to try to save them what kids on a mission are doing to save them and what readers can do to make it their mission too in this call to action series Mission Survival includes case studies that explore the work people are undertaking to save threatened animals and career information that shows children how they can build their own careers in animal conservation *The Snow Leopard* Peter Matthiessen,2022-06-02 **Snow Leopard** Jessica Joe,2020-07-12 Snow Leopard Amazing Facts Pictures
