Susan Schade, 2009 I Can Read It All by Myself Paul V. Allen, 2021-05-28 In the late 1950s Ted Geisel took on the challenge of creating a book using only 250 unique first grade words something that aspiring readers would have both the ability and the desire to read The result was an unlikely children's classic The Cat in the Hat But Geisel didn't stop there Using The Cat in the Hat as a template he teamed with Helen Geisel and Phyllis Cerf to create Beginner Books a whole new category of readers that combined research based literacy practices with the logical insanity of Dr Seuss The books were an enormous success giving the world such authors and illustrators as P D Eastman Roy McKie and Stan and Jan Berenstain and beloved bestsellers such as Are You My Mother Go Dog Go Put Me in the Zoo and Green Eggs and Ham The story of Beginner Books and Ted Geisel's role as president policymaker and editor of the line for thirty years has been told briefly in various biographies of Dr Seuss but I Can Read It All by Myself The Beginner Books Story presents it in full detail for the first time Drawn from archival research and dozens of brand new interviews I Can Read It All by Myself explores the origins philosophies and operations of Beginner Books from The Cat in the Hat in 1957 to 2019's A Skunk in My Bunk and reveals the often fascinating lives of the writers and illustrators who created them **Trail of Been** Sycamore, 2024-07-09 It was June 15 Liz Frances's fifty fifth birthday and only five years behind on her life's plan when she took her first step onto the Appalachian Trail Leaving behind her two sons her other Dan and the rest of her family with the exception for her closest canine companion Liz embarks on a journey where she finds a connection with a sycamore tree a man she wished she had met years sooner and ultimately rediscovers her roots Liz had always managed to put herself on the most difficult path sometimes jumping into the fire before knowing just how hot it would be Haunted by her failures and disappointments from a father who was never satisfied to an abusive ex husband who drained every ounce of love she had to give Liz fights through her stubborn pride and learns to lean on those around her sometimes quite literally As she hikes her way into new perspectives on life love and loss Liz is absorbed by her trail identity as Sycamore The Trail of Been is based on real life events that draw from the author's own life's experiences and walk through every fear and emotion that thousands of women have traveled through Much like Wild A Walk in the Woods and even Bridges of Madison County Trail of Been conveys the perseverance of one faced with difficult challenges and choices in life finding strength and ultimately peace in life's journey **Unreal** James Serven, 2024-12-05 Unreal is a collection of stories vignettes anecdotes and moments from the life of the author James Serven James was the sole survivor of a tragic airplane crash in 1978 when he was fifteen years old The book Unreal describes how his life has unfolded and played out over the years The majority of the stories have a direct link to this harrowing plane crash in which the other three passengers tragically passed away But there are many other stories that are unique to themselves Some are humorous Some are ironic Some are sad But hopefully all are
