Snowblind Part One:

Snowblind Martin Wagner, 1995 **Snow Blind** P. J. Tracy, 2007-07-03 When the corpses of three police officers are discovered entombed in snowmen Grace MacBride and her team of crime busting computer jocks at the Monkeewrench firm are called in to assist What they discover is a terrifying link among the victims that reaches beyond the badge and crosses the line between hard justice and stone cold vengeance **Snow Blind** Richard Blanchard, 2013-11-04 Snow Blind is a viciously funny novel with a moral It lifts the lid on male relationships and asks whether men ever truly grow up More importantly what impact is this having on the legacy we leave our kids Dan Greenhenge is sliding uncontrollably towards the dual dangers of a gaping ice blue crevasse and a marriage of convenience This 40 year old music obsessed copywriter is a lovely but hapless man his survival will be determined by whether he can finally take responsibility for himself Richard Blanchard's debut novel takes place over an extended stag ski weekend in Chamonix France below the peaks of Mont Blanc Dan is under pressure from every angle First his son Bepe is in a life threatening accident at Manchester Airport and then there is Robert an estranged college friend who disrespects everything Dan is who leads the stag party astray Dan's boss has heaped work on him to try to save their advertising agency But his biggest worry is the presence of Juliet the love of his lifetime ex girlfriend who has wrangled her way into the weekend an honorary stagette on a mission As the stags push Dan into increasingly embarrassing situations he can't refuse But when they take this novice skier to the Vallee Blanche some of the most challenging terrain in Europe have they pushed him too far **Snow-Blind** Katharine Newlin Burt, 2022-08-01 In the enthralling novel Snow Blind Katharine Newlin Burt captures the essence of human resilience and the raw confrontation with the elements This classic narrative reprinted by DigiCat Publishing reveals a vivid portrayal of characters battling the relentless and indifferent force of nature where the white canvas of snow becomes a symbol for both isolation and revelation Burt's prose deftly intertwines realism and psychological depth embedding her work firmly within the American literary tradition while exploring the boundaries of individual identity and psychological endurance Published in a time where the literary scene was blossoming with new explorations of narrative form and human consciousness Snow Blind stays true to these themes offering a journey not just through the blizzard swept landscapes but through the stormy terrain of the human psyche Katharine Newlin Burt known for her potent depictions of the American West delivers in Snow Blind an affecting study in the human spirit Her background may offer insight into her incisive observations a life marked by the vast and rugged American terrain that resonates in her literary creations The care with which DigiCat Publishing has preserved and presented Burt's work signifies the enduring value of her contribution to literature allowing a new generation to experience the immediacy and emotion contained within her story Snow Blind is a novel that commends itself to readers in search of narratives that probe the complexities of place identity and survival The perceptive reader will be rewarded with Burt's rich descriptions and the nuanced layers of her characters experiences This work is not merely an artifact of its time it is a

timeless contemplation of the human condition as relevant today as when first penned In our digital age the reissuing of such a classic reaffirms its status as a riveting and instructive text perfect for those who cherish the classics and those who are encountering Burt's formidable storytelling for the first time
