

A person is seen from behind, sitting on a wooden dock that extends into a calm lake. The person is wearing a dark jacket. The lake's surface is still, reflecting the surrounding landscape. In the background, there are steep, rocky mountains with patches of snow or light-colored rock. The sky is overcast and grey. The overall mood is contemplative and serene.

others to accept their blessings by taking the initial steps of faith to progress toward their valuable space There are so many people suffering from victimization so take the courageous step forward to no longer settle for crumbs Matthew 15 25 28 New International Version NIV Do not look at the time lost look forward to what is ahead and push forward to be the best versions of ourselves The woman came and knelt before him Lord help me He replied It is not right to take the children s bread and toss it to the dogs Yes it is Lord she said Even the dogs eat the crumbs that fall from their master s table Then He Jesus said to her Woman you have great faith Your request is granted Scripture reference Matthew 15 26 28 Life can be a type of bully telling you who and what you are This bully is Satan the devil the evil one who is pulling the puppet strings on every strategic and direct attack Satan purposefully designs to distract you from living in your fullness and strategizes on how to hinder you from having the abundant blessings you are meant to have Settling for crumbs started for me with incidents out of my control and then the conflicts grew to a conditioned acceptance of believing I was not worth anything good I had allowed the strategic and direct attacks that came against me to devalue me I allowed these evils to convince me to accept only crumbs in all areas of my life I never believed good was ever afforded for me It was only when I began to allow Jesus to work in my heart and mind that I was able to heal and progress forward God used the evil the rejection and the bad that shaped my negative perception and God turned the destruction into a positive and a higher level of thinking and living God enabled me to learn how to value myself to go beyond the crumbs and walk in the fullness of life through faith My purpose is to share my story and provide you with teachings for how to have your abundant life now No more crumbs for me and no more crumbs for you either There is nothing too complicated for God to reshape into a win So I speak Jesus words over you Be of good cheer Great is your faith How is your faith considered great Your faith is being activated by you taking that next courageous step in God God honors faith above all else and God hears your cry He will fight your battles and lead you to your destined blessings You ve been made for so much more and the devaluing of accepting crumbs ends today God will fight for you every step of the way
