**Snow of Kansas** Clyde Kenneth Hyder, Deane Waldo Malott, Francis Huntington Snow, 1953      **Snow of Kansas** Clyde Kenneth Hyder, 1953      **The English Professor** Margaret R. O'Leary/Dennis S. O'Leary, 2016-02-04 Across the span of more than forty years Raphael Dorman O Leary a professor of English rhetoric and English literature taught his students at the University of Kansas to think straight to put sinew into their sentences and to embrace the magnificent literary treasures of their mother tongue The English Professor by authors Margaret R O Leary and Dennis S O Leary offers a narrative of the life work and times of a revered Midwestern university English teacher This memoir narrates how the professor born in 1866 was raised on a Kansas farm in the post bellum era Like his father before him he was committed to a life of learning and teaching His colleagues knew him for his unpretentious exterior honesty and integrity and his flashing anger at cheapness vulgarity pretense and above all charlatanism When Professor O Leary died after a short illness in 1936 his personal effects passed through two generations to his grandson Dennis S O Leary who with his wife Margaret discovered his papers while restoring a family house The trove of material served as the core resource for the compilation of The English Professor It provides insights into the histories of Kansas and the University of Kansas and of Harvard University as well as perspectives on higher education including the teaching of English rhetoric language literature journalism and oratory in the United States      **R. D. O'Leary (1866-1936)** Margaret R. O'Leary, 2015-04-15 Over the span of forty years Professor Raphael Dorman OLeary labored tirelessly to make his students understand the importance of originality and of apt expression in English composition He especially loved words well chosen and dared his students to put beauty and smoothness and sinew into their sentences He tried passionately to make them feel the dignity and the majesty of the English language at its best When he died after a short illness in 1936 his personal effects passed among descendants until finally coming to rest with Dennis OLeary and his spouse Margaret who discovered them in a poor condition while restoring a family house Amid Professor OLearys papers was his handwritten journal from the year 1914 to 1915 The journal displays the full measure of R D OLeary in his myriad academic social political and religious experiences at the University of Kansas atop Mount Oread in the adjacent city of Lawrence Kansas and while traveling to rural Kansas during the summer months and to Minneapolis Minnesota in the dead of winter Throughout his journal Professor OLeary portrays with humor and pathos his encounters with students colleagues his spouse his three sons his mother shopkeepers religious zealots pro German zealots anti German zealots drayers Pullman conductors bankers politicians publishers educated spinsters and garden wasps while vividly describing cold classrooms interminable whist parties trilling sopranos Kansas football games and Lawrence seed stores R D OLeary 1866-1936 Notes from Mount Oread 1914-1915 is a fascinating glimpse into the life and times of a revered English professor half way through his forty years of teaching at the University of Kansas      **Notes from Oxford, 1910-1911** R'D O'Leary, 2014-12-31 Over the span of forty years Professor Raphael Dorman OLeary passionately imparted to his students his

love of writing and English literature at the University of Kansas When he died after a short illness in 1936 his personal effects were passed to several relatives until Dennis OLeary and his wife Margaret discovered his papers while restoring a family house Amid Professor OLearys papers were two slim and battered booklets containing the colorful journal that he kept during his sabbatical in Oxford England from 1910 to 1911 The journal paints a vibrant picture of OLearys academic social political and religious encounters in Oxford England as he and his family attempted to adjust to an alien world Professor OLeary portrays with humor and pathos his myriad encounters with professors politicians Rhodes scholars shopkeepers nurses street urchins and mummers while vividly describing the dreary climate tea and dinner parties football games the marketplace musty bookstores Oxfords slums and the birth of his son in a rooming house bedroom Notes from Oxford 19101911 reveals a fascinating glimpse into the experiences of a revered English professor during his one year sabbatical in Oxford England

The University and the People Scott M. Gelber,2011-09-28 The University and the People chronicles the influence of Populism a powerful agrarian movement on public higher education in the late nineteenth century Revisiting this pivotal era in the history of the American state university Scott Gelber demonstrates that Populists expressed a surprising degree of enthusiasm for institutions of higher learning More fundamentally he argues that the mission of the state university as we understand it today evolved from a fractious but productive relationship between public demands and academic authority Populists attacked a variety of elites professionals executives scholars and seemed to confirm academia s fear of anti intellectual public oversight The movement s vision of the state university highlighted deep tensions in American attitudes toward meritocracy and expertise Yet Populists also promoted state supported higher education with the aims of educating the sons and sometimes daughters of ordinary citizens blurring status distinctions and promoting civic engagement Accessibility utilitarianism and public service were the bywords of Populist journalists legislators trustees and sympathetic professors These academic populists encouraged state universities to reckon with egalitarian perspectives on admissions financial aid curricula and research And despite their critiques of college ivory towers Populists supported the humanities and social sciences tolerated a degree of ideological dissent and lobbied for record breaking appropriations for state institutions
